The author himself is the main character of this book, in which he glides undisturbed from present to future, from reality to fantasy. Sometimes he's an adolescent Brooklynite, at other times a part-time English teacher, a struggling writer living in a Lower East Side tenement, or a fantasist deftly moving in and out of numerous alter egos.

Ice on the Grapevine is a traditional mystery featuring Hunter Rayne, a retired homicide detective turned long haul truck driver. The story opens on a July morning with the discovery of a frozen corpse at a brake check just south of the Grapevine Pass in L.A. County. Hunter, who is in southern California making a delivery, is persuaded by his irascible dispatcher, Elspeth Watson, to help clear two fellow truck drivers who are arrested for the

murder. His job is made more difficult by the fact that the suspects, a newlywed couple, won't speak up in their own defence. The circumstantial evidence is strong, and a rookie detective from the L.A. County Sheriff's Department is eager to score a win. The investigation crosses the Canada-U.S. border when the victim is identified as a second rate musician from Vancouver, and it turns out there were more than a few desperate people happy to see him dead, including the accused couple. Hunter has to use all his investigative skills to uncover the truth. Hunter ' s ex-wife maintains that by taking to the highway Hunter is running away from his past, but he believes that the solitude of days on the road is helping him to heal from guilt over the failure of his marriage and the suicide of his best friend. His life gets more complicated when he feels an unwelcome attraction for

Wendy isn't as blind as a bat--there are bats that can see better than she can. Which is why, when her new glasses break, she's all too happy to wear the dorky pair of sunglasses she finds on the lawn. They seem to match her prescription, and that's all that matters if she's going to be able to make it through her school day. But the glasses correct her vision too much. She begins to see things that no one else can see: cheerful corpses, frightening crones disguised as teenyboppers, and portals to other worlds--places where people are all too aware of the magical properties of her new shades . . . and will do anything to get them.

Redemption Song is an insightful and moving exploration of one woman ' s triumph over grief. When you come to the last chapter, you ' ll feel breathless as you reach for the tissues. This is Tanya Anne Crosby at her very best and marks her as a strong new voice in women ' s fiction. ”

– Julianne MacLean, USA Today bestselling author

Raised as an only child, Caia Paine once believed she had everything she would ever need to live a rich and contented life. The last thing she ever expected was that she would wake up one morning, despairing, and so full of loathing that even the sky is darkened by the potency of her anger. After her only son, Jack, is taken from her in a tragic accident, Caia finds herself obsessed with the man she holds responsible for Jack ' s death, pursuing him all the way to Jerez, Spain. There she embarks upon a journey that will lead her to suspect her own moral

boundaries. It is a dangerous game that will forever change Caia and make her question the nature of her paradise lost. **REDEMPTION SONG** is a compact, potent work of fiction in which nothing is entirely what it seems and answers are elusive. Surprising, revealing, and telling, it is the work of a rare storyteller.

"Crosby's second foray into women's fiction (after *The Girl Who Stayed*, 2016) is a quick read with charm and quirk." – Booklist

"A woman searches for closure, meaning, and maybe revenge in Tanya Anne Crosby's latest, *Redemption Song*. Delving deep into the core of a damaged soul, Crosby cleverly contrasts the warmth and harmony of a family not so different from the protagonist's own. Masterful." – Pamela Morsi, USA Today bestselling author of *SIMPLE JESS*
