In July 2019, Apple updated the MacBook Air that was originally redesigned in October 2018. Even though there were no major updates to the MacBook Air, the enhancement led to a new butterfly keyboard which utilizes the same updated materials like the 2019 MacBook Pro, some small SSD changes, an improved display with True Tone, and a lower price tag. The MacBook Air has a T2 chip as well as fingerprint sensor for the Touch ID that can be used instead of entering password. This T2 chip is built for enhanced security on the MacBook Air by ensuring a secure boot process through Secure Enclave, and fast data encryption with an SSD controller. The macOS Catalina which was launched in October 2019, is the latest operating system for the Apple Mac family. The new software brought with it several new exciting features that may seem overwhelming even to existing users. Some of these features include the Screen Time, division of iTunes into 3 separate apps, using the iPad as a second screen, otherwise known as Sidecar and lots more. This user guide contains detailed steps on how to explore all the new features on your computer along with screenshots to make it easy for you to familiarize yourself with the workings of the macOS Catalina. Whether you are just buying a new Mac device or downloading the new software to your existing device, this book would help you to achieve better and faster productivity. enough to make this the best MacBook for most people. The keyboard is the star of the show here, Yep, that's right. Apple ditched the disastrous butterfly keyboard for its Magic Keyboard and all I can say is: thank goodness. Even with all these new features, Apple still managed to keep the starting price at a relatively affordable \$999. The MacBook Air (2020) comes with all the right improvements without sacrificing the best features of the previous version. Apple didn't reinvent the MacBook Air on the outside. But the 2020 model does have some exciting improvements under the hood. There's a 10th-generation processor, and double the base storage. There is a lot to love in Apple's latest MacBook Air. This book is written in simple and clear terms, with a step-by-step approach that will help you to master your MacBook Air with 2020 MacOS Catalina 10.15 within the shortest period of time.
