public face of one of the country's biggest health insurance companies, has become the target of a vengeful father. The man blames Shepard for his child's death and plans to make the CEO know what it's like to live with a broken heart--and watch others die. After killing two employees, the desperate father kidnaps Shepard's daughter. Tasked with finding her, Jessie and crime reporter Ben Morrison are running out of time to save her. Meanwhile, Ben is still seeking insight into the man he used to be before a car crash erased his memories. And each discovery is leading Jessie and him down a frightening road. What they find could scar both of them forever.

In this page-turner of a thriller by bestselling author T.R. Ragan, unlikely partners PI Jessie Cole and crime reporter Ben Morrison search for clues to a mystery buried in their own pasts—only to discover that sometimes the truth is better off buried. Ten years ago, PI Jessie Cole and reporter Ben Morrison each suffered a tragedy that changed their lives—and now these two strangers are about to share a nightmare. For Jessie, who makes her living finding missing persons, no case has consumed her more than the disappearance of her younger sister, Sophie. But left alone to raise Sophie's daughter, she realizes that solving the case has become an unhealthy obsession. For Ben, a horrific car accident resulted in scars both physical and emotional—and amnesia that has made his life a mystery. But curiously, out of his shattered memories, there's one person he recognizes without a doubt: Jessie's sister. He just doesn't know why. Yet. But Sophie isn't the only phantom drawing Jessie and Ben together. An elusive serial murderer known as the Heartless Killer has reemerged from the shadows. His next move will cut even deeper into Jessie's worst fears. And for Ben, what happens this time is going to be unforgettable.

Schoolteacher Faith McCann, the heroine of this searing first in a new crime series from Ragan (*Evil Never Dies*), returns one afternoon to her Sacramento, Calif., home to discover the members of her family bound and gagged: her husband, Craig, and their children, 10-year-old Lara and nine-year-old Hudson. The bad guys take the kids, slit Craig's throat, and leave Faith for dead after a vicious beating. After a stint in a drug-induced coma and intensive care, Faith finds new purpose in searching for Lara and Hudson and their captors. Frustrated by the slowness of the official investigation, Faith assaults a police detective and winds up in court-mandated anger control classes, where under the sobriquet "Furious" she meets "Rage" and "Beast." Rage and Beast become unlikely allies in her effort to penetrate the world of human trafficking, the evils of which are highlighted in chapters revealing what happened to Lara and Hudson. Readers with strong stomachs will eagerly await the next installment.

Greg Tenorly lives a quiet and lonely life in a small East Texas town, until he is selected as a juror for a murder trial. He is now convinced that a powerful Dallas attorney is directing the murder spree in his little town. But why? He is determined to find out. But his investigation just might earn him a spot at the top of the hit list.

With a fascinating plot involving time travel, this fast-paced, emotional suspense novel will keep middle grade and young adult readers at the edges of their seats. robbery gone horrifyingly wrong. The good news is that Zoe has a unique ability: she can play back time and repeat events. But it's not an unlimited deal—she can only jump 23 minutes, and her first playback creates an even more disastrous outcome. Zoe has only 10 tries to get it right before this particular 23 minutes becomes irreversible. In the process of trying to become the heroine she doesn't believe she can be, Zoe learns about herself and realizes that there is more to who she is than she thought.

The follow-up to the Wall Street Journal bestseller *Outrage*. Those who hunt monsters must be careful not to become monsters themselves. In another life, before human traffickers murdered her husband and stole her children, Faith McMann was a wife, mother, and teacher. Now she has become *Furious*, a merciless avenger on a deadly mission to retrieve her young son and daughter, no matter the cost. Aided by unlikely but steadfast allies, the giant *Beast* and fragile *Rage*, Faith plunges ever deeper into a sickening underworld of sexual exploitation and slavery with steel-forged determination and righteous anger. In this powerful, suspenseful conclusion to the Faith McMann trilogy, Faith is haunted by questions: Even if her children are recovered, will they be broken beyond repair? What terrible sacrifices will their rescue require? What are the limits of loyalty and love in a world that preys on innocents? And after her brutal awakening to the darkest aspects of human nature, what will remain of her own self?

The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. “Gaspably funny and wonderfully inappropriate.”—*O, The Oprah Magazine* When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives.
