If Assana looked up the word "nymphomaniac" in the dictionary, she might expect to find her own image in place of the definition, especially after meeting the immortal red dragon, Gavra. Now that she needs her sanity more than anything to regain control of her race's home from her insane mother, she's faced with the inconvenient desire to lose control and be that primal nymph she keeps locked inside.Thank Gaia for Silas. The handsome young ursa male is blessed with magic that can calm the lust-filled madness threatening to consume Assana's mind. When alpha wolf Lakota Longtree sees a grizzly stalking a young woman in the Alaskan wilderness, he intervenes just in time. But the beast is no ordinary bear. He is a shifter of a different clan, an ancient enemy of Lakota's people, and he will not be satisfied until he has tracked down and killed this woman. Lakota's only choice is to make her a member of his pack, but that will mean teaching the headstrong girl that an alpha expects to be obeyed. Carly Fowler has never put much stock in myths and legends, but after the ruggedly handsome man who so recently saved her life transforms into a wolf before her eyes, she is forced to accept that what he says is true. There is a terrifying creature hunting her and Lakota and his pack can keep her safe, but that will mean submitting to a stern, dominant alpha who will not hesitate to bare her bottom and spank her soundly any time he feels it necessary. Lakota gives Carly no time to ponder her situation, nor does he give her a choice in the matter. She will live with him until he is sure she is no longer in danger, and during that time she will do as she is told or face the consequences. It isn't long before Carly's defiant attitude earns her a painful, embarrassing spanking over Lakota's knee, but despite her fury at being punished in such a fashion she cannot help yearning for him to take her hard and thoroughly. Over the coming days, Lakota takes on the role of Carly's firm but loving daddy, providing the structure and discipline she requires to adjust to her new life. Soon enough, however, his need for her becomes overwhelming, and he claims her as his mate, mastering her more completely than she would have ever thought possible. But will her presence end up tearing his pack apart? Publisher's Note: Alpha Daddy includes spankings, sexual scenes, and elements of age play. General Augustus Bron, Commander of the Traoian Iron Guard, has never approved of the practice of capturing human women and training them to serve the rich and powerful of his world. He knows, however, that success in politics is all but impossible without the social status granted by ownership of a human pet, and with his planet in desperate need of new leadership he sees little choice but to obtain one for himself. When she pieces together a connection between five missing women, reporter Phaedra Ellis knows she is onto something big, but before she can go public with her story she is taken from her apartment in the middle of the night and brought to a facility unlike anything she has ever seen before. To her shock, Phaedra is informed that she is no longer on Earth, and more disturbing still, she is now the property of a huge, powerful alien warrior who will not hesitate to bare her bottom and spank her soundly should she dare to disobey him. After an intimate, deeply humiliating medical examination confirms her suitability as a pet, Bron begins Phaedra's training. Though taming her will require a firm hand and punishments much more shameful than a mere spanking may be necessary from time to time, he has no doubt that he is up to the task. But despite his efforts to remain stoic, his beautiful little human has soon claimed a place in his heart. When Bron's enemies seek to use his growing love for Phaedra against him, can the battle-hardened soldier find a way to protect both his planet and his pet? Publisher's Note: The Alien's Captive is an erotic romance novel that includes spankings, sexual scenes, medical play, elements of BDSM, and more. A hot and hilarious new standalone from New York Timesbestseller Kendall Ryan. We met in a trapped elevator. Emmett was on his way to work, sophisticated and handsome in his tailored suit and tie. I was on my way to the sperm bank. Awkward, right? At thirty-five, my life hadn't taken the path I thought it would and I was tired of waiting- wanted a baby. And I was ready to take matters into my own hands to make it happen. After our ill-fated elevator encounter, Emmett insisted on taking me to dinner-he also insisted on something else-that I ditch my plan involving a turkey baster and let him do the job. He would be my baby daddy. He was a wealthy and powerful CEO with little interest in diapers or playdates. And since he didn't want kids, I'd be on my own once his bun was in my oven, free to go my own way. But once his baby was inside me, it was like a switch had been flipped, and I got a whole lot more than I ever bargained for. This full-length standalone contains a hot, swoonworthy hero, lots of playful banter and some hot baby-making | Enjoy.

When Queen Avin of Windbourne is taken captive, stripped bare, and brought to face judgement from Lord Xander of Ravenscroft, the bold, handsome warrior who overthrew her and took her crown for his own, she is determined to remain defiant even as she stands naked before him. Leading a rebellion against the woman he once hoped would be his bride was the last thing Xander wanted, but the treachery of Avin's father left him with no other choice. Yet despite the pain of Avin's apparent betrayal, Xander can't help wondering whether she was merely a pawn in a perilous game. Determined to win Avin's submission, Xander sets out to master her body completely, and soon enough she has been soundly spanked and then made to kneel at his feet and eat from his hand. But though her arousal at such shameful treatment cannot be denied, Avin is far too proud to yield without a fight. Can Xander find a way to conquer the beautiful, feisty queen and claim her heart before his own father's scheming tears the kingdom apart? Publisher's Note: Conquering the Queen includes sexual scenes and spankings. If such material offends you, please don't buy this book.

As the daughter of a powerful highland laird, Glynis McLeod should have made a fine wife for any Scotsman. Having been deprived of discipline by her mother's untimely passing, however, Glynis grew up wild and unchecked. As a lass of twenty, she has precious little respect for any man, let alone a husband her father might choose for her. But even a doting father must obey his king, and when the king demands a marriage to ensure lasting peace between rival clans, Glynis finds herself the very reluctant bride of Bran McKinnon. Known as Bran the Bull-both for his size and his fearsome sexual appetites-he is a man accustomed to being obeyed, a fact which is quickly impressed upon Glynis when her lack of decorum earns her a bare-bottom spanking from her future husband in the great hall of her father's castle. As soon as Bran lays eyes on Glynis, he knows the fiery redhead is exactly what he's been seeking: a woman who needs both the firm hand of a father figure and the dominant lovemaking of a husband. With the help of her childhood nanny, Bran sets about training his feisty highland lass to be the obedient wife he expects. Blushing cheeks and a sore bottom quickly help Glynis become the good little girl her husband desires, but when danger threatens the king's peace, will Bran recognize in time that there's more to his young bride than meets the eye? Publisher's Note: The Highlander's Little Lass is an erotic romance novel that includes spankings, sexual scenes, extensive age play, anal play, and more. After the death of her deeply indebted father, nineteen-year-old Abigail Barrow faces a hard future in the workhouses of nineteenth-century London. Her only hope lies in a marriage to Dr. Simon Abbott, a man whose life her father once saved while they both served in Her Majesty's Navy. But with no education and no dowry, she can hardly expect the esteemed doctor to agree to the match, especially when her sharp tongue earns her a trip over his knee for a humiliating bare-bottom spanking during their very first meeting. The reserved Dr. Abbott has long avoided marriage, knowing that what he seeks in a wife is not easy to find. Abigail's response to his firm chastisement convinces him that she is just the woman he needs, but she will require training to be a properly submissive wife, and thus before he makes her his bride he decides to bring her into his home as his ward. On her first day in Simon's home, Abigail finds herself stripped naked, bathed like a child, and then dressed in clothing befitting a little girl. Worse still, her failure to obey her new guardian promptly results in a swift and painful punishment applied to her bare backside. Yet Simon's strict discipline is accompanied by gentle, loving care, and as the days pass his intimate attentions awaken a powerful need within her. When she lies on the doctor's exam table, exposed, vulnerable, and blushing crimson, Abigail cannot help aching for him to claim her. But can there be a permanent place for her in Simon's life as both his wife and his little ward? Publisher's Note: The Doctor's Little Ward is an erotic romance novel that includes spankings, sexual scenes, age play, medical play, anal play, and more.
