A contract management reporting template helps you organize and track each contract for your organization. With this template, you can create a separate document for each contract you manage, complete with a project description, key dates, and deliverables, plus the information you need to ensure the contract stays on track or to create alerts if your project is falling behind.

officers, and others interested in using consulting firms to manage a transportation agency's work activities -- ranging from a single project to a complete spectrum of work. Information is provided on various aspects of contract management systems, including examples of use of each aspect in several agencies. An increasing workload coupled with reduced staff size have caused state highway agencies to turn to private enterprise to accomplish work that has traditionally been done in-house. This report of the Transportation Research Board describes various aspects of the use of consultants to manage a highway agency's work and gives specific examples of use of each aspect in several agencies.

You've Got Questions – We've Got Answers Questions can arise at any point in the process of working with government contracts. Now, you have an accessible resource you can trust for authoritative answers. *Managing Federal Government Contracts: The Answer Book* covers the contract management process from planning to closeout and all the steps in between. Using the regulations and legislation as a basis, author Charles Solloway draws on his many years of experience to craft answers that will help you address the issues you face every day . This book provides answers to the questions most commonly asked by government program and contracting personnel, contracting officer's representatives, contractor employees, inspectors, and all those involved in government contract management. The question-and-answer format makes getting the information you need quick and efficient. Examples of forms and templates drawn from actual contract work are included to make your work easier. Along with the basics on the roles of the various contract team members and the different aspects associated with each

Get help reaching your professional goals with the right PMP tools!

In 1999, a suite of three new conditions of contract was published by FIDIC, following the basic structure and wording harmonised and updated around the previous FIDIC Design-Build and Turnkey Contract (the 1992 ' ' Orange Book ' '). These conditions, known as the ' ' FIDIC rainbow, were the Conditions of Contract for: 1. Construction, the so-called Red Book, for works designed by the Employer 2. Plant and Design-Build, the so-called Yellow Book, for works designed by the Contractor 3. EPC/Turnkey Projects, the so-called Silver Book, for works designed by the Contractor The first is intended for construction works where the Employer is responsible for the design, as for per the previous so-called Red Book 4th Edition (1987), with an
