Leaving Home—Finding Home: My Journey from Shame to Sonship through Journaling is the first book of its kind, showing how God Himself brought inner healing by speaking into one woman's life. In it, author Jessie Mejias shares how God counsels and heals her through journaling. The central theme of Leaving Home—Finding Home is healing through intimacy with God—an intimacy that develops as she writes out her conversations with Him. The author

devotes several chapters to her background and childhood, but the heart of the book is Jessie's actual journal. About her decision to share her journal verbatim, she says: "When the Lord first instructed me to write this book, my natural instinct was to transform the ramblings of my mind and heart into a nice, neat package that the reader could easily follow. However, as I prayed about His instructions, I felt very strongly that He wanted me to demonstrate how I received my healing through journaling itself." Jessie Mejias grew up in what she would have described as an "Ozzie and Harriet" kind of home—loving parents, close siblings, good schools, and a religion that dictated solid values. What she did not know was that beneath the surface lay a shaky foundation of dysfunctional

family rules and generational patterns. As a young adult, Jessie watched her neat world crumble when two of her siblings succumbed to mental illness while the family stood by helplessly. Subsequently, her family scattered and she unwittingly married an abusive, alcoholic man. Her disastrous marriage precipitated her decision to give her life to Christ. But despite her newfound faith, at age 27 she found herself a single mother of two young sons. In the ensuing years, Jessie sought and found healing and growth through studying the Bible and receiving Christian counseling. Miraculously, she and her husband were remarried after seven years of separation and divorce. She became involved in teaching and leading Bible studies within her local church and was confident that she was already

experiencing the abundant life that God promised to His children. However, when she decided to return to school to earn a degree in Christian counseling, God began to show her that she was still suffering from the traumas of her childhood, and that shame was an integral part of her life that He wanted to remove. This revelation launched her into an unprecedented time of accelerated healing that was to be the inspiration for this book. *Leaving Home—Finding Home* chronicles that journey from shame to sonship through one-on-one dialogue with God. Shame is a universal problem that is sometimes hard to pinpoint. We describe ourselves as embarrassed, shy, fearful, or hesitant, but we never actually understand that the source of these emotions is shame. Shame is a

terrible feeling that we are a mistake; that somehow we were never supposed to exist. The author found that this feeling of shame was so deeply hidden in her heart that it was not until God began to unwrap her from her emotional chains that she could see that this was the true source of her poor self image. Jessie vividly describes her feelings of shame: "It was as if all my life I had been living in a slum that I would leave from time to time to go the nice clean neighborhood down the block—at first for short times, then for longer and longer periods of time—but inevitably I would end up at some point back in this dump. The sight of it would make me sick, but I did not know how to leave it completely behind." God Himself initiated this unique approach to inner healing as He took Jessie back to her

childhood home and school and walked with her through each traumatic event of her young life, reaching deep into her heart to show her what was hidden there.

An autobiographical record of a spiritual journey in pursuit of intimacy with God

This report examines the links between inequality and other major global trends (or megatrends), with a focus on technological change, climate change, urbanization and international migration. The analysis pays particular attention to poverty and labour market trends, as they mediate the distributional impacts of the major trends selected. It also provides policy

recommendations to manage these megatrends in an equitable manner and considers the policy implications, so as to reduce inequalities and support their implementation.

In *Let Their People Come*, Lant Pritchett discusses five "irresistible forces" of global labor migration, and the "immovable ideas" that form a political backlash against it. Increasing wage gaps, different demographic futures, "everything but labor" globalization, and the continued employment growth in low skilled, labor intensive industries all contribute to the forces compelling labor to migrate across national borders. Pritchett analyzes the fifth irresistible force of "ghosts and zombies," or the rapid and massive shifts in desired populations of countries, and says that

this aspect has been neglected in the discussion of global labor mobility. Let Their People Come provides six policy recommendations for unskilled immigration policy that seek to reconcile the irresistible force of migration with the immovable ideas in rich countries that keep this force in check. In clear, accessible prose, this volume explores ways to regulate migration flows so that they are a benefit to both the global North and global South.

This comprehensive history, published jointly by the IMF and Oxford University Press, was written to mark the fiftieth anniversary of international monetary cooperation. From the establishment of the postwar international monetary system in 1944 to how the framework functions in a vastly expanded world economy, historian Harol James describes the tensions, negotiations, challenges, and progress of international monetary

The Christian life is not a set of rituals or teachings, but a relationship with God through His Holy Spirit. No matter how much you know about the Bible, no matter how strong your self-discipline is, no matter how hard you try to serve and please God, if your relationship with the Holy Spirit is weak, the Christian life will not work for you. In this book, Robert Heidler shows how God wants to unleash His power in your life, to bring you into dynamic, life-giving relationship with the Spirit of God. We were given the Holy Spirit to make the Christian life experiential, to make Jesus real in our lives. So stop struggling to survive
