Kaplan's HiSET Exam Prep provides comprehensive review, online resources, and exam-like practice to help you pass the test. Our book is designed for self-study so you can prep at your own pace, on your own schedule. The new fourth edition includes an online study plan that will help you track your progress, learn more about the HiSET, and access supplemental study material. Essential Review More than 1,000 practice questions in the book and online with answers and explanations In-book diagnostic pretest to help you identify your strengths and weaknesses so you can set up a personalized study plan Essential skills you'll need to pass each of the 5 subtests: Reasoning through Language Arts – Reading, Language Arts – Writing, Mathematics, Science, and Social Studies A full-length practice test for each subject area Three chapters are now accessible in the online study plan: Earth and Space Science, Economics, and Geography Expert Guidance Online center with information about getting started, 3 digital chapters covering Science and Social Studies, and a system for marking chapters complete Expert test-taking strategies to help you face the exam with confidence Kaplan's experts make sure our practice questions and study materials are true to the test. We invented test prep—Kaplan (www.kaptest.com) has been helping students for 80 years. Our proven strategies have helped legions of students achieve their dreams. The HiSET is an alternative to the GED test and the TASC test. In some states, it is the only acceptable test for earning a high school equivalency diploma. In other states, it is just 1 test option out of 2 or 3. To find out whether your state will be using the HiSET for high school equivalency tests, visit hiset.ets.org or contact your state's department of education. The previous edition of this book was titled HiSET Exam 2017-2018 Strategies, Practice & Review.

Kaplan's TASC Prep provides expert strategies, online practice, and video tutorials to help you pass all five subjects. Our book and online resources are designed for self-study so you can prep at your own pace, on your own schedule. Kaplan is so certain that TASC Prep offers the guidance you need that we guarantee it: after studying with our book, you'll pass the TASC—or your money back. The Best Practice More than 1,000 practice questions with detailed explanations One full-length practice test A diagnostic pretest in the book to help identify your strengths and weaknesses so you can focus your study Essential skills you'll need to pass the reading, writing, social studies, science, and math subject areas Effective strategies for all questions, including the essay More than 40 instructional videos available online or through your mobile device Expert Guidance Kaplan's expert teachers make sure our tests are true to the TASC The previous edition of this book was titled TASC Strategies, Practice, and Review 2017-2018. The TASC is a high school equivalency test that is an alternative to the GED test and the HiSET exam. To find out whether your state uses the TASC for high school equivalency tests, contact your state's department of education.
