There are only two universities and nursing schools in Georgia (GA) offering a DNP in anesthesia. Those completing the programme are eligible to sit the National Certification Examination essential to practice as a nurse anesthetist or Certified Registered Nurse Anesthetist (CRNA).

If you've made it into CRNA school or are considering applying, you probably know how difficult it will be getting from orientation day to graduation day. As a successful graduate of nurse anesthesia school, I will provide some insight into what it takes to go from a student to a CRNA. Some of these things I learned while I was in school, while others I picked up on after I

started working as a nurse anesthetist. It was not an easy road for me, and it won't be for you either. But I hope you can learn from my mistakes and perhaps some of the bumps along the way will be a little smaller. The aim of this book is not to teach you anesthesia itself. Rather, it is to teach you how to survive while learning the art of anesthesia.

This book is written by a Certified Registered Nurse Anesthetist (CRNA) for anyone who aspires to become a CRNA. It contains answers to the many questions about the journey to becoming a CRNA, such as applying to nurse anesthesia school, the interview process, shadowing a CRNA, getting accepted into a program, the life of a Student Registered Nurse Anesthetist and so
