learners to master essential content and skills in Agricultural Sciences. The comprehensive Learner's Book includes: * an expanded contents page indicating the CAPS coverage required for each topic * activities throughout that help develop learners' knowledge and skills * revision tasks and review at the end of each module that provides for consolidation of learning * case studies that link science to real-life situations and present balanced views on sensitive issues * 'information' boxes providing interesting additional information and 'Note' boxes that bring important information to the learner's attention * Glossary boxes to explain unfamiliar and difficult terms

Getting Ready for the 4th Grade Assessment Test: Help Improve Your Child's Math and English Skills - Many parents are expressing a demand for books that will help their children succeed and excel on the fourth grade assessment tests in math and English -especially in areas where children have limited access to computers. This book will help students practice basic math concepts, i.e., number sense and applications as well as more difficult math, such as patterns, functions, and algebra. English skills will include practice in reading comprehension, writing, and vocabulary. Rubrics are included for self-evaluation.

Current Issues in Second/Foreign Language Teaching and Teacher Development: Research and Practice represents a collection of selected papers from the 17th World Congress of the International Association of Applied Linguistics (AILA), which was held in August 2014 in Brisbane, Australia. The volume comprises 18 chapters presenting current research projects and discussing issues related to second language acquisition, teaching and teacher education in a variety of contexts from around the world. This collection of research papers will be of use to both new and seasoned researchers in the field of applied linguistics. Teacher educators, language teachers and language policy makers will find this volume equally useful as the papers address current issues in language education.

Study & Master Life Skills has been specially developed to support the Curriculum and Assessment Policy Statement (CAPS). The innovative Teacher's Guide with CD-ROM includes: * a detailed work schedule for the whole year * step-by-step guidance on the teaching of each lesson and form of assessment, as well as Remedial and Extension activities for each Unit * photocopiable record sheets and templates * recordings to support the Performing Arts topic.
