The fifth edition of Segal, Gerdes, and Steiner's AN INTRODUCTION TO THE PROFESSION OF SOCIAL WORK provides a balanced introduction to the social work profession and helps students to understand the role that the profession plays in the social welfare system. The authors' supportive tone and experiential approach inspires interest in and enthusiasm toward future careers in social work. Case studies, personal stories, and exercises help students apply the concepts and truly understand what it means to be a social worker. The book is designed to encourage both knowledge building and self-exploration--skills that are essential in developing good social work practice. Part of the Brooks/Cole Empowerment Series, the fifth edition is completely up to date and thoroughly integrates the core competencies and recommended practice behaviors outlined in the most recent Educational Policy and Accreditation Standards (EPAS) set by the Council on Social Work Education (CSWE). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Offers beginning students an introduction to theories and techniques, and their applications to counselling services in elementary and secondary schools, colleges and the community.

The fourth edition of Segal, Gerdes, and Steiner's AN INTRODUCTION TO THE PROFESSION OF SOCIAL WORK provides a balanced introduction to the social work profession and helps students to understand the role that the profession plays in the social welfare system. The authors' supportive tone and experiential approach inspires interest in and enthusiasm toward future careers in social work. The book is designed to encourage both knowledge building and self-exploration--skills that are essential in developing good social work practice. Part of the Brooks/Cole Empowerment Series, the fourth edition is completely up to date and thoroughly integrates the core competencies and recommended practice behaviors outlined in the 2008 Educational Policy and Accreditation Standards (EPAS) set by the Council on Social Work Education (CSWE). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A firm grasp of the pharmacy profession's history and scope is crucial for every student pharmacist. Since its publication in 2003 (and previously under the title Pharmacy Cadence), Pharmacy: An Introduction to the Profession has been a key tool for helping pharmacists understand the breadth of the field. In this updated second edition, author L. Michael Posey gives readers an insider's perspective on the workings of the profession. He revisits key topics such as government regulation, career pathways, membership organizations, communication skills, and ethics. In addition, he addresses how medication therapy management (MTM) is changing the practice of pharmacy. 11 informative chapters that explore the scope of the pharmacy profession. Straightforward analysis of top pharmacy issues and the forces shaping the profession. Timely reprints from the Journal of the American Pharmacists Association and Pharmacy Today that cover key contemporary issues. A special chapter on communications in pharmacy by Bruce A. Berger, PhD, BPharm, one of pharmacy's foremost experts on interpersonal and organizational communication. Fascinating tables that summarize notable pharmacy and world events throughout history. Important resources and contact information on associations, internships, residencies, and periodicals. Key terms defined in the text's margins and compiled in a glossary.

A unique blueprint to a successful physical therapy practice from renowned experts In the last 100 years, the profession of physical therapy has grown from a little-known band of "reconstruction aides" to a large and expanding worldwide group of dedicated professionals at the cutting edge of health care diagnostics, interventions, research, ethics, and altruistic

community service. Foundations: An Introduction to the Profession of Physical Therapy by distinguished physical therapist and educator Stephen Carp reflects nearly 40 years of expertise in this evolving field. The book covers the "the background music" of physical therapy □ important issues aspiring physical therapists and physical therapist assistants need to master prior to starting clinical practice. Sixteen chapters present a broad spectrum of content, covering core behavioral, clinical, and professional concerns encountered in practice. Experts provide firsthand guidance on reimbursement, working as a healthcare team, documentation, ethical issues and community service, clinical research and education, an overview of the APTA, career development, and more. Key Highlights From the history of the profession to cultural, spiritual and legal aspects of practice, this unique resource provides insights not found in traditional physical therapy foundation textbooks About 20 comprehensive vignettes with real-life experiences enhance the text Text boxes with insightful "first-person" narratives highlight chapter content A list of review questions and meticulous references at the end of every chapter enhance learning and encourage further research All PT and PTA students will benefit from the expert wisdom and pearls shared in this essential reference.

Revised edition of the authors' Introduction to competence-based social work, [2014]

Stanfield, who works in dietetics, et al. introduce all the major health professions, including about 75 careers, and their training requirements, job responsibilities, and salaries, for healthcare students. Introductory chapters cover categories of health services; payment; aging, health, and long-term care; and healthcare planning. This edition has a new chapter on athletic trainers; expanded discussion of public care, including Medicaid, Medicare, and the Children's Health Insurance Program; a new section on reforms due to the Patient Protection and Affordable Care Act of 2010; updated coverage of state implementation of reforms; information on the evolving roles and responsibilities of health careers and the impact of future demographic and socioeconomic changes on healthcare needs; information on educational grants and loan repayment programs; rewritten and revised chapters based on data from the most recent Occupational Outlook (2010-2011); and links to online videos of professionals.

Segal, Gerdes and Steiner's AN INTRODUCTION TO THE PROFESSION OF SOCIAL WORK provides a balanced overview of the social work profession and helps students understand its role in the social welfare system. The authors' supportive tone and experiential approach inspire interest in and enthusiasm for careers in social work. Case studies, personal stories and exercises help students apply concepts and understand what it means to be a social worker. The book also encourages knowledge building and self-exploration skills that are essential in developing good social work practice. Part of the Brooks/Cole Empowerment Series, the sixth edition is up to date and thoroughly integrates the core competencies and recommended practice behaviors outlined in the most recent Educational Policy and Accreditation Standards (EPAS) set by the Council on Social Work Education (CSWE).
