First of all the shopping is a lot better in this town. Make your way straight up from the entrance and go into the first house with the pink roof. This is the "Jam Store" and they sell all kinds of jam (you'll find that relatively useless items are quite commonplace in Star Ocean: The Second Story.)

For an engineer who is new to designing multi-storey buildings it is important that they follow a logical sequence through the various stages of the design process. Six steps that define this sequence are described below. Rules of thumb are included within each step to help the designer quickly and efficiently arrive at a solution that is sensible for a given set of constraints.

A Guide to the Home Building Manual - NHBRC

Because "manual" has connotations of dense, boring text, some manufacturers or technical writers prefer the label "guide" for what would traditionally be called a "manual." Instructions is the most generic term, and may be synonymous with directions – step-by-step guidance on how to perform a specific task or function.
