Balanced coverage of the entire life span is just one thing that distinguishes HUMAN DEVELOPMENT: A LIFE-SPAN VIEW, Seventh Edition. With its comprehensive, succinct, and applied coverage, the text has proven its ability to capture students' interest while introducing them to the issues, forces, and outcomes that make us who we are. Robert V. Kail's expertise in childhood and adolescence, combined with John C. Cavanaugh's extensive research in gerontology, result in a book with a rich description of all life-span stages and important topics. A modified chronological

Online Library Human Development Papalia 11th Edition Mcgraw Hill

approach traces development in sequential order from conception through late life, while also dedicating several chapters to key topical issues. This organization also allows the book to be relatively briefer than other texts, a benefit given the enormous amount of information covered in the course. The authors provide theoretical and empirical foundations that enable students to become educated, critical interpreters of developmental information. A blend of basic and applied research, as well as coverage of controversial topics and emergent trends, demonstrates connections between the

laboratory and life. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

ADDICTION TREATMENT covers the biological, psychological, and social aspects of alcoholism, eating disorders, compulsive gambling, and other addictions. The authors bridge the gap between the popular twelve-step and harm-reduction approaches, thus illuminating how practitioners can guide clients down a trusted path that is tailored towards the client's particular needs.

Online Library Human Development Papalia 11th Edition Mcgraw Hill

Through a number of first-person narratives about the experience of addiction, students will discover a realism and depth not commonly found in textbooks. In addition, the authors include student-friendly topics, such as the case against so-called underage drinking laws, to draw students into the material and illustrate the importance of reducing harm within the biopsychological framework that ties the text together.

Updated to reflect the DSM-5, this edition also includes the latest insights into social determinants of health, trauma-informed care, working with transgender populations, and

Online Library Human Development Papalia 11th Edition Mcgraw Hill

other timely topics. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

For the first time, a report focuses specifically on middle childhood--a discrete, pivotal period of development. In this review of research, experts examine the physical health and cognitive development of 6- to 12-year-old children as well as their surroundings: school and home environment, ecocultural setting, and family and peer relationships.

Online Library Human Development Papalia 11th Edition Mcgraw Hill

The second Canadian edition of *Health Psychology: Biopsychosocial Interactions* integrates multidisciplinary research and theory to help students understand the complex connections between psychology and health. This comprehensive yet accessible textbook covers the biopsychosocial factors that impact human health and wellness, placing particular emphasis on the distinctive characteristics of the Canadian health care system, the issues and challenges unique to Canadian culture, and the most recent Canadian research in the field of

Online Library Human Development Papalia 11th Edition Mcgraw Hill

health psychology. Clear, student-friendly chapters examine topics such as coping with stress and illness, lifestyles for enhancing health and preventing illness, managing pain and discomfort, getting medical treatment, and living with chronic illness. This fully revised second edition features the latest available data and research from across Canada and around the world. New and expanded chapters explore psychosocial factors in aging and dying, legalized marijuana use in Canada, the link between inflammation and depression, Canadian psychosocial models of pain, recent Medical Assistance in Dying

Online Library Human Development Papalia 11th Edition Mcgraw Hill

(MAiD) legislation, weight control, eating disorders, and exercise, and much more.

Throughout the text, updated illustrative examples, cross-cultural references, and real-world cases reinforce key points and strengthen student comprehension, retention, and interest.
