Phonics Made Easy Flash Action Software Makes Learning Fun ...

Well here's a cute and colorful set of beginning sounds flash cards you can use to help get them started. These are great for helping your little ones to recognize what the different letters look like and start listening for the initial sounds in words. This pack contains 26 different beginning sounds cards one for every letter of the alphabet. I've made them all lower case as these are the main letters they will come across when learning to read.

EXCELLENT - Phonics Made Easy Flash Cards will help your child understand the sounds of letters and letter combinations, which make learning to read and spell easy. Phonics is one of the best ways to help your child learn letter sounds and how letter combinations blend together; the basics for words and reading.

Uses colorful pictures to introduce letter sounds. The parent

card includes additional activities and games.

This set consists of flash cards and a wall chart for classroom use. On one side of each card is a phonogram to display to your class and on the reverse side is teaching information for you. The correlated wall chart does indeed make phonics plain as you can see everything organized into ten manageable groups. You CAN teach them. Your children CAN learn. Instructions are included. Additional examples and explanations can be found in the excellent reference work ABC's and All Their Tricks.

Each card shows a picture of a familiar word, its alphabetical spelling and breakdown of its phonetic components, with one

Download Ebook Phonics Made Easy Flash Cards

card for each of the 44 basic phonemes in English. Synthetic phonic learning is the process of reading by sounding the individual sounds of a word and then blending them together to read the word as a whole.

Whether your child is learning sight words, vowels, or math, we have a flash card set for you. Flash cards are an important tool for learning basic skills such as phonics or math, and are indispensable aids for review of these important topics. All of our flash cards are made of durable stock for years of use. Their bold print makes them easy to read, and rounded corners provide for instant sorting. Each set contains 100 cards. Easy Blends and Digraphs uses vivid colors and large bold printing to keep students' attention focused on the

book.

The Build a Word flashcard set contains 100 flashcards to help children begin to recognize single sounds and blends, as well as introduce the idea that some sounds can be spelled differently, but sound the same. Children can begin to form words of their own as they develop their reading confidence.

Flash Kids Flash Cards offer essential practice in key concepts such as multiplication, division, the alphabet, sight words, and state capitals. Containing 88 cards in each package, these cards are sturdier than others on the market.
