Introduction and explanation of each print by the artist.

Celebrate the thirtieth anniversary of the Newbery Honor—winning survival novel Hatchet with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. Hatchet has also been nominated as one of America ' s best-loved novels by PBS ' s The Great American Read. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother ' s infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.

Morie Sawataishi lives a life that is radically unconventional by any standard but almost absurd in blatantly conformist Japan. Journalist Martha Sherrill provides a profound look at what it takes to be an individualist in a culture where rebels are rare.

Books for All Kinds of Readers Read HowYouWant offers the widest selection of on-demand, accessible format editions on the market today. Our 7 different sizes of EasyRead are optimized by increasing the font size and spacing between the words and the letters. We partner with leading publishers around the globe. Our goal is to have accessible editions simultaneously released with publishers' new books so that all readers can have access to the books they want to read. To find more books in your format visit www.readhowyouwant.com

Fans of Alice Sebold and John Green will be transfixed by this sophisticated, edgy debut novel packing dark humor, biting wit, and a lot of Jack Daniels. Who put the word fun in funeral? I can ' t think of anything fun about Rachel ' s funeral, except for the fact that she won ' t be there. Aubrey Glass has a collection of potential suicide notes—just in case. And now, five years—and five notes—after leaving her hometown, Rachel ' s the one who goes and kills herself. Aubrey can ' t believe her luck. But Rachel ' s death doesn ' t leave Aubrey in peace. There ' s a voicemail from her former friend, left only days before her death, that Aubrey can ' t bring herself to listen to—and worse, a macabre memorial-turned-high-school reunion that promises the opportunity to catch up with everyone . . . including the man responsible for everything that went wrong between Aubrey and Rachel. In the days leading up to the funeral and infamous after party, Aubrey slips seamlessly between her past and present. Memories of friendship tangle with painful new encounters while underneath it all Aubrey feels the rush of something closing in, something she can no longer run from. And when the past and present collide in one devastating night, nothing will be the same again. But facing the future means confronting herself and a shattering truth. Now, Aubrey must decide what will define her: what lies behind . . . or what waits ahead.

"The third of a three-year sequence of courses designed to prepare students for a rigorous college preparatory algebra course. It uses a problem-based approach with concrete models. The course helps students to develop multiple strategies to solve problems and to recognize the connections between concepts" -- publisher's website.

The Philosophy of Composition Edgar Allan Poe "The Philosophy of Composition" is an essay by Edgar Allan Poe. Edgar Allan Poe (born Edgar Poe; January 19, 1809 - October 7, 1849) was an American author, poet, editor, and literary critic, considered part of the American Romantic Movement. Best known for his tales of mystery and the macabre, Poe was one of the earliest American practitioners of the short story, and is generally considered the inventor of the detective fiction genre. He is further credited with contributing to the emerging genre of science fiction. He was the first well-known American writer to try to earn a living through writing alone, resulting in a financially difficult life and career. Born in Boston, he was the second child of two actors. His father abandoned the family in 1810, and his mother died the following year. Thus orphaned, the child was taken in by John and Frances Allan, of Richmond, Virginia. Although they never formally adopted him, Poe was with them well into young adulthood. Tension developed later as John Allan and Edgar repeatedly clashed over debts, including those incurred by gambling, and the cost of secondary education for the young man. Poe attended the University of Virginia for one semester but left due to lack of money. Poe quarreled with Allan over the funds for his education and enlisted in the Army in 1827 under an assumed name. It was at this time his publishing career began, albeit humbly, with an anonymous collection of poems, Tamerlane and Other Poems (1827), credited only to "a Bostonian." With the death of Frances Allan in 1829, Poe and Allan reached a temporary rapprochement. Later failing as an officer's cadet at West Point and declaring a firm wish to be a poet and writer, Poe parted ways with John Allan. Poe switched his focus to prose and spent the next several years working for literary journals and periodicals, becoming known for his own style of literary criticism. His work forced him to move among several cities, including Baltimore, Philadelphia, and New York City. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

A narrative poem about the death of Elaine, "the lily maid of Astolat".

This comprehensive guide to the history of literary criticism from antiquity to the present day provides an authoritative overview of the major movements, figures, and texts of literary criticism, as well as surveying their cultural, historical, and philosophical contexts. Supplies the cultural, historical and philosophical background to the literary criticism of each era Enables students to see the development of literary criticism in context Organised chronologically, from classical literary criticism through to deconstruction Considers a wide range of thinkers and events from the French Revolution to Freud ' s views on civilization Can be used alongside any anthology of literary criticism or as a coherent stand-alone introduction
