A dying man's clairvoyant prophecies about his grandson, Jimmy Tock, reveal five terrifying and horrific events, occurring on five different days at different periods in his life, that will turn the young man's world upside down. 600,000 first printing.

With his bestselling blend of nail-biting intensity, daring artistry, and storytelling magic, Dean Koontz returns with an emotional roller coaster of a tale filled with enough twists, turns, shocks, and surprises for ten ordinary novels. Here is the story of five days in the life of an ordinary man born to an extraordinary legacy—a story that will challenge the way you look at good and evil, life and death, and everything in between. Jimmy Tock comes into the world on the very night his grandfather leaves it. As a violent storm rages outside the hospital, Rudy Tock spends long hours walking the corridors between the expectant fathers' waiting room and his dying father's bedside. It's a strange vigil made all the stranger when, at the very height of the storm's fury, Josef Tock suddenly sits up in bed and speaks coherently for the first and last time since his stroke. What he says before he dies is that there will be five dark days in the life of his grandson—five dates whose terrible events Jimmy will have to prepare himself to face. The first is to occur in his twentieth year; the second in his twenty-third year; the third in his twenty-eighth; the fourth in his twenty-ninth; the fifth in his thirtieth. Rudy is all too ready to discount his father's last words as a dying man's delusional rambling. But then he discovers that Josef also predicted the time of his grandson's birth to the minute, as well as his exact height and weight, and the fact that Jimmy would be born with syndactyly—the unexplained anomaly of fused digits—on his left foot. Suddenly the old man's predictions take on a chilling significance. What terrifying events await Jimmy on these five dark days? What nightmares will he face? What challenges must he survive? As the novel unfolds, picking up Jimmy's story at each of these crisis points, the path he must follow will defy every expectation. And with each crisis he faces, he will move closer to a fate he could never have imagined. For who Jimmy Tock is and what he must accomplish on the five days when his world turns is a mystery as dangerous as it is wondrous—a struggle against an evil so dark and pervasive, only the most extraordinary of human spirits can shine through. #1 New York Times bestselling author Dean Koontz delivers a thrilling novel of suspense and adventure, as the lives of strangers converge around a mystery unfolding high in the Colorado mountains—and the balance of the world begins to tilt... In the stillness of a golden September afternoon, deep in the wilderness of the Rockies, a solitary craftsman, Grady Adams, and his magnificent Irish wolfhound Merlin step from shadow into light...and into an encounter with enchantment. That night, through the trees, under the moon, a pair of singular animals will watch Grady's isolated home, waiting to make their approach. A few miles away, Camillia Rivers, a local veterinarian, begins to unravel the threads of a puzzle that will bring all the forces of a government in peril to her door. At a nearby farm, long-estranged identical twins come together to begin a descent into darkness...In Las Vegas, a specialist in chaos theory probes the boundaries of the unknowable...On a Seattle golf course, two men make matter-of-fact arrangements for murder...Along a highway by the sea, a vagrant scarred by the past begins a trek toward his destiny... In a novel that is at once wholly of our time and timeless, fearless and funny, Dean Koontz takes readers into the moment between one turn of the world and the next, across the border between knowing and mystery. It is a journey that will leave all who take it Breathless. BONUS: This edition contains an excerpt from Dean Koontz's *The City*.

When Micky Bellsong meets Leilani Klonk, a disabled girl, and her stepfather, Preston Maddoc, she finally finds some purpose in her troubled life, but when the family disappears, she embarks on an arduous mission to find them.

A catastrophic, unexplainable plane crash leaves three hundred and thirty dead -- no survivors. Among the victims are the wife and two daughters of Joe Carpenter, a Los Angeles Post crime reporter. A year after the crash, still gripped by an almost paralyzing grief, Joe encounters a woman named Rose, who claims to have survived the crash. She holds out the possibility of a secret that will bring Joe peace of mind. But before he can ask any questions, she slips away. Driven now by rage (have the authorities withheld information?) and a hope almost as unbearable as his grief (if there is one survivor, are there others?), Joe sets out to find the mysterious woman. His search immediately leads him into the path of a powerful and shadowy organization hell-bent on stopping Rose before she can reveal what she knows about the crash. *Sole Survivor* unfolds at a heart-stopping pace, as a desperate chase and a shattering emotional odyssey lead Joe to a truth that will force him to reassess everything he thought he knew about life and death -- a truth that, given the chance, will rock the world and redefine the destiny of humanity. BONUS: This edition contains an excerpt from Dean Koontz's *The City*.

When Mitchell Rafferty receives a phone call that his wife has been kidnapped and there is a two million dollar ransom, his extraordinary commitment to his wife will take him on a seventy-two-hour journey of sacrifice and redemption.

six, gazes out a moonlit window, unable to sleep on her first night in the Napa Valley home of her best friend's family. Instinct proves reliable. A murderous sociopath, Edgler Foreman Vess, has entered the house, intent on killing everyone inside. A self-proclaimed "homicidal adventurer," Vess lives only to satisfy all appetites as they arise, to immerse himself in sensation, to live without fear, remorse, or limits, to live with intensity. Chyna is trapped in his deadly orbit. Chyna is a survivor, toughened by a lifelong struggle for safety and self-respect. Now she will be tested as never before. At first her sole aim is to get out alive—until, by chance, she learns the identity of Vess's next intended victim, a faraway innocent only she can save. Driven by a newly discovered thirst for meaning beyond mere self-preservation, Chyna musters every inner resource she has to save an endangered girl . . . as moment by moment, the terrifying threat of Edgler Foreman Vess intensifies.

A computer with human-like qualities of artificial intelligence develops criminal obsessions and takes over the completely automated home of Susan Harris

#1 New York Times bestselling author Dean Koontz gives a new meaning to "blood brothers" in this chilling novel of friendship gone awry... No one could understand why Colin and Roy were best friends. Colin was so shy; Roy was so popular. Colin was nervous around girls; Roy was a ladies' man. Colin was fascinated by Roy—and Roy was fascinated by death. Then one day Roy asked his timid friend: "You ever killed anything?" And from that moment on, the two were bound together in a game too terrifying to imagine...and too irresistible to stop.

Aided through many crises throughout her life by the almost miraculous intervention of a stranger, Laura Shane learns the nature of her awesome destiny when, on her thirtieth birthday, the stranger finally requests her help. Reissue.
