Tarl Cabot is caught up in intrigues and rivalries on the planet of Gor in this science fantasy adventure. On Gor, there are numerous mercenary companies—some larger, some smaller—whose services may be purchased or bid upon for given periods of time. The allegiance of these companies is to their pay and their captains. The forces of Cos and Tyros, powerful maritime ubarates, and their allies have now beached upon the mainland and are utilizing the city of Torcodino as a repository for supplies, in preparation to march on a nigh-undefended and unprepared Ar. Should Ar fall, the disinterested tolerances and neutralities, and even the balance of power long sustained between Ar and the great maritime ubarates—things that made the existence of the independent companies possible—will vanish, a development threatening the very existence of the independent companies. But when Cabot arrives in Ar, it is a city rife with doubt, dissension, and treason. To whom shall the letters be delivered, and whom can he trust? Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire. Mercenaries of Gor is the 21st book in the Gorean Saga, but you may enjoy reading the series in any order.

John Norman's epic Gorean Saga is one of the longest-running and most successful series in the history of fantasy. It is also one of the most controversial. Over the course of more than thirty books produced over a span of six decades, the series has sold millions of copies and built legions of fans unrivaled in their devotion. E-Reads invites you to rediscover this brilliantly imagined world where men are masters and women live to serve their every desire. MERCENARIES OF GOR Book 21 of the Gorean Saga On Gor there are numerous mercenary companies, some larger, some smaller, whose services may be purchased, or bid upon, for given periods of time. The allegiance of these companies is to their pay, and their captains. The forces of Cos and Tyros, powerful maritime ubarates, and their allies, have now beached upon the mainland, and are utilizing the city of Torcodino as a repository for supplies, preparatory to marching on a nigh-undefended and unprepared Ar. Should Ar fall the disinterested tolerances and neutralities, and even the balance of power long sustained between Ar and the great maritime ubarates, things which made possible the existence of the independent companies, will vanish, a development threatening the very existence of the independent companies. But when Cabot arrives in Ar it is a city riven by doubt and dissension, and treason. To whom shall the letters be delivered, and whom can he trust? Read the entire saga, now with brilliant new cover art specially commissioned by E-Reads.

Swords, slaves, and spies bring a Counter-Earth to vivid life in the cult classic series that’s “a legend in speculative fantasy” (Boing Boing). Cabot and his friend Marcus, of Ar’s Station, who have been spying for Ar in the Cosian encampments, now seek the long-inert forces of Ar to report acquired intelligence to their commander, Saphronicus, who proves to be of the treasonous party of Ar. Cabot and Marcus are placed under arrest, as spies. Primary forces of Ar, largely inactive in recent months, are now to pursue Cosian forces withdrawing from Ar’s Station, through the vast Vosk delta to the sea. The Cosian forces, however, have avoided the delta, and the delta campaign is a ruse to decimate the armed might of Ar, to use as a weapon the marshes and swamps of the delta itself, their treacherous, trackless wildernesses and wastes, the quicksand, the insects, the serpents and reptiles, the local populations, to deliver a final decisive blow to what was once the unchallenged splendor and power of Gor’s finest infantry. Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire. Vagabonds of Gor is the 24th book in the Gorean Saga, but you may enjoy reading the series in any order.

Intrigue sets the stage for bloody combat in the series that “draw[s] on a combination of philosophy, science-fiction, and erotica” (Vice). The games of Gor are diverse, as are their players. There are the games of planetary politics, in which worlds are contested. And those of cities and ubarates, of ponderous cavalries and fleets of lateen-rigged ships. And smaller games, bloody games, played on a square of sand, in which the counters and pieces are edged weapons. And, too, there is Kaissa, common on Gor, played with pieces of wood, on a board of a hundred squares. The major land power in the northern latitudes of known Gor has long been the imperium of mighty Ar. Against her hegemonies on the continent, plans by her major enemies, the maritime ubarates of Cos and Tyros, have been carefully drawn to involve attack from without and subversion from within. Cabot, once of Earth, is drawn into these intrigues. Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire. Players of Gor is the 20th book in the Gorean Saga, but you may enjoy reading the series in any order.

Battles rage as the epic science fantasy adventure saga continues. The maritime ubarate of Cos and her allies are mounting an attack on Ar on two fronts—from the South with a major invasion force and in the North with an expeditionary force besieging Ar’s Station, Ar’s base of power in the vast arable basin of Gor’s mightiest river, the Vosk. Dietrich of Tarnburg, a mercenary, has seized Torcodino, with its stores of military supplies, to temporarily halt the march of Cos on Ar in order to buy Ar time to organize for her defense. Cabot has delivered letters from Dietrich to the regent of Ar, apprising him of the situation at Torcodino. Tarl escapes his imprisonment and ponders whether he should then flee Ar’s Station, making his way to freedom through its miseries and desolations, its ruins and flames, or shall he remain, to defend her weakened, betrayed, starving defenders, those who had been his very captors? Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire. Renegades of Gor is the 23rd book in the Gorean Saga, but you may enjoy reading the series in any order.

Ar, defeated, shamed, and systematically looted, is occupied by Cosian forces. Perhaps Marlenus of Ar alone, the great ubar, could remind the men of their Home Stone and its meaning. But it is thought that he perished in the Voltai. Young women from Earth brought to Gor are commonly taken to the markets to be branded, collared, and sold as the delicious, lovely livestock they are. Such is the case of a young woman whom we shall call Janice, for that was her Gorean slave name. In the prison pits of piratical Treve there exists a chained prisoner who believes himself to be of the Gorean peasantry. The nature and even the existence of this prisoner, strangely enough, is a closely guarded secret. In order to better keep this secret, it is decided that his servant and warder had best not be a native Gorean. Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire. Witness of Gor is the 26th book in the Gorean Saga, but you may enjoy reading the series in any order.

A woman from Earth is forced into sex slavery on the fantasy planet of Counter Earth in this Gorean Saga novel. In this installment of the Gorean Saga, beautiful and headstrong Elinor Brinton of Earth finds herself thrust into the savage world of Counter Earth, also known as Gor. Brinton must relinquish her earthly position as a beautiful, wealthy, and powerful woman when she finds herself a part of the harsh Gorean society. She is powerless as a female pleasure slave in the camp of Targo the slave-merchant. Forced to learn the arts of providing pleasure to any man who buys her, Elinor is determined to escape. Nevertheless, she is sold for a high price, and her master is determined to get his money’s worth . . . Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire. Captive of Gor is the 7th book in the Gorean Saga, but you may enjoy reading the series in any order.

A shy librarian from Earth learns her true female nature as a slave dancer on the planet Gor in this fantasy series where men dominate women. Doreen Williamson is a quiet, shy librarian on Earth. Like many other young women, she is distrustful of her attractions, frightened of men, introverted in manner and sexually inhibited. She lives within a quiet, lonely, dissatisfying, sheltered, and frustrated desperation, distant from her true self, her nature denied, her only friends books and her secret thoughts. In the realization and enactment of a profound fantasy, after acute self-conflict, she dares to study a form of dance in which she is at last free to move her body as a female, a form of dance in which she may revel in her beauty and womanhood, a form of dance historically commanded by masters of selected, suitable slaves: belly dance. She must then dance, for the first time, before men. In doing so, she discovers her own desirability and that she may be well bid upon. Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire. Dancer of Gor is the 22nd book in the Gorean Saga, but you may enjoy reading the series in any order.

On the run from a death squad, General Half-Ear lures his pursuers into the land of the Red Savages on the planet of Gor. Half-Ear, or Zarendargar, a Kur general fallen from favor in the Steel Worlds, now sought by a death squad of his savage compeers, has determined to lure his pursuers into the Barrrens, the vast prairies to the east of known Gor, populated by warring tribes known to Goreans as the Red Savages. He has arranged matters in such a way that he will be abetted in his stand against the death squad and its human allies by a human ally of his own—his former foe, Tarl Cabot. The ancestors of the Red Savages, like those of many other Goreans, were brought to Gor long ago in Voyages of Acquisition by the Priest-Kings. The Red Savages were settled in an area not unlike that of their former home, a sweeping, almost endless grassland, where they tend to continue their former ways of life—and war. Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire. Blood Brothers of Gor is the 18th book in the Gorean Saga, but you

may enjoy reading the series in any order.
