Angels lives hang in the balance, subject to the mercy of a society of potential allies. But you can't save an angel's life if you hesitate for a second or deliberate your own destiny with another agenda. When heroes need a hero, one woman with a conscience that needs no reason steps up and doesn't stop to think about herself. A war is inevitable and alternative revelations transpire where only love can conquer hatred. But can it conquer death?

"The Kinshield Legacy is a rousing good fantasy tale, with nice characterization and some ferocious action. These days I read primarily for business rather than pleasure, but I found myself eager to return to this novel." ~ Piers Anthony, best-selling author of the Xanth novels Book 1 of The Kinshield Saga Warrant knight Gavin Kinshield is a man of many secrets. All he really wants is a letter written two hundred years ago by his ancestor Ronor Kinshield, the last person to see King Arek alive... a letter he must earn by tracking down a common thief. But when Gavin saves a woman's life, what should have been a simple task draws him face-to-face with his nightmarish past... and the truth of King Arek's demise.

She's my sister's best friend. She thinks I've never noticed her. She couldn't be more wrong. Now I just need to prove it to her...before she says "I do." You know that phrase "the one who got away"? Well, Brooklyn Tanner is mine. My worst mistake. My biggest regret. My one true love. But as much as I wish I could take back everything I've done to hurt her, the truth remains... I don't deserve her. That doesn't make our situation any easier, though. After all, she's my sister's best friend. Not to mention, she buried any animosity she held toward me and helped raise my two little girls when my ex split without a single glance back. But when I learn the man she's been dating has proposed, I'm faced with a decision. Do I finally tell Brooklyn the reason I betrayed her trust all those years ago? Or do I watch her marry another man to protect her from suffering any more heartache? Find out today in this angst-filled second chance, best friend's brother romance today! This box set includes: · 5 - Promise: A Redemption Duet Prologue 1. Commitment 2. Redemption Topics: second chance, second chance romance, young love, childhood friends, hockey, sports romance, contemporary romance, modern romance, Boston romance, summer romance, funny romance, smart romance, humorous romance, city romance, lighthearted romance, hot romance, sexy, heartwarming, heart-warming, love, love books, kissing books, emotional journey, contemporary romance, romance series, romance series, USA Today bestseller, USA Today bestselling romance author, T.K. Everyone deserves a second chance, but not for the same mistake. At least that's what I try to tell myself. Over the course of my long, complicated friendship with Andrew Brinks, I've given him more than enough chances. What have I received in return? Heartache. Pain. Agony. But also love, as cruel and beautiful as it's always been between us. When outside circumstances threaten everything Drew holds dear, can I finally put aside the grief of my past and give him the support he needs? Can I give him the love he needs? Or was our fate sealed all those years ago when he broke his first promise to me? Find out today in the epic conclusion to T.K. Leigh's Redemption Duet. The Redemption Series: Each duet in this series can be read separately as they each stand on their own and revolve around a different couple. 1 - Commitment (Redemption Duet #1) 2 - Redemption (Redemption Duet #2) 3 - Possession (Possession Duet #1) 4 - Atonement (Possession Duet #2) (Coming this winter) Topics: second chance, second chance romance, young love, childhood friends, hockey, sports romance, contemporary romance, modern romance, Boston romance, summer romance, funny romance, smart romance, humorous romance, city romance, lighthearted romance, hot romance, sexy, heartwarming, heart-warming, love, love books, kissing books, emotional journey, contemporary romance, romance series, romance series, USA Today bestseller, USA Today bestselling romance author, T.K. Jews have made a profound on-field and off-field contribution to just about every sport in Australia. Their feats have encompassed world championships, AFL premierships, Olympic selection and medals. Their legacies in sports administration and business are many: saved sporting codes, reinvigorated national competitions and mended the bodies of champion athletes. They have climbed Mount Everest and the major peaks of the world. Yet their stories of courage, resilience and ingenuity are largely untold. Until now. For the first time, leading journalists, writers and broadcasters have come together in this edited collection to share a new and compelling perspective on Australian Jews. People of the Book they have always been, but People of the Boot they are now too. Featuring the AFL peace team breaking barriers; Jessica Fox and Olympic glory; Michael Klinger's path to vindication; Sir Frank Lowy's soccer transformation; The Maccabiah Bridge collapse two decades on; St Kilda's 1966 yom kippur premiership; the moral fortitude of the NRL's Todd Greenburg; Larry Kestelman's hoop dreams; and much more...

The complete rock star trilogy from bestselling author Roxie Noir! Get lost in these emotional, gripping romances - plus a bonus story you can't find anywhere else. Never Enough It's a simple enough transaction. Marisol needs the money, and I need a nice girl to parade in front of the cameras. No feelings. No strings. No falling for anyone. I've been clean for months, but my record company's not satisfied. Apparently it isn't enough to only kick a heroin addiction - they're insisting that I find a girlfriend as well. If I don't, they pull Dirtshine's massive record deal. It's supposed to show that I've changed my ways, that I've turned over a new leaf, all that rubbish. But I've had it with suit-wearing wankers telling me what I'm to do, so I'm on the verge of telling them to go f\*ck themselves. And then she shows up. Marisol locks me out of my own concert by accident. She's wearing a suit at a rock show, searching for her lost law school textbook, has no idea who I am! ...and for the first time in years, I'm hooked. She's smart, driven, and utterly gorgeous. The sort of girl who earnestly believes in following the rules and hates when others don't. I'm a huge rock star, recovering addict, and general f\*ckup. Our relationship is for show, and that's all. But with every smile, every laugh, and every breathtaking glance at her curves, I want her more. Two months is all we agreed to. But it's never going to be enough. Always You A kiss could ruin everything. I was born broken, with a past full of ugly secrets and a brother doing life in prison. Not that you'd know it if you read the tabloids. According to them I'm the rock-solid guitarist for the biggest band in the world. I'm the dependable one. The steady one. The anchor. They don't know the truth. No one knows who I am underneath, once the music is over and the lights are off. No one but Darcy. She's my best friend. She's my savior, my light in the dark, beautiful and talented and every bit as broken as me. And I yearn for her. I have for years. I see the way she looks at me, what's behind her eyes. I know what she thinks about alone, in the dark, because how could I not know. It's getting worse. Every second, every heartbeat, every moment we spend together and every secret we share makes me want her more. Even though I know that one kiss could ruin everything we have, I need her. But to get her? I'll

risk everything I've got. Ever After Once upon a time, a girl saved my life. I was p\*ss-drunk, high as a kite, and about to jump from a bridge. She stopped me. I told her to f\*ck off. Exactly how all great love stories start. A year later, I met her again. Sober this time, after yet another stint in rehab. She's still pretty, still a spitfire, still lights up a room when she walks in. And she doesn't realize I'm the guy from the bridge. Frankie doesn't know anything about me or my past. She doesn't know I'm a former rock star or an ex-junkie. She doesn't know that two years ago, someone died and it was my fault. She doesn't need to know. She's got problems of her own, and they're what keep her coming back to see me time and again, even when we both know she shouldn't. I should be staying far, far away from this girl, but it's like telling water to flow uphill. Can't be done. Frankie and I may be going down in flames, but we'll be going down together.

It's a simple enough transaction. Marisol needs the money, and I need a nice girl to parade in front of the cameras. No feelings. No strings. No falling for anyone. I've been clean for months, but my record company's not satisfied. Apparently it isn't enough to only kick a heroin addiction - they're insisting that I find a girlfriend as well. If I don't, they pull Dirtshine's massive record deal. It's supposed to show that I've changed my ways, that I've turned over a new leaf, all that rubbish. But I've had it with suit-wearing wankers telling me what I'm to do, so I'm on the verge of telling them to go f\*ck themselves. And then she shows up. Marisol locks me out of my own concert by accident. She's wearing a suit at a rock show, searching for her lost law school textbook, has no idea who I am...and for the first time in years, I'm hooked. She's smart, driven, and utterly gorgeous. The sort of girl who earnestly believes in following the rules and hates when others don't. I'm a huge rock star, recovering addict, and general f\*ckup. Our relationship is for show, and that's all. But with every smile, every laugh, and every breathtaking glance at her curves, I want her more. Two months is all we agreed to. But it's never going to be enough.

Toward a Secret Sky by New York Times bestselling author Heather Maclean is a new breed of YA novel: an intelligent adventure-quest crossed with a sweeping, forbidden love story. A mix of reality and possibility, this fast-paced thriller will appeal to fans of Stephenie Meyer and Dan Brown as it leads the reader on a breathless flight through the highlands of Scotland, the secret city under London, and history itself. Shortly after 17-year-old Maren Hamilton is orphaned and sent to live with grandparents she's never met in Scotland, she receives an encrypted journal from her dead mother that makes her and everyone around her a target. It confirms that her parents were employed by a secret, international organization that's now intent on recruiting her. As Maren works to unravel the clues left behind by her mother, a murderous madness sweeps through the local population, terrorizing her small town. Maren must decide if she'll continue her parents' fight or stay behind to save her friends. With the help of Gavin, an otherworldly mercenary she's not supposed to fall in love with, and Graham, a charming aristocrat who is entranced with her, Maren races against the clock and around the country from palatial estates with twisted labyrinths to famous cathedrals with booby-trapped subterranean crypts to stay ahead of the enemy and find a cure. Along the way, she discovers the great truth of love: that laying down your life for another isn't as hard as watching them sacrifice everything for you.

I've made mistakes. Some of those mistakes have ruined lives, including my own. Because of this, my past is something I have kept to myself, so when I found a woman who also wanted her past to remain hidden, it felt like the universe was pushing us together. It turns out the universe had nothing to do with that. If a person's past doesn't exist, the present may not unravel the way it should. I found out the hard way, when I learned that my wife is not who I thought she was...living with a past I should know about. Her continuous self-destructive behaviors let me know she clearly has a plan...possibly one I never should have been a part of. I keep trying to save her, but she's making it hard. Now, both of our pasts have simultaneously rolled into the spotlight...colliding head-on, and causing the present to come crashing down on top of us. I learned that since our pasts are part of who we are, they will always be the foundation of our present and our future. The question I have is, will either of us walk away in one piece?

Destiny Faraday makes a point of keeping her distance from her classmates at Hedgebrook Academy. Her number-one rule: Don't get attached. But one day, unexpectedly finding a car at their disposal, Destiny and three of her classmates embark on an unauthorized road trip. They're searching for one fair day...a day where the good guy wins and everything adds up to something just and right. Their destination: Langdon, a town that Destiny's unsuspecting companions hope will hold simply a day of fun. But, as Destiny says, "Things are not always what they seem." Only she knows that Langdon holds far more than that...a deep secret she has never shared with anyone. The Miles Between explores the wonder and magic of a very real world where chance, mystery, and secrets abound.
