The Resolutions Of Jonathan Edwards In Today's English

Jonathan Edwards (1703-1758) recorded 70 resolutions, self-imposed agreements to help manage his whole life, from his thoughts to his words to his eating and sleeping. By today's standards, most Christian's would balk at such a high standard of piety and probably cry "Legalism!" or "Get Away From My Christian Freedom!":

[Being sensible that I am unable to do any thing without God's help, I do humbly entreat him, by his grace, to enable me to keep these Resolutions, so far as they are agreeable to his will, for Christ's sake. Remember to read over these Resolutions once a week. 1. Resolved, That I will do whatsoever I think to be most to the glory of God, and my own good, profit, and pleasure, in the whole of my duration; without any consideration of the time, whether now, or never so many myriads of ages hence. Resolved, to do whatever I think to be my duty, and most for the good and advantage of mankind in general. Resolved, so to do, whatever difficulties I meet with, how many soever, and how great soever. 2. Resolved, To be continually endeavouring to find out some new contrivance and invention to promote the forementioned things. 3. Resolved, If ever I shall fall and grow dull, so as to neglect to keep any part of these Resolutions, to repent of all I can remember, when I come to myself again. 4. Resolved, Never to do any manner of thing, whether in soul or body, less or more, but what tends to the glory of God, nor be, nor suffer it, if I can possibly avoid it. 5. Resolved, Never to lose one moment of time, but to improve it in the most profitable way I possibly can. 6. Resolved, To live with all my might, while I do live....

While completing his preparation for the ministry, Jonathan Edwards wrote seventy resolutions that guided him throughout his life. About twenty years later he wrote a letter to young Deborah Hatheway, a new convert in a nearby town, advising her concerning the Christian life.These two writings, often reprinted during the eighteenth and nineteenth centuries, overflow with straightforward and biblically sound advice. This advice is as current today as it was in the 1700s, and it far surpasses the how to books now overrunning bookstores.

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

This audiobook details some of the most important writings in the life of Jonathan Edwards. His personal conversion story is intense as he describes the "sense of glory" that permeated his soul. Edwards also details his January 1723 dedication in which he offered all of himself without restriction or regard to his own life. The 70 resolutions of Jonathan Edwards were written over a year time period, and Edwards read them on a weekly basis.

Jonathan Edwards is well known as perhaps the greatest theologian the United States has ever produced. He is equally noted for his preaching and writing. But in this Long Line Profile, Dr. Steven J. Lawson considers the unique focus and commitment with which Edwards sought to live out the Christian faith. Lawson examines Edwards' life through the lens of the seventy resolutions he penned in his late teens, shortly after his conversion, which cover everything from glorifying God to repenting of sin to managing time. Drawing on Edwards' writings, as well as scholarly accounts of Edwards' life and thought, Lawson shows how Edwards sought to live out these lofty goals he set for the management of his walk with Christ. In Edwards' example, he finds helpful instruction for all believers.

Do Work That Matters Productivity isn't just about getting more things done. It's about getting the right things done/the things that count, make a difference, and move the world forward. In our current era of massive overload, this is harder than ever before. So how do you get more of the right things done without confusing mere activity for actual productivity? When we take God's purposes into account, a revolutionary insight emerges. Surprisingly, we see that the way to be productive is to put others first/to make the welfare of other people our motive and criteria in determining what to do (what's best next). As both the Scriptures and the best business thinkers show, generosity is the key to unlocking our productivity. It is also the key to finding meaning and fulfillment in our work. What's Best Next offers a practical approach for improving your productivity in all areas of life. It will help you better understand: I Why good works are not just rare and special things like going to Africa, but anything you do in faith even tying your shoes. I How to create a mission statement for your life that actually works. I How to delegate to people in a way that actually empowers them. I How to overcome time killers like procrastination, interruptions, and multitasking by turning them around and making them work for you. I How to process workflow efficiently and get your email inbox to zero every day. I How your work and life can transform the world socially, economically, and spiritually, and connect to God's global purposes. By anchoring your understanding of productivity in God's purposes and plan, What's Best Next will give you a practical approach for increasing your effectiveness in everything you do.

Iain Murray believes that Edwards cannot be understood apart from his faith. Only when seen first and foremost as a Christian do his life and writings make sense. The integrity of this interpretation is confirmed in this study as Edwards is allowed on point after point to speak for himself.

[There was a time when revival preaching was very common. People were hungry for a fresh work of God and they actually anticipated God's supernatural transformation in their lives, churches and communities. I am grateful to Ernie Klassen and his work on Revival Preaching. Using the backdrop of Jonathan Edwards's powerful preaching ministry, we are invited into a rich theological journey flavored with real life experiences. (David Hearn, President of the Christian and Missionary Alliance in Canada). One of the great, though greatly overlooked, tools that Christian pastors have for bringing renewal and revival, is the past. One such figure in Christian tradition is Jonathan Edwards, the eighteenth-century North American theologian, preacher, revivalist, and missionary. Looking at the intersection of revival, preaching, and Edwards, Ernie Klassen provides lessons that religious leaders can take from Edwards' experiences and writings. (Dr. Kenneth P. Minkema, Jonathan Edwards Center, Yale University).
