Democracy Graphic Library - maxwyatt.email

Democracy is a full-color historical graphic novel about the inception of the political concept democracy ("government of the people") in the Greek city-state of Athens, roughly 500 years before the birth of Christ. Some elements of the story are creative license, notably the fictional main character and his closest associates, all of whom are ordinary people of Athens caught up in the tides ...

From Librarian of Congress, James Billington, to founding director of the Center for the Book, John Cole, the leading-edge information specialists of the day share their insights on the role libraries play in advancing democracy.

This Is What Democracy Looked Like, the first illustrated history of printed ballot design, illuminates the noble but often flawed process at the heart of our democracy. An exploration and celebration

Acces PDF Democracy Graphic Library

of US ballots from the nineteenth and early twentieth centuries, this visual history reveals unregulated, outlandish, and, at times, absurd designs that reflect the explosive growth and changing face of the voting public. The ballots offer insight into a pivotal time in American history—a period of tectonic shifts in the electoral system—fraught with electoral fraud, disenfranchisement, scams, and skullduggery, as parties printed their own tickets and voters risked their lives going to the polls.

"In political cartoon

format, explains the origins of democracy, its spread throughout the world, and its role in United States government and society"--T.p. verso.

Libraries, archives and museums have traditionally been a part of the public sphere's infrastructure. They have been so by providing public access to culture and knowledge, by being agents for enlightenment and by being public meeting places in their communities. Digitization and globalization poses new challenges in relation to upholding a sustainable

Acces PDF Democracy Graphic Library

public sphere. Can libraries, archives and museums contribute in meeting these challenges?

An intriguing and accessible nonfiction graphic novel about the role wealth and influence play in American democracy. Despite our immense political divisions, Americans are nearly united in our belief that something is wrong with our government: It works for the wealthy and powerful, but not for anyone else. Unrig exposes the twisted roots of our broken democracy and highlights the heroic efforts of those unrigging the system to return power

Acces PDF Democracy Graphic Library

to We the People. This stirring nonfiction graphic novel by democracy reform leader Daniel G. Newman and artist George O'Connor takes readers behind the scenes—from the sweaty cubicles where senators dial corporate CEOs for dollars, to lavish retreats where billionaires boost their favored candidates, to the map rooms where lawmakers scheme to handpick their voters. Unrig also highlights surprising solutions that limit the influence of big money and redraw the lines of political power. If you're overwhelmed by negative news and despairing for the
