Today's students wear many hats-& in the world of personal finance, there's only one text that can fit everyone's needs: Rejda/McNamara Personal Financial Planning. Bringing the world of personal finance to students as intelligent consumers of financial services, Rejda/McNamara cover all topics for today's changing society. Internet margin notes & exercises, together with Rejda's well-known "Insight Boxes" focus on real world application & experience that take the novice to a higher level of sophistication in the areas of financial planning. Rejda/McNamara is the most authoritative personal finance text available today covering areas of financial planning, investments, personal insurance, taxation, housing & more. Its modern pedagogy, technical accuracy, manageable length & uncluttered format place Personal Financial Planning leaps & bounds ahead of the competition. Features * Professionally oriented, technically accurate, up-to-date & student friendly with a sophisticated approach toward instruction. * Covers the fundamental essentials of finance (insurance, taxes, & retirement planing) but has an emphasis on investing material that is immediately useful to students. * Includes features such as: "Consider This" - a running marginal feature that offers pertinent advice for everyday situations, "Insight Boxes" - popular & current newspaper articles (from respected sources) about varying financial issues demonstrating the practicality & relevance of studying personal finance, & Internet exercises. Supplements Instructor's Resource Manual, Test Bank, Computerized Test Gen for Windows, PowerPoint Lecture Presentation, Personal Financial Planning Software Templates, & Study Guide. Table of Contents PART I: FUNDAMENTALS OF FINANCIAL PLANNING Chapter 1: Introduction to Financial Planning Chapter 2: Tools of Financial Planning Chapter 3: Money Management & Saving Chapter 4: Credit & Financial Planning Chapter 5: Borrowing & Debt Management Chapter 6: Tax Planning Chapter 7: Housing PART II: PROTECTION AGAINST FINANCIAL INSECURITY Chapter 8: Introduction to Risk Management & Insurance Chapter 9: Life Insurance Chapter 10: Health Insurance Chapter 11: Property & Liability Insurance PART III: THE ROLE OF INVESTMENT IN FINANCIAL PLANNING Chapter 12: Fundamentals of Investing Chapter 13: Investing in Stocks & Bonds Chapter 14: Investing in Mutual Funds Chapter 15: Other Investments PART IV: RETIREMENT PLANNING & ESTATE PLANNING Chapter 16: Retirement Planning Chapter 17: Estate Planning Appendix A: 99 Ways to Cut Costs Every Day Appendix B: Financial Tables Appendix C: Homeowners 3 (Special Form) Insurance Policy Appendix D: Personal Auto Policy

Personal Finance for the Real World teaches the basics of personal finance by involving the reader in various financial exercises and eventually constructing a personal financial plan. Users not only track their spending for a month, but also set personal financial goals and incorporate them into a realistic budget. This book also teaches time-value of money calculations, which enable readers to calculate their necessary monthly savings in order to reach targeted investment goals. This book conducts a thorough review of credit, complete with strategies to pay off credit card and other forms of debt. It features discussions on student debt as well, with particular attention to appropriate pay-down strategies and the financial payoffs to different academic majors. Personal Finance for the Real World immerses users in real and purposeful financial activities, while teaching personal finance vocabulary and encouraging readers to take seriously the financial side of their lives.

Revised edition of author's Personal financial literacy, copyrighted 2010.

Take stock of your financial situation From budgeting, saving, and reducing debt, to making timely investment choices and planning for the future, Personal Finance For Dummies provides fiscally conscious readers with the tools they need to take charge of their financial life. This new edition includes coverage of an extensive new tax bill that took effect in 2018 and the impact on individuals, families, small businesses, and on real estate and investing decisions. Plus, it covers emerging investing interests like technology and global investing, cryptocurrencies, pot stocks, the lifestyle changes occurring with millennials, and more. Evaluate and manage your financial fitness Assess your credit report and improve your score Make smart investments in any economic environment Find out about international investing The expert advice offered in Personal Finance For Dummies is for anyone looking to ensure that their finances are on the right track and to identify the areas in which they can improve their financial strategies.

Create a solid pathway for financial success Millennials often confront greater difficulties—including economic uncertainty and student debt—than those who came before them. This new financial responsibility can be intimidating, and many people are unsure where to begin. Personal Finance in Your 20s & 30s For Dummies will help Millennials to be confident about managing their finances and get on a clear path toward financial security. Inside, trusted financial advisor Eric Tyson shows students and recent grads how to make smart financial decisions in order to pay off student loans, avoid any additional debt, and create a solid plan to ensure their financial success. From avoiding common money mistakes to making informed investment choices, Personal Finance in Your 20s & 30s For Dummies covers it all! Build a foundation through smart spending and saving Rent, buy, or sell a house File taxes the right way Protect your finances and identity in the digital world Get ready to forge your own path to financial security!

There is increasing pressure for all of us to take responsibility for our own financial security and wellbeing, but we often overlook how the benefits that come with a job can help us do that. Essential Personal Finance: A Practical Guide for Employees focuses on these valuable work benefits and shows how you can build on this important foundation to achieve financial security and your life goals. This unique book explores how making effective and practical use of these work benefits (such as pension scheme, life cover, sick pay, cheap loans, savings schemes and even financial coaching), means facing up to the behavioural biases we are all plagued with. Given that these can get in the way of even the best intentions, Essential Personal Finance tackles these biases head-on with practical ideas and tips for overcoming or harnessing them for good, and will help you to develop a positive and fruitful relationship with your money. With financial stress being a major cause of absenteeism and sick leave, low morale and lost productivity, the advice in this book also offers employers enormous benefits. By empowering employees through financial education and financial awareness, progressive employers will help them feel more in control of their lives, and experience less stress, resulting in higher morale and productivity. Offering a distinctive approach which combines academic insight with practical financial wisdom and tools, this is a must-have book for all employees. It will help you make the most of everything your job has to offer so you can worry less about money and live life to the full.

Encourage students to become financially responsible with Personal Finance for grades 5 and up! This 80-page workbook features eight chapters of valuable financial information. It includes reproducibles and activities that focus on setting income goals, different types of bank accounts, insurance, investments, and taxes. For students, learning personal finance is an investment in the future!

Encourage students to apply financial concepts to their own lives. Chapters include explanations and student activities focusing on banking, insurance, and investments.
