Of England they to Canterbury wend,
The holy blessed martyr there to seek .
Who helped them when they lay so ill and weak.
Befell that, in that season, on a day .
In Southwark, at the Tabard, as I lay .
Ready to start upon my pilgrimage .
To Canterbury, full of devout homage,
There came at nightfall to that hostelry

The General Prologue - Translation

The General Prologue was probably written early in the composition of the Canterbury Tales, and offers an interesting comparison point to many of the individual tales itself. Of course, it does not match up to the tales as we have them in a number of ways: the Nun's Priest and the Second Nun are not described, and, most significantly, the work as we have it does not reflect the Host's plan.

While literary scholars have insisted on the need to understand works of medieval literature in their historical context, medieval historians themselves have rarely contributed to modern attempts to show how works of imaginative literature engaged with the conflicts and controversies of their own day. This volume brings together 25 experts in the history of fourteenth-century England and asks them to discuss one of the most famous works of Middle English literature--Geoffrey Chaucer's 'General Prologue' to the Canterbury Tales--in relation to the economic change, social issues, and religious controversies of the period. Beginning with a survey of recent debates about the social meaning of Chaucer's work, the volume then discusses each of the Canterbury pilgrims in turn. The book should be of interest to all scholars and students of medieval culture whether they are specialists in literature or history.
