Deathless Powers of the Sun, the Moon, Mercury, Venus, Mars, Jupiter & Saturn has shaped the development of magick for many thousands of years. Their influence can be seen permeating many of the modern Western Esoteric Traditions, who are the inheritors of the wisdom & knowledge passed down through the ages. From Ancient Sumeria, to the Greeks, the Romans, the early Qabalists, the Medieval & Renaissance Grimoire Magickians through to the Victorian Occult Societies, the influence of the planets is clearly present in the symbolism of their ceremonies, practices & beliefs. Reconnect with the natural world using the magick of the five elements of earth, air, water, fire, and spirit—written by one of the grand dames of witchcraft and magick. For more than a thousand years, alchemists and magicians have worked with the four elements of the universe. While most spiritual seekers have a basic knowledge of these four elements, and the more nebulous fifth

element, spirit, few realize that the energies of the elements are a key to their magical practice. Elemental Magick offers readers insight into the inner teachings of the elements. Author D. J. Conway explains in depth the forces behind the elements and how they provide a framework for literally everything in the universe. She also explains the all-important and powerful element of spirit that belongs to each of the other elements and how these intimate connections allow the magickal energy to flow in a continuous circle of existence. By learning how to work with and balance the elements and

around them using simple, everyday practices in order to attune themselves to nature, the seasons, and the cosmos for magical purposes. The author explores earth, mineral, and plant magic as well as the magical properties of the earth's cycles and concentrated places of power within the landscape. He examines magical workings with animals, drawing on authentic traditions such as the Toadsmen or Toadswomen, whose power is given by toads, and the Berserker qualities conferred by magical bondings with wild animals like bears and wolves. He explains how to craft your own magical talismans, wands, and divining rods;

the elemental energies around us, we can work with nature for personal development, spiritual empowerment, and the successful achievement of our desires

The ways of magic are revealed in nature . . . . The secrets are written in meandering streams and drifting clouds, whispered by the roaring ocean and cooling breeze, echoed through caves and rocks and forests. When you draw a heart in the sand, call on the four winds for assistance, or ask the rain to wash away a bad habit, you are practicing earth magic. By working in harmony with nature, we
