Artifacts Cycle I: A Magic: The Gathering Omnibus: Jeff ...

*Before planeswalkers, before the five colors of magic, before history itself, the plane of Dominaria was ruled by the Thran. They built machines and artifacts, the likes of which have never since been seen. But amid this civilization, a shadow took root, one that would stretch its arms across space and time: the hideous evil of Phyrexia was born. And in its wake arose a mighty conflict between the brothers Urza and Mishra, a battle of titanic engines that scarred an entire plane and that altered the course of history. So begins the saga of the brothers' war"--P. [4] of cover.

Urza ' s Legacy Unfolds Urza Planeswalker has enlisted the most brilliant minds from across Dominaria to study at his academy on Tolaria. Together they work to bring to life the greatest artifact weapon Urza has ever devised, hoping to use it to defend their home from an imminent Phyrexian invasion. But treachery and tragedy stalk the tiny island, as Urza and his followers seek to manipulate time itself.

Before the Brothers ' War. Before the five colors of magic. Before history itself, the plane of Dominaria was ruled by the Thran. They built machines and artifacts, the likes of which have never since been seen. But amid this civilization, a shadow took root, one that would stretch its arms across space and time. The hideous evil of Phyrexia was born.

Urza Triumphant The war between Urza and Mishra is over. Brooding on the death of his brother at the hands of extraplanar forces, Urza drifts among the planes. But the end of the Brothers ' War has transformed him into something greater. Deep within his heart, a spark has been kindled to a flame that cannot be quenched. Urza has become a planeswalker.

Returning to the popular world of Dominaria for the first time in years, the Time Spiral Cycle centers on Teferi Planeswalker, a well-loved character with a rich history in Magic: The Gathering. This title also features appearances of many other beloved characters who will be easily recognized by readers and fans alike. As with previous Magic titles, Future Sight previews the latest Magic card set release by giving readers the first look at what will be coming out in the set.

HUGO AWARD WINNER: BEST NOVELLA NEBULA AND LOCUS AWARDS WINNER: BEST NOVELLA " [An] exquisitely crafted tale...Part epistolary romance, part mind-blowing science fiction adventure, this dazzling story unfolds bit by bit, revealing layers of meaning as it plays with cause and effect, wildly imaginative technologies, and increasingly intricate wordplay...This short novel warrants multiple readings to fully unlock its complexities. " ---Publishers Weekly (starred review). From award-winning authors Amal El-Mohtar and Max Gladstone comes an enthralling, romantic novel spanning time and space about two time-traveling rivals who fall in love and must change the past to ensure their future. Among the ashes of a dying world, an agent of the Commandment finds a letter. It reads: Burn before reading. Thus begins an unlikely correspondence between two rival agents hellbent on securing the best possible future for their warring factions. Now, what began as a taunt, a battlefield boast, becomes something more. Something epic. Something romantic. Something that could change the past and the future. Except the discovery of their bond would mean the death of each of them. There ' s still a war going on, after all. And someone has to win. That ' s how war works, right? Cowritten by two beloved and award-winning sci-fi writers, This Is How You Lose the Time War is an epic love story spanning time and space.

An ethologist shows man to be a gene machine whose world is one of savage competition and deceit

Ten Strategies of a World-Class Cyber Security Operations Center conveys MITRE's accumulated expertise on enterprise-grade computer network defense. It covers ten key qualities of leading Cyber Security Operations Centers (CSOCs), ranging from their structure and organization, to processes that best enable smooth operations, to approaches that extract maximum value from key CSOC technology investments. This book offers perspective and context for key decision points in structuring a CSOC, such as what capabilities to offer, how to architect large-scale data collection and analysis, and how to prepare the CSOC team for agile, threat-based response. If you manage, work in, or are standing up a CSOC, this book is for you. It is also available on MITRE's website, www.mitre.org.

The fundamental mathematical tools needed to understand machine learning include linear algebra, analytic geometry, matrix decompositions, vector calculus, optimization, probability and statistics. These topics are traditionally taught in disparate courses, making it hard for data science or computer science students, or professionals, to efficiently learn the mathematics. This self-contained textbook bridges the gap between mathematical and machine learning texts, introducing the mathematical concepts with a minimum of prerequisites. It uses these concepts to derive four central machine learning methods: linear regression, principal component analysis, Gaussian mixture models and support vector machines. For students and others with a mathematical background, these derivations provide a starting point to machine learning texts. For those learning the mathematics for the first time, the methods help build intuition and practical experience with applying mathematical concepts. Every chapter includes worked examples and exercises to test understanding. Programming tutorials are offered on the book's web site.

Kingdoms collide as Aelin continues her epic journey from assassin to queen in this instalment of the global #1 bestselling series. The long path to the throne has just begun for Aelin Galathynius. As the kingdoms of Erilea fracture around her, enemies must become allies if Aelin is to keep those she loves from falling to the dark forces poised to claim her world. With war looming on all horizons, the only chance for salvation lies in a desperate quest that may mark the end of everything Aelin holds dear. Will Aelin succeed in keeping her world from splintering, or will it all come crashing down? Contains mature content. Not suitable for younger readers.
