Read and Download Ebook Psychology Myers 7th Edition PDF at Public Ebook Library PSYCHOLOGY MYERS 7TH EDITION PDF DOWNLOAD: PSYCHOLOGY MYERS 7TH EDITION PDF Psychology Myers 7th Edition. Book lovers, when you need a new book to read, find the book here. Never worry not to find what you need. Is the Psychology Myers 7th Edition your needed book now?

This new edition provides a state-of-the-art introduction to psychology that merges the rigor of science with a broad human perspective. All the Myers' hallmarks are here—the vivid presentation, intense attention to detail and currency in the field, research-based study aids and media learning tools, and above all, the inviting, authorial voice of David Myers that speaks to the life experiences of all kinds of students.

"This is a book I (David) secretly wanted to write. I have long believed that what is wrong with all psychology textbooks (including those I have written) is their overlong chapters. Few can read a 40-page chapter in a single sitting without their eyes glazing and their mind wandering. So why not organize the discipline into digestible chunks—say forty 15-page chapters rather than fifteen 40-page chapters—that a student could read in a sitting, with a sense of completion? Thus, when McGraw-Hill psychology editor Chris Rogers first suggested that I abbreviate and restructure my 15-chapter, 600-page Social Psychology into a series of crisply written 10-page modules, I said "Eureka!" At last a publisher willing to break convention by packaging the material in a form ideally suited to students' attention spans. By presenting concepts and findings in smaller bites, we also hoped not to overload students' capacities to absorb new information. And, by keeping Exploring Social Psychology slim, we sought to enable instructors to supplement it with other reading"--

This ninth modular edition of David G. Myers' 'Psychology' includes expanded coverage of the most recent developments in the dynamic fields of cognitive science, neuroscience, cultural and gender diversity, and industrial/organisational psychology.

An introduction to psychology course. The author's updating and integrated use of the SQ3R learning system (Survey, Question, Read, Rehearse, Review) help to make the text accessible. A comprehensive supplements package is available to help both students and instructors.

Why Myers? David Myers has become the world's best-selling introductory psychology author by serving the needs of instructors and students so well. Each Myers textbook offers an impeccable combination of up-to-date research, well-crafted pedagogy, and effective media and supplements. Most of all, each Myers text demonstrates why this author's style works so well for students, with his signature compassionate, companionable voice, and superb judgment about how to communicate the science of psychology and its human impact. Why Modules? This modules-based version of Myers' best-selling, full-length text, Psychology (breaking down that book's 16 chapters into 59 short modules) is yet another example of the author's ability to understand what works in the classroom. It comes from Myers' experiences with students who strongly prefer textbooks divided into briefer segments instead of lengthier chapters, and with instructors who appreciate the flexibility offered by the modular format. Modular organization presents material in smaller segments. Students can easily read any module in a single sitting. Self-standing modules. Instructors can assign modules in their own preferred order. The modules make no assumptions about what students have previously read. Illustrations and key terms are repeated as needed. This modular organization of short, stand-alone text units enhances teacher flexibility. Instead of assigning the entire Sensation and Perception chapter, instructors can assign the module on vision, the module on hearing, and/or the module on the other senses in whatever order they choose. Watch our new videos from David Myers here, including our animation on THE TESTING EFFECT narrated by David Myers.

Already The Bestselling AP* Psychology Author, Myers Writes His First Exclusive AP* Psych Text Watch Dave G. Myers introduce this new text here. Watch instructor video reviews here. David G.
