Ella Wishes You a Swinging Christmas is a 1960 album by the American jazz singer Ella Fitzgerald, recorded in the summer of 1960, with a studio orchestra arranged and conducted by Frank DeVol.. It is Fitzgerald's only Verve complete album of Christmas tunes. Verve had issued a 7" 45rpm single in 1959, featuring "The Christmas Song" with "The Secret of Christmas" on the B-side; both were ...

Obsession, defined as the domination of one's thoughts or feelings by a persistent idea, image or desire... Chantel Rosenberg's passion for music and life had never shone brighter than the time she spent in Bordeaux France. It's a time when feelings arose and desires ran deep, a time that fundamentally changed her life. A man living in seclusion, Phillipe Tibideau is haunted and plagued by memories he cannot disregard. Choosing to live a quiet life in his Chateau surrounded by the vineyards of France, he's left his passion for art behind. However, the time has arrived to tell his side of a tale. A tale that has depicted him as a "beautiful monster" and he's finally allowing someone close. Close enough to ask questions. Questions he's not sure he wants to answer. Questions about her. For up-and-coming journalist Gemma Harris, the pursuit of truth is what drives her, and when a job of a lifetime presents itself there is nothing in the world that will stop her from taking it. Even if it does mean leaving her home for several months to stay at Chateau Tibideau, with him. This is a story of what happens when three passionate lovers collide and the desire for truth, art, and music merge. Chateau Tibideau is a place full of unanswered questions, dark sinful desire, and a beauty so hauntingly sad it will have you wondering how you will ever leave the same...

Try - verb: to make an attempt or effort to do something or in this case...someone. Sex. Logan Mitchell loves it, and ever since he realized his raw sexual appeal at a young age, he has had no problem

Read Online Ella Frank

using it to his advantage. Men and women alike fall into his bed—after all, Logan is not one to discriminate. He lives by one motto—if something interests you, why not just take a chance and try? And he wants to try Tate Morrison. Just coming out of a four-year marriage with an ex-wife from hell, a relationship is the last thing on Tate's mind. He's starting fresh and trying to get back on his feet with a new job at an upscale bar in downtown Chicago. The only problem is, Tate has caught the unwavering and unwelcome attention of Mr. Logan Mitchell—a regular at the bar and a man who always gets what he wants. Night after night Tate fends off the persistent advances of the undeniably charismatic man, but after an explosive moment in the bar, all bets are off as he finds his body stirring with a different desire than his mind. As arrogance, stubbornness and sexual tension sizzle between the two, it threatens to change the very course of their lives. Logan doesn't do relationships. Tate doesn't do men. But what would happen if they both just gave in and...tried?

Fantasies-we all have them. For some, it's their dream job; others want the wedding, the 2.5 kids, the white picket fence. My fantasies are a bit more...depraved. Dark and sinful, they have destroyed relationships and my livelihood, yet I still submit to them like a slave. Sex. For most, it's a natural expression of love, caring, or lust. But there are those of us who can't stop once we've had a taste. Those of us who don't want to. And the shame of that never-ending cycle will eat us alive... My name is Evan James, and I am a sex addict.

Read Online Ella Frank

Fans of M/M romances will love this story about a playboy who doesn't do relationships and a bachelor who doesn't do guys.

What do you do when the one you least expect to matter... Ends up mattering the most? Derek Pearson likes to think he's an easygoing guy. Uncomplicated, upfront, and unapologetic with what he wants. His what you-see-is-what-you-get attitude is on prominent display for anyone who cares to look, and his foul mouth is right there to back it up should you miss the point. However, what you see isn't always what you get, and only a select few have ever glimpsed the real man under the brash exterior. Among them? Professor Jordan Devaney. Complicated, high-maintenance, and vibrant, he's Derek's opposite in every way. From the moment they saw each other, a love-hate relationship began. But what happens when one person wants more?

TAKE – verb: to reach for and hold in one's hands or get into one's possession, power or control. Logan Mitchell is a man who's always been more than happy to take what he wants. It's a philosophy that's proven lucrative in both his business and personal life, and never was it more apparent than the night he laid eyes on Tate Morrison. After pulling out all the stops and convincing the sexy bartender to give him a try—he's hooked. Now, Logan finds himself in a predicament that demands more from him than a smart-ass answer and his innate ability to walk away when things get too deep. He has a choice to make, and it'll force him to do something he's never done before—take a chance. Tate Morrison knows all about

Read Online Ella Frank

taking a chance. He took the biggest one of his life the night he showed up at Logan's apartment to explore his unexpected reaction to the man. Ever since then, he's thought about little else. At first he was convinced his attraction was based solely on his body's curiosity. But the more time he spends with the silver-tongued lawyer, the more Tate realizes that their physical chemistry is only the beginning. He's starting to catch a glimpse of what life with Logan would be like, and it's one full of excitement and satisfaction—a far cry from what he had in the past with his soon to be ex-wife. Each man will face their fears as they begin to understand the true meaning of give and take. Their feelings for one another will be tested, as will their very beliefs. But now that they've found love where they least expected it, will they be brave enough to reach out and take it?

It's time to come home, Finn. It's been seven years since Daniel Finley left his hometown in Florida for the hustle and bustle of Chicago's city life. Since then, he's worked hard for his position at the prestigious law firm Leighton & Associates, even when it's caused distance and isolation from his family and friends. But that's all about to change. On his thirtieth birthday, he receives the one thing he never dared hope for. Something that was promised to him years earlier—a note. One simple sentence from the man he's never been able to forget. Six words will forever change the course of their lives. Brantley Hayes has it all. Or so he thinks. When he first made the decision to take a job down in Florida, his family thought he was crazy. But after years of living in the quiet beach town, he finally feels a sense of community. He's surrounded

Read Online Ella Frank

himself with friends who are like family, has a job he loves, and owns a spectacular beachfront property that is his sanctuary. Yet he still feels unfulfilled, as if a piece of the puzzle is missing, and he knows exactly which piece it is. On an impulse, he follows through with a promise he made years earlier. A promise to call home the one he sent away. Nothing is as simple as it seems. After years of separation, the former lovers are reunited, but Brantley wasn't expecting to encounter the high walls now guarding Daniel's heart. Daniel may not be the same person he was when he left, but he knows that the first step to healing is the note in his hand.

Relationships are complex. Love ever-changing. And when it comes to rules of the heart, they were made to be broken... That's what Robert Antonio Bianchi was telling himself, anyway. Otherwise, he really had no excuse for what-or who-he'd done. No excuse, except for his lonely heart, a pitcher of margaritas, four Bitter Bitches, and the apparent need to confess all his weaknesses to the two men he knew would bring him nothing but trouble. But trouble was nothing new. Just ask his crazy sisters or any of his friends, and they'd be the first to tell you: If there was a bad decision to be made, Robbie always had a knack for making it. And thus begins the story of the priest, the princess, and the prick.

Fans of Gail McHugh and Laurelin Paige will love this story about a doctor who barrels through a restaurant's live and changes it forever.

Tick, tick, tock. Time. That's all I have now. A small

room, a photograph, and time. They want me to trust them and confess my sins. They told me they wouldn't judge me—they lied. I thought we could convince the world that this wasn't a crime. We were wrong. Time doesn't stand still. The clock keeps ticking, the world is unconvinced, and now... Now he is gone.
