Now I know why Black had smiled briefly once Nick walked outside. That guy has a devious streak. "Nice, doggie," I say nervously. The dog doesn't make a move toward me, but he's not letting Nick budge. When Nick raises his hand and says, "Go get Gavin or Damien to call this mongrel off," the dog aggressively snaps at the guy's pants.

Mister Black swept in and out of my life like a tornado, leaving me twisted up and forever changed in his wake. And now that my life is finally back on track, I need to move on, despite the many reminders of our time together. But our pasts are only as far away as the shadows we hide behind, and sometimes those shadows grow darker, converging on the present in the most insidious way. He is Black: a stealthy hunter and rainbow master. I am Red: a truth seeker and desire keeper. Together we are obsession. Passionate colors destined to be drawn together. NOTE: SCARLETT RED is part 2 of the IN THE SHADOWS series. There are three books in Talia and Sebastian's epic love story: MISTER BLACK (part 1, novella), SCARLETT RED, (part 2, novel) and BLACKEST RED (part 3, novel)

We all have someone who crossed our path and fundamentally changed us. That one person who blew through our lives, their presence forever stamped on our psyche. They linger in our thoughts, in our hearts, and in the decisions we make. A soul crusher or a dream maker, depending on the perspective. My person is MISTER BLACK. I didn't know him by that name when I first met him. I didn't know him at all, but the impression he left behind was just as powerful as the name I call him today. He is Black: a deadly enforcer and masterful seducer. I am Red: a justice bleeder and willing participant. Together we are passion. Colors colliding through each other's lives. When our secrets converge in a passionate encounter, stepping out of the shadows just might be worth the risk. Note: This is a NEW ADULT contemporary mystery/thriller romance meant for readers 18+

Does Nat have to remain trapped in the past forever, or give up the friendship he's so longed for in his own time?

New York Times, USA Today, and International Bestselling series No matter how hard I've tried to let go of Mister Black, the memories of us together torture me. They're an unforgettable reminder of a life I can't have for many reasons. Burying myself in work mostly keeps thoughts of him to a screaming minimum, until he's thrust into my life under circumstances beyond my control. Despite my need for his protection, this time I'm not sure if I'm strong enough to survive with my heart intact. He is Black: a fierce protector and irresistible charmer. I am Red: a trouble magnet and rainbow weaver. Together we ignite. Explosive colors merging at the hottest melting point. NOTE: *BLACKEST RED* is part 3 in Sebastian and Talia's story in the *IN THE SHADOWS* series. Their story must be read in the following order: *MISTER BLACK* (part 1), *SCARLETT RED* (part 2), and *BLACKEST RED* (part 3).

In the Hugo-award winning, epic New York Times Bestseller and basis for the BBC miniseries, two men change England's history when they bring magic back into the world. In the midst of the Napoleonic Wars in 1806, most people believe magic to have long since disappeared from England - until the reclusive Mr. Norrell reveals his powers and becomes an overnight celebrity. Another practicing magician then emerges: the young and daring Jonathan Strange. He becomes Norrell's pupil, and the two join forces in the war against France. But Strange is increasingly drawn to the wild, most perilous forms of magic, and he soon risks sacrificing his partnership with Norrell and everything else he holds dear. Susanna Clarke's brilliant first novel is an utterly compelling epic tale of nineteenth-century England and the two magicians who, first as teacher and pupil and then as rivals, emerge to change its history.
