In Jeni's Splendid Ice Cream Desserts, ice creams deliciously melt into hot brown Bettys, berry cobblers, sweet empanadas, and corn fritters. Her one-of-a-kind cakes and cookies are not only served with ice cream, they get crumbled on top and incorporated into the ice cream base itself. Sundae combinations dazzle with bold and inspired sauces, such as Whiskey Caramel and Honey Spiked with Chilies. And Jeni's crunchy "gravels" (crumbly sundae toppings) such as Salty Graham Gravel and Everything Bagel Gravel are unlike toppings anyone has ever seen before. Store-bought ice cream can be used for all the desserts in the book, but it will be hard to resist Jeni's breakthrough recipes for dairy-free ice cream, frozen custard, and soft-serve. Thirty brand-new flavors, including Cumin & Honey Butterscotch and Extra-Strength Root Beer Ice Cream, attest to the magic of this unique and alluring collection.

Named Strategy + Business best marketing book of 2011 Combining social media tools with socially conscious brands, the two major trends shaping tomorrow's consumer climate, Simon Mainwaring presents a visionary new model for companies and organizations to maximize both their own visibility and their contribution to the greater good. He shows how brands can leverage social media to build consumer goodwill, loyalty and profit, as well as how consumers can use their new social networking power to drive sustainable change in the business world. Using case studies from Procter & Gamble, Pepsi, Wal-Mart, Starbucks, Toyota, Nike, Patagonia, and more, as well as the latest in social business technology, Mainwaring offers an actionable blueprint for prosperity and renewal that speaks to marketers and consumers alike.
