Writers on the Fly: Chelsea Cain ~~Heartsick Chelsea Cain~~

Serial killer stories are a dime a dozen but Chelsea Cain's HeartSick is a cut above the rest (no pun intended). Not only is this novel a real page turner, but it's also very well-written with characters you believe in and sympathize with, even when they're doing things you suspect are definitely not in their best interests.

Best-selling thriller writer Chelsea Cain "kicks" off a new series of thrillers starring former kidnapping victim Kick Lannigan, a thorough badass if we've ever seen one. We ask Cain what it was like spending time with her new creation.

Damaged Portland detective Archie Sheridan spent ten years tracking Gretchen Lowell, a beautiful serial killer, but in the end she was the one who caught him. Two years ago, Gretchen kidnapped Archie and

File Type PDF Heartsick Chelsea Cain

tortured him for ten days, but instead of killing him, she mysteriously decided to let him go. She turned herself in, and now Gretchen has been locked away for the rest of her life, while Archie is in a prison of another kind---addicted to pain pills, unable to return to his old life, powerless to get those ten horrific days off his mind. Archie's a different person, his estranged wife says, and he knows she's right. He continues to visit Gretchen in prison once a week, saying that only he can get her to confess as to the whereabouts of more of her victims, but even he knows the truth---he can't stay away. When another killer begins snatching teenage girls off the streets of Portland, Archie has to pull himself together enough to lead the new task force investigating the murders. A hungry young newspaper reporter, Susan Ward, begins profiling Archie and the investigation, which sparks a deadly game between Archie, Susan, the new killer, and even Gretchen. They need

File Type PDF Heartsick Chelsea Cain

to catch a killer, and maybe somehow then Archie can free himself from Gretchen, once and for all. Either way, Heartsick makes for one of the most extraordinary suspense debuts in recent memory.

Addicted to painkillers and still bound to Gretchen Lowell, the beautiful serial killer who had abducted and tortured him before turning herself in, Portland detective Archie Sheridan is caught in another deadly duel with a murderer targeting teenage girl

Chelsea Cain's novels featuring Portland detective Archie Sheridan and serial killer Gretchen Lowell have captivated fans through two nail-biting entries, Heartsick and Sweetheart, both of them multiweek bestsellers in The New York Times, USA Today, and Publishers Weekly. Gretchen Lowell is still on the loose. These days, she's more of

File Type PDF Heartsick Chelsea Cain

a cause célèbre than a feared killer, thanks to sensationalist news coverage that has made her a star. Her face graces magazine covers weekly and there have been sightings of her around the world. Most shocking of all, Portland Herald reporter Susan Ward has uncovered a bizarre kind of fan club, which celebrates the number of days she's been free. Archie Sheridan hunted her for a decade, and after his last ploy to catch her went spectacularly wrong, remains hospitalized months later. When they last spoke, they entered a détente of sorts---Archie agreed not to kill himself if she agreed not to kill anyone else. But when a new body is found accompanied by Gretchen's trademark heart, all bets are off and Archie is forced back into action. Has the Beauty Killer returned to her gruesome ways, or has the cult surrounding her created a whole new evil? Chelsea Cain continues to deliver heart-stopping thrills and chills in the latest entry in this

File Type PDF Heartsick Chelsea Cain

dynamic bestselling series.

Nothing makes Portland detective Archie Sheridan happier than knowing that Gretchen Lowell—the serial killer whose stunning beauty is belied by the gruesome murders she's committed—is locked away in a psych ward. Archie can finally heal from the near-fatal physical and emotional wounds she's inflicted on him and start moving on with his life. To this end, Archie throws himself into the latest case to come across his desk: A cyclist has discovered a corpse in Mount Tabor Park on the eastern side of Portland. The man was gagged, skinned, and found hanging by his wrists from a tree. It's the work of a killer bold and clever enough to torture his victim for hours on a sunny summer morning in a big public park and yet leave no trace. And then Archie gets a message he can't ignore—Gretchen claims to have inside

File Type PDF Heartsick Chelsea Cain

knowledge about this grisly murder. Archie finally agrees to visit Gretchen, because he can't risk losing his only lead in the case. At least, that's what he tells himself . . . but the ties between Archie and Gretchen have always been stronger, deeper, and more complex than he's willing to admit, even to himself. What game is she playing this time? And even more frightening, what long-hidden secrets from Gretchen's past have been dredged up that someone would kill to protect? At once terrifying and magnetic, "Beauty Killer" Gretchen Lowell returns with a vengeance in *Kill You Twice*, Chelsea Cain's latest razor-sharp psychological thriller.

With the Beauty Killer Gretchen Lowell locked away behind bars once again, Archie Sheridan—a Portland police detective and nearly one of her victims—can finally rest a little easier. Meanwhile, the rest of the

File Type PDF Heartsick Chelsea Cain

city of Portland is in crisis. Heavy rains have flooded the Willamette River, and several people have drowned in the quickly rising waters. Or at least that's what they thought until the medical examiner discovers that the latest victim didn't drown: She was poisoned before she went into the water. Soon after, three of those drownings are also proven to be murders. Portland has a new serial killer on its hands, and Archie and his task force have a new case. Reporter Susan Ward is chasing this story of a new serial killer with gusto, but she's also got another lead to follow for an entirely separate mystery: The flooding has unearthed a skeleton, a man who might have died more than sixty years ago, the last time Portland flooded this badly, when the water washed away an entire neighborhood and killed at least fifteen people. With Archie following the bizarre trail of evidence and evil deeds to catch a killer and possibly regain his life, and Susan Ward close behind, Chelsea

Cain—one of today's most talented suspense writers—launches the next installment of her bestselling series with an electric thriller.

Detective Archie Sheridan just has to get through the next few days, then his birthday and Halloween will be over. But with escaped serial killer Gretchen Lowell on the loose, the investigation into the murder of a DEA agent demanding his attention, and journalist Susan Ward showing up at his apartment needing a favour, it's going to be a long weekend. Soon Archie finds himself crashing a masked ball on a private island owned by Jack Reynolds, a notorious local drug kingpin. By morning, Archie is back on pain killers, a guest is dead and Archie quickly realizes that little is what it seems. One thing is clear: Gretchen is back, and Archie's nemesis and sometimes lover has something special in mind for the birthday boy, something she's been planning for

File Type PDF Heartsick Chelsea Cain

a long, long time. On Halloween Eve, with time running out, and the life of someone close to Archie on the line, Archie knows his only chance is to give Gretchen exactly what she wants. But Gretchen will prove more horrifying, and unpredictable, than Archie could ever imagine...

Damaged detective Archie Sheridan is back home in Portland, Or., trying to resume a normal life. Archie's ties to serial killer Gretchen Lowell still run deep, even if he's stopped their weekly visits in prison. Meanwhile, reporter Susan Ward is finishing an article accusing a beloved U.S. senator of seducing his children's 14-year-old babysitter a decade earlier. When three bodies are discovered in a local park where Archie's team found Gretchen's first victim 12 years earlier, Archie worries another serial killer is at large. After the senator's unexpected

File Type PDF Heartsick Chelsea Cain

death, Susan discovers links between the sex scandal and the bodies in the park. When Gretchen escapes from prison, Archie knows he's the only one who can stop her from killing.

Meet Gretchen Lowell, the stunningly beautiful psychopath The Huffington Post called "the most diabolical female serial killer in fiction," and Archie Sheridan, the police detective whom she caught and tortured...and then let go. Here together for the first time in a fabulous eBook bundle are the first three thrillers in Chelsea Cain's New York Times bestselling Archie Sheridan and Gretchen Lowell series. HEARTSICK Archie Sheridan finally put Gretchen Lowell, the Beauty Killer, in prison, but he can't seem to forget her. Now, he realizes that even behind bars, Gretchen might be the only person who can help him find the serial killer he's currently tracking.

File Type PDF Heartsick Chelsea Cain

SWEETHEART When the body of a young woman is discovered in Portland's Forest Park, Archie can't focus on the new investigation because the Beauty Killer case has exploded again: Gretchen Lowell has escaped from prison. **EVIL AT HEART** Gretchen Lowell is still on the loose, and is developing her own bizarre kind of fan club. When Archie and Gretchen last spoke, he agreed not to kill himself if she agreed not to kill anyone else. But when a new body is found accompanied by Gretchen's trademark heart, all bets are off.

From New York Times bestselling author Chelsea Cain—the unforgettable Kick Lannigan negotiates the help of an unlikely partner in the second book in the electrifying series that started with the “edge-of-your-seat thriller,” *One Kick* (Booklist, starred review). Three months following the events of *One Kick*, a secretive arms dealer

File Type PDF Heartsick Chelsea Cain

named Bishop has come seeking Kick ' s help to protect a teenage girl under a threat from the past. Bishop believes the young woman is at risk of suffering the same fate as her mother, who disappeared as a teen before miraculously returning home twenty years later. At the time, many believed that there may be something supernatural involved in her mysterious disappearance. Could that be true? As Kick and Bishop join forces to search for clues in the girl ' s Florida hometown, they realize there may be even darker—even criminal—secrets at play. Then a body is discovered and throws both women ' s identities into question, and Kick and Bishop must combine their expertise to learn the truth. With the heart-stopping suspense, psychological twists, and the atmospheric details readers love, Kick Back is Chelsea Cain at her best.

File Type PDF Heartsick Chelsea Cain

"If you are reading this, then I am gone and this manuscript, per my instruction, has been delivered to the writer Chelsea Cain for publication as she sees fit . . ." America's favorite girl detective is back to set the record straight. According to our titian-haired heroine, she was not a fictional character, but an intrepid real-life sleuth who investigated some of the twentieth century's biggest mysteries. And the famous series she starred in was not cooked up by a team of writers, but plagiarized from her exploits by a nosy college roommate-who, not surprisingly, got a whole lot wrong. Here are the daring escapes, brilliant hunches, and dependable stock characters, including interlopers from numerous other beloved series, that have delighted generations of fans. And here, also, are the details of teen-sleuth life that you never saw: the secret romances, reckless driving, minor drinking problems, political action, and domestic drama that have, up

File Type PDF Heartsick Chelsea Cain

till now, remained hidden from these brave detectives' adoring public.
