Shame is the motivator behind many toxic behaviors like compulsion, codependency, addiction, and drive to superachieve. This title identifies personal shame, explains the underlying reasons, and addresses root causes.

Argues that shame is the core problem in compulsions, co-dependencies, and addictions, and suggests techniques for healing shameful feelings

In an emotionally revealing way John Bradshaw shows us how toxic shame is the core problem in our compulsions, co-dependencies, addictions and the drive to super-achieve. The result is a breakdown in the family system and our inability to go forward with our lives. We are bound by our shame. Drawing from his 22 years of experience as a counselor, Bradshaw offers us the techniques to heal this shame. Using affirmations, visualizations, "inner voice" and "feeling" work plus guided meditations and other useful healing techniques, he releases the shame that binds us to the past. This important book breaks new ground in the core issues of societal and personal breakdown, offering techniques of recovery vital to all of us.

Based on the public television series of the same name, Bradshaw On: The Family is John Bradshaw's seminal work on the dynamics of families that has sold more than a million copies since its original publication in 1988. Within its pages, you will discover the cause of emotionally impaired families. You will learn how unhealthy rules of behavior are passed down from parents to children, and the destructive effect this process has on our society. Using the latest family research and recovery material in this new edition, Bradshaw also explores the individual in both a family and societal setting. He shows you ways to escape the tyranny of family-reinforced behavior traps—from addiction and co-dependency to loss of will and denial—and demonstrates how to make conscious choices that will transform your life and the lives of your loved ones. He helps you heal yourself and then, using what you have learned helps you heal your family. Finally, Bradshaw extends this idea to our society: by returning yourself and your family to emotional health, you can heal the world in which you live. He helps you reenvision societal conflicts from the perspective of a global family, and shares with you the power of deep democracy: how the choices you make every day can affect—and improve—your world.

Identifying the differences between healthy family secrets and dangerous ones, a step-by-step guide to uncovering dark family secrets from the past and present explains how to use the genogram to chart key relationships. Reprint.

" Why are so many of us at times completely baffled by a relationship? How can we think we know someone so well and admit in the end that we hardly knew that person at all? Why do many people who work diligently and strenuously to gain wholeness and balance still feel so frustrated about having a fulfilling relationship? Why have so many people given up on love? " —from the Prologue John Bradshaw ' s bestselling books and compelling PBS series have touched and changed millions of lives. Now, in Creating Love, he offers us a new way to understand our most crucial relationships—with our romantic partners and spouses, with our parents and children, with friends and co-workers, with ourselves, and with God. Bradshaw ' s compassionate approach shows that many of us have been literally " entranced " by past experiences of counterfeit love, so we unknowingly re-create patterns that can never fulfill us. Here he provides both the insights and the precise tools we need to keep those destructive patterns from repeating in the present. And then he shows how we can open ourselves to the soul-building work of real love—and create healthy, loving relationships where we can be fully ourselves in every part of our lives.

"This book will be helpful to all practitioners of psychological services and to all persons who wish to understand their dilemmas better." —Virginia M. Satir Families that return for treatment time and again often have problems that seem unrelated—such as compulsive, addictive, or abusive behaviors—but that are linked by an underlying process of shame. Comparing the shame-bound family system with the respectful family system, Fossum and Mason outline the assumptions underlying their depth approach to family therapy and take the reader step by step through the stages of therapy. Case examples are used to illustrate the process.

Are you outwardly successful but inwardly do you feel like a big kid? Do you aspire to be a loving parent but all too often " lose it " in hurtful ways? Do you crave intimacy but sometimes wonder if it ' s worth the struggle? Or are you plagued by constant vague feelings of anxiety or depression? If any of this sounds familiar, you may be experiencing the hidden but damaging effects of a painful childhood—carrying within you a " wounded inner child " that is crying out for attention and healing. In this powerful book, John Bradshaw shows how we can learn to nurture that inner child, in essence offering ourselves the good parenting we needed and longed for. Through a step-by-step process of exploring the unfinished business of each developmental stage, we can break away from destructive family rules and roles and free ourselves to live responsibly in the present. Then, says Bradshaw, the healed inner child becomes a source of vitality, enabling us to find new joy and energy in living. Homecoming includes a wealth of unique case histories and interactive techniques, including questionnaires, letter-writing to the inner child, guided meditations, and affirmations. Pioneering when introduced, these classic therapies are now being validated by new discoveries in attachment research and neuroscience. No one has ever brought them to a popular audience more effectively and inspiringly than John Bradshaw.

Dr. Whitfield provides a clear and effective introduction to the basic principles of recovery. This book is a modern classic, as fresh and useful today as it was more than a decade ago when first published. Here, frontline physician and therapist Charles Whitfield describes the process of wounding that the Child Within (True Self) experiences and shows how to differentiate the True Self from the false self. He also describes the core issues of recovery and more. Other writings on this topic have come and gone, while Healing the Child Within has remained a strong introduction to recognizing and healing from the painful effects of childhood trauma. Highly recommended by therapists and survivors of trauma.
