Assume that Lowell and Nashua form a partnership to provide internet art services. Lowell is an internet expert and Nashua has a significant amount of cash available from his previous business experience. To start the partnership, Lowell invests \$10,000 and Nashua invests \$40,000. The effects of their investments could be as follows.

Chapter 14: Partnerships - Formation and Operation

Formation of a partnership involves investment by the partners in the partnership either in the form of cash or in the form of assets. When partners introduce cash or any other asset, cash or the other asset account is debited at the value agreed by the partners and the corresponding partner's capital account is credited by the same amount.
