Big Girl Panties by Stephanie Evanovich is a rollicking and poignant romantic comedy about a young widow who decides to get in shape...and winds up getting her groove back—and a whole lot more! Holly Brennan used food to comfort herself through her husband’s illness and death. Now she’s alone at age thirty-two. And she weighs more than she ever has. When fate throws her in the path of Logan Montgomery, personal trainer to pro athletes, and he offers to train her, Holly concludes it must be a sign. Much as she dreads the thought of working out, Holly knows she needs to put on her big girl panties and see if she can sweat out some of her grief. Soon, the easy intimacy and playful banter of their training sessions lead Logan and Holly to most intense and steamy workouts. But can Holly and Logan go the distance as a couple now that she’s met her goals—and other men are noticing?

Although he has been with his wife, Starla, for over twenty years, Dale freely admits that he knows absolutely nothing about women and he has the stories to prove it including: Nothing Says I Love You Like a Leaf Blower, The Thingy Is Going Ggguuurrrgggg, I Want My HGTV, What Is That Smell, Ow, You Are On My Hair, With This Pre-nup I Thee Wed, My Eggs Are Rotting, Boys Do Not Tinkle, and Why Do Men Scratch. Ladies, if you have ever wondered what your man is really thinking, Dale will tell you. Guys, if your lady has ever left you confused and frustrated, you are not alone. Dale has been there, too. To strengthen your relationship, sit on the couch with your soul mate, share a nice box of wine, and laugh out loud at Big White Panties. Dale Alderman lives in Chantilly, Virginia with his wife, Starla, and two sons, Chase and Logan. An award-winning author, Dale has appeared on FOX & Friends on the FOX News Channel and has appeared on many nationally syndicated radio shows. Big Girl Panties is a Southern, romantic comedy that will leave you laughing and swooning in equal measure. It is the first novella in the Like A Lady serial and cannot be read as a standalone. Mom always tells me that when life gives you lemons you squeeze the heck out of them and hope for some lemonade, but after catching that no-good lying, jerk of a bastard cheating on me seconds before we were supposed to be married, I do what any self-respecting Southern girl would do: throw a punch and hide under my blankie. Now, Mary Lou thinks I need a night of fun and adventure. I agree to go out, planning to get her off my back, but when I find myself in Mason Pierce's arms, I'm thanking my lucky stars, and my best friend. ~Red Freemont, Oklahoma, is the last place on the whole damned planet that I want to spend my summer and working on my parents' ranch is the last thing I want to do, but damned if that's not what I'm doing. Monroe and I need a night away from this place, a night to blow off steam. A party at the lake sounds like a mighty fine idea, and after catching a glimpse of Red Summers in the firelight, I'm quickly changing my tune. ~Mason

Her journey relates to real life and how it can make or break an intelligent woman. Her views on how to wear your big girl panties, will prove, "If you can't lose it, you can't hide it, then dammit; decorate it."

Meet Renee, an up and coming professional in the world of loans and financing. She didnt come to this path easily, surviving a childhood in East Los Angeles in a single parent home with plenty of siblings to forge a less than successful path for her. But Renee saw something different out there for herself, a world full of opportunity and promise. The fact that she was a big girl never stopped her from pursuing a career, until the 10-year friendship with Robert bloomed into romance. Tall and rather lean, Robert was not at all what you would call a leading man but Renee fell in love with Robert and he fell hard for her. Things looked promising until the Colonel, Roberts father, met Renee. All bets were off. Suddenly Renees weight became the deal breaker. You will laugh, you will cry, but ultimately you will be fighting this battle right along with Renee, cheering her on, while shes putting on her big girl panties.

Georgia Nicolson has started dating the Sex God (aka Robbie). So life should be perfect . . . except in Georgia's life, nothing is ever perfect. Her cat, Angus (the size of a small Labrador), is terrorizing the neighborhood. Her sister, Libby (who is slightly mad), hides her pooey knickers at the bottom of Georgia's bed. Then the Sex God breaks it off because she's too young. It's time for a plan. It's time for a Red Herring. It's time for Georgia to become a "heartless boy magnet!"
