Told with humor and heart, *The Boy at the Back of the Class* offers a child's perspective on the refugee crisis, highlighting the importance of friendship and kindness in a world that doesn't always make sense. There used to be an empty chair at the back of Mrs. Khan's classroom, but on the third Tuesday of the school year a new kid fills it: nine-year-old Ahmet, a Syrian refugee. The whole class is curious about this new boy--he doesn't seem to smile, and he doesn't talk much. But after learning that Ahmet fled a Very Real War and was separated from his family along the way, a determined group of his classmates bands together to concoct the Greatest Idea in the World--a magnificent plan to reunite Ahmet with his loved ones. This accessible, kid-friendly story about the refugee crisis highlights the community-changing potential of standing as an ally and reminds readers that everyone deserves a place to call home. "This moving and timely debut novel tells an enlightening, empowering, and ultimately hopeful story about how compassion and a willingness to speak out can change the world." --School Library Journal, Starred Review Overall Winner of the 2019 UK Waterstones Children's Book Prize Winner of the 2019 UK Blue Peter Book Award A CLIP Carnegie Medal Children's Book Award Nominee

Reed Stewart thought he 'd left all his small town troubles—including a broken heart—behind when he ditched tiny Bloomville, Indiana, ten years ago to become rich and famous on the professional golf circuit. Then one tiny post on the Internet causes all of those troubles to return . . . with a vengeance. Becky Flowers has worked hard to build her successful senior relocation business, but she 's worked even harder to forget Reed Stewart ever existed. She has absolutely no intention of seeing him when he returns—until his family hires her to save his parents. Now Reed and Becky can 't avoid one another—or the memories of that one fateful night. And soon everything they thought they knew about themselves (and each other) has been turned upside down, and they—and the entire town of Bloomville—might never be the same, all because *The Boy Is Back*.
