Il legame tra lei e il teschio parlante sar  sempre pi  strano ma allo stesso tempo sempre pi  stretto (al punto che Lucy se lo porta nello zaino durante le sue missioni). Saranno approfonditi anche i legami tra lei e Lockwood e alcuni misteri del suo passato saranno svelati.

A sei mesi da quella terribile notte, in cui Anthony, Lucy e George sopravvissero in una casa infestata da fantasmi, l'agenzia di acchiappafantasmi Lockwood & Co. non ha pi  fatto molti progressi. L'agenzia rivale cerca sempre di mettergli i bastoni tra le ruote, senza permettergli di portare a termine alcuna missione. Anthony non pu  che prendere una decisione: sfidarli nella soluzione di un caso; e chi perder  sar  costretto ad ammettere la sconfitta niente di meno che sul Times. La sfida ruoter  intorno al mistero di Mr. Saunders e della riesumazione del cadavere di un dottore vittoriano capace in passato di comunicare con i morti... "Rimarrete svegli a leggere fino a notte fonda, poi per  dovrete dormire con la luce accesa. Stroud   un genio nell'inventare un mondo completamente credibile che somiglia moltissimo al nostro e che contemporaneamente   così spaventosamente diverso. Mettete Lockwood & C. nella lista dei titoli da leggere!" Rick Riordan

Listen then, and I'll tell you again of the Battle of the Rock. But none of your usual wriggling, or I'll stop before I've begun . . . Halli loves the old stories from when the valley was a wild and dangerous place - when the twelve legendary heroes stood together to defeat the ancient enemy, the bloodthirsty Trows. Halli longs for adventure but these days the most dangerous thing in the valley is boredom. He tries to liven things up by playing practical jokes. But when one of his jokes goes too far, he reawakens an old blood feud and finds himself on a hero's quest after all. Along the way he meets a ruthless thief, a murderous rival, and a girl who may just be as fearless as he is . . . Jonathan Stroud has created an epic saga with a funny, unique spin, and an unforgettable anti-hero.

As a massive outbreak of supernatural Visitors baffles Scotland Yard and causes protests throughout London, Lockwood & Co. continue to demonstrate their effectiveness in exterminating spirits. Anthony Lockwood is dashing, George insightful, and Lucy dynamic, while the skull in the jar utters sardonic advice from the sidelines. There is a new spirit of openness in the team now that Lockwood has shared some of his childhood secrets, and Lucy is feeling more and more as if her true home is at Portland Row. It comes as a great shock, then, when Lockwood and George introduce her to an annoyingly perky and hyper-efficient new assistant, Holly Munro. Meanwhile, there are reports of many new hauntings, including a house where bloody footprints are appearing, and a department store full of strange sounds and shadowy figures. But ghosts seem to be the least of Lockwood & Co.'s concerns when assassins attack during a carnival in the center of the city. Can the team get past their personal issues to save the day on all fronts, or will bad feelings attract yet more trouble? Danger abounds, tensions escalate, and new loyalties form in this third delightfully terrifying adventure in the critically acclaimed Lockwood & Co. series. Praise for The Screaming Staircase "This story will keep you reading late into the night, but you'll want to leave the lights on. Stroud is a genius at inventing an utterly believable world which is very much like ours, but so creepily different. Put The Screaming Staircase on your 'need to read' list!" -- Rick Riordan "A pleasure from tip to tail, this is the book you hand the advanced readers that claim they'd rather read Paradise Lost than Harry Potter. Smart as a whip, funny, witty, and honestly frightening at times, Stroud lets loose and gives readers exactly what they want. Ghosts, kids on their own without adult supervision, and loads of delicious cookies." -- Elizabeth Bird, School Library Journal "Stroud shows his customary flair for blending deadpan humor with thrilling action, and the fiery interplay among the three agents of Lockwood & Co. invigorates the story (along with no shortage of creepy moments)." -- Publishers Weekly Praise for The Whispering Skull "An occult portal and its spectral guardian nearly cut short the careers of three rising young ghost hunters in this madcap sequel to The Screaming Staircase (2013). For all their internecine squabbling, the three protagonists make a redoubtable team-and their supporting cast, led by the sneering titular skull in a jar, adds color and complications aplenty. Rousing adventures for young tomb robbers and delves into realms better left to the dead." -- Kirkus Reviews (starred review) "Stroud writes with a fine ear for dialog, a wry sense of humor, and a knack for describing haunted places. Creating tension that ebbs and flows, he slowly builds the dramatic narrative to a resounding crescendo, and he makes the quieter scenes that follow just as compelling." -- Booklist (starred review)

Through the foggy streets of Victorian London to the deepest countryside, Sherlock Holmes uses his unique powers of deduction in eight thrilling investigations, including the mysteries of 'The Speckled Band' and 'The Reigate Puzzle'. With a captivating introduction by award-winning Jonathan Stroud.

A thrilling new case for London's most talented psychic detection agency - from the global bestselling author of the Bartimaeus Sequence. In London, a mysterious and potentially deadly ghost is stalking the halls of St Simeon's Academy for Talented Youngsters. It lurks in the shadows, spreading fear and icy cold - and it carries a sharp and very solid dagger . . . The headmaster wastes no time in enlisting the help of ghost-hunters Anthony Lockwood, Lucy Carlyle and George Cubbins. Can Lockwood & Co. survive the night and save the day?

Two brothers, Michael and Stephen MacIntyre, together with their sister Sarah and the local vicar Tom Aubrey, uncover a deadly secret buried near their village. But time is short: can they prevent the awakening of an ancient evil before its powers corrupt them for ever?

Imaginary friend Budo narrates this heartwarming story of love, loyalty, and the power of the imagination-the perfect read for anyone who has ever had a friend . . . real or otherwise Budo is lucky as imaginary friends go. He's been alive for more than five years, which is positively ancient in the world of imaginary friends. But Budo feels his age, and thinks constantly of the day when eight-year-old Max Delaney will stop believing in him. When that happens, Budo will disappear. Max is different from other children. Some people say that he has Asperger's Syndrome, but most just say he's "on the spectrum." None of this matters to Budo, who loves Max and is charged with protecting him from the class bully, from awkward situations in the cafeteria, and even in the bathroom stalls. But he can't protect Max from Mrs. Patterson, the woman who works with Max in the Learning Center and who believes that she alone is qualified to care for this young boy. When Mrs. Patterson does the unthinkable and kidnaps Max, it is up to Budo and a team of imaginary friends to save him-and Budo must ultimately decide which is more important: Max's happiness or Budo's very existence. Narrated by Budo, a character with a unique ability to have a foot in many worlds-imaginary, real, child, and adult- Memoirs of an Imaginary Friend touches on the truths of life, love, and friendship as it races to a heartwarming . . . and heartbreaking conclusion.

A Christmas-themed collection of ghost stories may seem like an odd idea, but English writer Jerome K. Jerome pulls it off in the engaging volume Told After Supper. Pull it out at your next holiday gathering, or read it any time you're craving some spine-tingling short fiction.

Bartimaeus, everyone's favorite (wise-cracking) djinni, is back in book four of this best-selling series, now available in paperback. As alluded to in the footnotes throughout the series, Bartimaeus has served hundreds of magicians during his 5,010 year career. Now fans can go back in time with the djinni, to Jerusalem and the court of King Solomon in 950 BCE. Only in this adventure, it seems the great Bartimaeus has finally met his match. He'll have to contend with an unpleasant master and his sinister servant, and he runs into just a "spot" of trouble with King Solomon's magic ring....

Develops erotics as a way to rethink the role of sex and sexual desire and to envision new forms of asexual intimacy.
