<p>Classic Books Library presents this brand new edition of “ The Federalist Papers ” , a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. “ The Federalist ” , as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyse the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755 – 1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation ' s finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.</p>

<p>This book focuses on an organization, the U.S. Army Nurse Corps, which the author has been privileged to be affiliated with — in one way or another — for the greatest part of her adult life. As an active duty officer, the author had first-hand knowledge about the Army Nurse Corps inner workings and spent the last years of her Army career (from 1992) researching and writing the Corps history. One of her goals in researching and writing this history was to intrigue and provide a sense of gratification for the reader. After the conclusion of the Vietnam War, several wide-ranging and significant changes exerted myriad effects on the Army Nurse Corps. The most influential of these phenomena included the dismantling of the Selective Service System, the reorganization of the Army, the launch of the Health Services Command (HSC), the opening of the Academy of Health Sciences, the transformation of the Office of the Army Surgeon General, the inauguration of improvements in the Army Reserve and National Guard, and the evolution in the roles and status of women.</p>
