'Truly addictive' Malcolm Gladwell * 'Brilliant' Susan Cain * 'Essential' Charles Duhigg How many times have you checked your phone today? Why are messaging apps, email and social media so hard to resist? How come we always end up watching another episode? In recent years, media and technology have perfected the lucrative art of gaining and holding our attention. This extraordinary feat has changed the behaviour of billions of people, and especially the young: by current medical standards, we are experiencing an unprecedented, global pandemic of addiction. But what exactly is an addiction? And what, if anything, might we do about it? From cliff-hangers to earworms, from religion to pornography, and from the awesome allure of the 'Kim Kardashian: Hollywood' app to the unexpected benefits of the 'butt-brush effect', Irresistible blends fascinating stories with ingenious science to explain how and why we all got hooked. Revealing the surprising causes and sometimes bizarre nature of addiction, this book will equip you with the tools and understanding you need to navigate our irresistible new world.

'Fascinating' Malcolm Gladwell 'Your sanity will thank you for reading it' Oliver Burkeman Our world is filled with addictive experiences, from social media and messaging to rolling news and video streaming. They affect our ability to relax, develop relationships and achieve meaningful goals. Psychologist Adam Alter explains why we can't stop scrolling, clicking and watching. And offers practical advice for using technology differently - and leading a happier life. 'Brilliant. Irresistible offers...much-needed solutions' Susan Cain, author of Quiet 'Essential reading... Regain control of your time, finances and relationships' Charles Duhigg, author of The Power of Habit 'With great clarity...Irresistible digs down into exactly how technology has us hooked' The Times

A fascinating journey into the hidden psychological influences that derail our decision-making, Sway will change the way you think about the way you think. Why is it so difficult to sell a plummeting stock or end a doomed relationship? Why do we listen to advice just because it came from someone "important"? Why are we more likely to fall in love when there's danger involved? In Sway, renowned organizational thinker Ori Brafman and his brother, psychologist Rom Brafman, answer all these questions and more. Drawing on cutting-edge research from the fields of social psychology, behavioral economics, and organizational behavior, Sway reveals dynamic forces that influence every aspect of our personal and business lives, including loss aversion (our tendency to go to great lengths to avoid perceived losses), the diagnosis bias (our inability to reevaluate our initial diagnosis of a person or situation), and the "chameleon effect" (our tendency to take on characteristics that have been arbitrarily assigned to us). Sway introduces us to the Harvard Business School professor who got his students to pay \$204 for a \$20 bill, the head of airline safety whose disregard for his years of training led to the transformation of an entire industry, and the football coach who turned conventional strategy on its head to lead his team to victory. We also learn the curse of the

NBA draft, discover why interviews are a terrible way to gauge future job performance, and go inside a session with the Supreme Court to see how the world ' s most powerful justices avoid the dangers of group dynamics. Every once in a while, a book comes along that not only challenges our views of the world but changes the way we think. In Sway, Ori and Rom Brafman not only uncover rational explanations for a wide variety of irrational behaviors but also point readers toward ways to avoid succumbing to their pull.

"I love everything that Scott Sauls writes." -- Christine Caine What if Christians became the best advertisement for Jesus? Jesus said his followers would be a light to the world and a city on a hill--a warmly inviting, neighbor-loving, grace- and truth-filled destination for all. He envisioned his followers as life-giving neighbors, bosses, employees, and friends, the kind of people who return insults with kindness and persecution with prayers. Rooted in biblical convictions, they would extend love, empathy,

and care to one another as well as to those who don't share their beliefs. Over time their movement would become irresistible to every nation, tribe, and tongue. Irresistible Faith is a blueprint for pursuing this vision in our current moment, of redeemed individuals and a renewed community working for a restored world. This is a way of being that gives a tired, cynical world good reason to pause and reconsider Christianity--and to start wishing it was true. "I miss the kind of church Scott describes in this book, and I don ' t think I am alone." -- Donald Miller, author of Blue Like Jazz and Building a StoryBrand "An important call to resist the urge to lobby and position ourselves, but rather to be driven by gospel-powered love." -- Raechel Myers, founder and CEO of She Reads Truth "An antidote to much that is wrong with our Western, American version of Christianity. " -- Gabe and Rebekah Lyons, authors and founders of Q

Winner of the Z ó calo Book Prize Shortlisted for the Arthur Ross Book Award Longlisted for the Andrew Carnegie Medal for Excellence A New York Times Book Review Editors ' Choice A "powerful and cogent" (Bethanne Patrick, Washington Post) account of the twentieth-century battle for immigration reform that set the stage for today ' s roiling debates. The idea of the United States as a nation of immigrants is at the core of the American narrative. But in 1924, Congress instituted a system of ethnic quotas so stringent that it choked off large-scale immigration for decades, sharply curtailing arrivals from southern and eastern Europe and outright banning those from nearly all of Asia. In a riveting narrative filled with a fascinating cast of characters, from the indefatigable congressman Emanuel Celler and senator Herbert Lehman to the bull-headed Nevada senator Pat McCarran, Jia Lynn Yang recounts how lawmakers, activists, and presidents from Truman through LBJ worked relentlessly to abolish the 1924 law. Through a world war, a refugee crisis after the Holocaust, and a McCarthyist fever, a coalition of lawmakers and activists descended from Jewish, Irish, and Japanese immigrants fought to establish a new principle of equality in the American immigration system. Their crowning achievement, the 1965 Immigration and Nationality Act, proved to be one of the most transformative laws in the country ' s history, opening the door to nonwhite migration at levels never seen before—and changing America in ways that those who debated it could hardly have imagined. Framed movingly by her own family ' s story of immigration to America, Yang ' s One Mighty and Irresistible Tide is a deeply researched and illuminating work of history, one that shows how Americans have strived and struggled to live up to the ideal of a home for the “ huddled masses, ” as promised in Emma Lazarus ' s famous poem.

A New York Times bestseller! A revelatory look at how our environment unconsciously yet dramatically shapes the judgments and decisions we make every day Most of us go through life believing that we are in control of the choices we make—that we think and behave almost independently from the world around us. But as Drunk Tank Pink illustrates, the truth is our environment shapes our thoughts and actions in myriad ways without our permission or even our knowledge. Armed with surprising data and endlessly fascinating examples, Adam Alter addresses the subtle but substantial ways in which outside forces influence us—such as color ' s influence on mood, our bias in favor of names with which we identify, and how sunny days can induce optimism as well as aggression. Drunk Tank Pink proves that the truth behind our feelings and actions goes much deeper than the choices we take for granted every day.
