AGA's CGFM study guide 2 covers the general principles and unique aspects of federal, state and local governmental accounting, financial reporting and budgeting. This publication is designed as a comprehensive guide for those who wish to advance their knowledge of government financial management and help candidates prepare for the Certified Government Financial Manager (CGFM) examination 2.

This text is an unbound, three hole punched version. Government and Not-for-Profit Accounting, 7th Edition by Michael Granof, Saleha Khumawala, Thad Calabrese, and Daniel Smith makes students aware of the dynamism of government and not-for-profit accounting and of the intellectual challenges that it presents. Not only does the 7th edition keep students informed of current accounting and reporting standards and practices, but it also ensures that they are aware of the reasons behind them, their strengths and limitations, and possible alternatives.

The Certified Regulatory Compliance Manager (CRCM) certification is one of the most respected and well-recognized certifications for banking compliance professionals. This respect and recognition don't come just because the CRCM is earned through the American Bankers Association (ABA) - or because many of the top compliance professionals and consultants have this certification. The CRCM certification is a valued credential because of the difficulty to obtain the designation, meaning that not just anyone can obtain their CRCM. Preparing for the Certified Regulatory Compliance Manager exam to become a CRCM Certified by ABA? Here we've brought 250+ Exam Questions for you so that you can prepare well for this CRCM exam. Unlike other online simulation practice tests, you get a Paperback version that is easy to read & remember these questions. You can simply rely on these questions for successfully certifying this exam.

Join a Growing movement: Learn how you can join a fast-growing global movement to redefine success in business—led by well-known icons like Patagonia and Ben & Jerry's as well as disruptive upstarts like Warby Parker and Etsy—recently covered by the New York Times, the Economist, the Wall Street Journal, Entrepreneur, and Inc. Build a better business: Drawing on best practices from 100+ B Corps, this book shows that using business as a force for good can help distinguish your company in a crowded market, attract and retain the best employees, and increase customer trust, loyalty, and evangelism for your brand. More than 1,000 companies from 80 industries and 30 countries are leading a global movement to redefine success in business. They're called B Corporations—B Corps for short—and these businesses create high-quality jobs, help build stronger communities, and restore the environment, all while generating solid financial returns. Author and B Corp owner Ryan Honeyman worked closely with over 100 B Corp CEOs and senior executives to share their tips, advice, and best-practice ideas for
