THE Met Office has two weather warnings in place for today ahead of heavy rain. Torrential showers and gales are set to batter Britain as the kick off to a chilly weekend. One amber weather warning...

Heavyweight UFC fighter, Romeo Wellings comes from the hard streets of New York where his family ties to the mafia cause him nothing but pain. His life takes a surprising detour when he crosses paths with the twin sister of his long-time enemy. After a steamy, one-night stand, he faces the fight of his life, but it's not in the cage. The secret relationship that blooms between Romeo and his real life Juliet has him battling his family and a dark past rather than let her go. The only lawyer in her hometown of Garnet, Jules Conner is also a volunteer Sheriff's deputy and co-owner of a successful MMA training center. Strong and dependable, Jules is always there for those who need her. Until one forbidden night in Las Vegas with Romeo leaves her feeling so alive she can't stop reaching out to the sexy, bad boy of the UFC, even knowing the forbidden love affair could jeopardize everything. As the tide rises against them and the people they love work at keeping them apart, Romeo and Jules hold onto a dream for a better life together and vow to go down fighting rather than accept a tragic ending.

"Costa Azul" is about a place, with the same name, that is so bizarre, so unreal, and so wonderful that you will be calling your travel agent to book reservations to this fictitious exotic land. Complete with rival universities, folk traditions, and a cast of nutty, loveable characters, "Costa Azul" is

impossible to resist. Try it and you will see.

This wasn't supposed to be my life. One phone call was all it took to bring me back to the small town I had grown up in. Everything had changed, and staying away was no longer an option. Four and a half years later, I was a widowed single father still here, still trying to pick up the pieces. We were doing just fine on our own, my little girl and me. At least, we were until Camryn Parker stumbled into our lives. The woman was like a tornado after a hurricane; she was the storm I never saw approaching. Behind her beauty and sarcastic wit, she was just as broken as I pretended not to be. As hard as I tried to resist, it was impossible not to fall in love with her. In the end, it took nearly losing it all for me to realize everything I never wanted was exactly what I needed.

Marcos Rivera is a fighter. A gang member. Someone who has seen the dark side of humankind and survived. He has lost family and gained enemies. He has stolen cars and destroyed hearts, stripping one for money and the other for pleasure. His past is haunted and his future is bleak. Until her. Katie Foster is a high school history teacher. Smart, strong, and sexy. She is a woman Marcos shouldn't want. Shouldn't touch. Shouldn't love. He met her in Garnet, a backwards, hick town that's the last place in the world he wants to be, but he finds himself going back, all for a taste of the forbidden. Katie represents all that is good in the world, and Marcos knows he's nothing but trouble for her perfect life. He fights and he screws. He commits crimes and he breaks the rules. He will never change and he will never escape his gang lifestyle. Or can he? What happens when two different people from two very different walks of life risk it all by giving into the passion that threatens to consume both of them? Can a woman who only knows how to play it safe give her heart to a man who lives hard and loves harder? Can she survive The Viper?

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

The Queen's Consorts. Just laying eyes on one is a death sentence. So when Sari, who spent most of her life on the streets, ends up entangled in a steamy relationship with the two most forbidden men on the planet, she knows it can't end well. After a brutal attack, Sari's taken to the Sacred City, exposing her to the secret lives of the Rayians who rule in the long lost queen's absence. It's in this darkly sexual world where she first meets the legendary consorts. Too handsome and talented for their own good, Calder and Taryen have learned to trust only each other in order to survive. Bred to be feared warriors and exclusive companions to a queen, instead they're slaves to other Rayians' desires for them. Their brutal lives make the two consorts hesitant to care for Sari when she's unexpectedly dumped in their laps, but they soon discover she's different from the cruel women they're used to serving. Drawn to Sari on a soul deep level, Calder and Taryen can't seem to stop themselves from going back for one more taste of the beautiful outsider... even when it puts the fate of the entire world in jeopardy.

Emily McCarthy is living in fear of a dark and dangerous past. A gifted mathematician, she is little more than a hollow, broken shell, trying desperately to make ends meet long enough to finish her degree. Through an unlikely friendship with the aging, cantankerous owner of an old boxing gym, Em is thrown into the path of the most dangerous man that she has ever met. Cormac "the Hurricane" O'Connell is cut, tattooed and dangerous. He is a lethal weapon with no safety and everyone is waiting for the misfire. He's never been knocked out before, but when he meets Em he falls, HARD. Unlike any other girl he's ever met, she doesn't want anything from him. Just being around her makes him want to be a better person. They are polar opposites who were never meant to find each other, but some things are just worth the fight.

The greatly anticipated final book in the New York Times bestselling Hunger Games trilogy by Suzanne Collins. The Capitol is angry. The Capitol wants revenge. Who do they think should pay for the unrest? Katniss Everdeen. The final book in The Hunger Games trilogy by Suzanne Collins will have hearts racing, pages turning, and everyone talking about one of the biggest and most talked-about books and authors in recent publishing history!!!!

Betrayed by the love of her life at sixteen, causing her to flee her home, Amber Daniels' taste in men hasn't improved over time. With a bitter divorce under her belt, she returns home to support her sisters and dying mother. It takes one day before she finds herself in trouble with the local werewolves--and being rescued by her childhood crush. One hot look and the pain returns...overshadowed only by the desire. But Amber's older, wiser, and unwilling to be burned yet again. Desmon Nightwind was an angry youth the night his world exploded and he lost his mate. Now pack alpha, he's no longer an untried teen, but still wholly unprepared for Amber's return to Hollow Mountain. He lost her once. No amount of pack politics, family strife, or alpha obligations will make him let her go a second time. He'll do whatever it takes to claim and protect his human mate. Even battle neighboring wolves using anything at their disposal to start a war. They don't fight fair...and neither will Desmon.

"Dictionary, n: A malevolent literary device for cramping the growth of a language and making it hard and inelastic. This dictionary, however, is a most useful work." Bierce's groundbreaking Devil's Dictionary had a complex publication history. Started in the mid-1800s as an irregular column in Californian newspapers under various titles, he gradually refined the new-at-the-time idea of an irreverent set of glossary-like definitions. The final name, as we see it titled in this work, did not appear until an 1881 column published in the periodical The San Francisco Illustrated Wasp. There were no publications of the complete glossary in the 1800s. Not until 1906 did a portion of Bierce's collection get published by Doubleday, under the name The Cynic's Word Book—the publisher not wanting to use the word "Devil" in the title, to the great disappointment of the author. The 1906 word book only went from A to L, however, and the remainder was never released under the compromised title. In 1911 the Devil's Dictionary as we know it was published in complete form as part of Bierce's collected works (volume 7 of 12), including the remainder of the definitions from M to Z. It has been republished a number of times, including more recent efforts where older definitions from his columns that never made it into the original book were included. Due to the complex nature of copyright, some of those found definitions have unclear public domain status and were not included. This edition of the book includes, however, a set of definitions attributed to his one-and-only "Demon's Dictionary" column, including Bierce's classic definition of A: "the first letter in every properly constructed alphabet." Bierce enjoyed "quoting" his pseudonyms in his work. Most of the poetry, dramatic scenes and stories in this book attributed to others were self-authored and do not exist outside of this work. This includes the prolific Father Gassalasca Jape, whom he thanks in the preface—"jape" of course having the definition: "a practical joke." This book is a product of its time and must be approached as such. Many of the definitions hold up well today, but some might be considered less palatable by modern readers. Regardless, the book's humorous style is a valuable snapshot of American culture from past centuries. This book is part of the Standard Ebooks project, which produces free public domain ebooks.
