The actress who played Liesl von Trapp in The Sound of Music discusses life on the set of this beloved film, her relationships with her film siblings, and her life since the making of the movie. Reprint.

The magic of The Sound of Music lives on in the minds and hearts of everyone it has touched. Now, Charmian Carr, who in 1965 captivated moviegoers as Liesl "Sixteen Going on Seventeen" von Trapp, tells what it was like to be a part of the film that has become a cultural phenomenon. It's all here: from how she got the role (and why she almost didn't) to romances on the set and wild nights in Salzburg; from the near-disaster during the gazebo dance to her relationships--then and now--with her six celluloid siblings. Charmian offers stories from fans and friends and a treasury of photographs. And she reveals why she left acting, what she learned when she met the real von Trapp children; and how The Sound of Music has helped her get through stormy times in her own life. Forever Liesl celebrates the spirit of the movie and what it stands for: family love, romance, inspiration, nostalgia, and the joy and power of music.

The Sound of Music is more than a classic film. It is a cultural phenomenon. Its magic lives on in the minds and hearts of everyone it has touched. It was Charmian Carr who captivated us as the world's most famous older sister: Liesl 'Sixteen Going on Seventeen' von Trapp. Now, she is the first of the 1965 film's cast to tell us what it was like to be part of the phenomenon, celebrating the spirit of the movie – family love, romance, inspiration, courage, and the joy and power of music. Forever Liesl brims with anecdotes – from love affairs on set to wild nights at Salzburg's Bristol Hotel (where Charmian was billeted with 'the adults'), the near disaster as they filmed that famous dance in the summerhouse, how she won her role with no acting experience, and her relationships, both then and now, with her six celluloid siblings. You'll read this in part to find out the answer to the question Charmian is asked most often – What was Julie Andrews really like? – but you'll discover her favourite stories from friends and fans of the film, rare photographs, how they actually pieced the world of the film together from locations in Austria and sets in Hollywood, what Charmian learned when she met the real von Trapp children, and how The Sound of Music has helped her to get through stormy times in her own life since.

Agathe von Trapp, the oldest daughter in the Trapp Family Singers, offers readers the real story behind an American classic in her poignant and fascinating autobiography *Memories Before and After The Sound of Music*. The courageous family and events immortalized in the beloved Broadway musical and hit Hollywood film come vibrantly alive in these pages, and Agathe's post-Sound of Music life is equally compelling.

The Sound of Music is a classic film cherished in the hearts of millions. It won five Oscars, including Best Picture, upon its release in 1965. This tribute to a Hollywood classic is sure to thrill everyone who's ever sung along to "My Favorite Things" at one of the many screenings that still take place today. Through interviews with the cast and crew, in-depth access to memorabilia and personal scrapbooks and archival research at Fox Studios, author Julia Antopol Hirsch reveals the lively human story behind the making of the von Trapp family film. Fans will learn what motivated Christopher Plummer to take the part of the Captain, the challenges Julie Andrews faced filming the iconic opening scene and what life was like on an Austrian set for the seven children actors. This engaging celebration is the ultimate insider's guide to America's favorite movie.

Previously published by Charlton Books, 2011.

Recounts the history of the Von Trapp family, traces the evolution of the popular musical from stage to screen, and describes the

contributions of its composers, writers, and performers.

'Home Work is written with a warm heart and a generous spirit ... an honest attempt to make sense of an often chaotic life' SUNDAY EXPRESS
'The book is filled with that most distinctive of all her qualities: her voice ... Mary Poppins may appear only briefly here, but her spirit is alive and well' THE TIMES
In this follow-up to her critically acclaimed and bestselling memoir Home, the enchanting Julie Andrews picks up her story with her arrival in Hollywood, sharing the career highlights, personal experiences and reflections behind her astonishing career, including such classics as Mary Poppins, The Sound of Music, Victor/Victoria and many others. In Home, Julie Andrews recounted her difficult childhood and her emergence as an acclaimed singer and performer on the stage. In her new memoir, Julie picks up the story with her arrival in Hollywood and her astonishing rise to fame as two of her early films -Mary Poppins and The Sound of Music- brought her instant and enormous success, including an Oscar. It was the beginning of a career that would make Julie Andrews an icon to millions the world over. In Home Work, Julie describes her years in Hollywood - from the incredible highs to the challenging lows. Not only does she detail her work in now-classic films and her collaborations with giants of cinema and television; she also unveils her personal story of adjusting to a new and often daunting world, dealing with the demands of unimaginable success, being a new mother, moving on from her first marriage, embracing two stepchildren, adopting two more children, and falling in love with the brilliant and mercurial Blake Edwards. The pair worked together in numerous films, culminating in Victor/Victoria, the gender-bending comedy that garnered multiple Oscar nominations. Told with her trademark charm and candour, Julie Andrews takes us on a rare and intimate journey into an astonishing life that is funny, heartbreaking and inspiring.

A warm and intimate look into the spiritual life of Maria von Trapp's famous Sound of Music family. In this best-selling work, Maria takes you beyond the thrilling story of her family's desperate and determined flight from Austria to her new life in America, as well as providing: A personal and profound insight into this extraordinary woman and her life An inspiring look at the constancy of the Savior in our lives A wealth of insight and faith from years spent in study, devotion, and worship Maria von Trapp shares how she and her husband told their children about the life of Jesus and how His story entered into their lives and imaginations. Be enriched and inspired as you enjoy this beloved classic.
