states the conclusion brings us up-
to-date with debates over the

Download File PDF Putin Russia S Choice

question of democracy in Russia today and the nature of Putin ' s leadership and his place in the world. Putin is essential reading for all scholars and students of Russian politics.

The volume provides a

Download File PDF Putin Russia S Choice

retrospective analysis of Putin ' s eight years as president between 2000 and 2008. An international group of leading specialists examine Putin ' s leadership in an informed and balanced manner. The authors are drawn from Russia itself, as well as from

Download File PDF Putin Russia S Choice

Europe, America and Australasia. Coverage includes general analysis of the Putin presidency, the ideology underlying the thinking of the regime, issues of institutional development including coverage of parties, parliament and elections, developments in the federal

Download File PDF Putin Russia S Choice

system, corruption and changes in the configuration of the elite. The impact of energy on changes in political economy provides the background to an assessment of Russia ' s re-emergence as a great power in international affairs, accompanied by analysis of the

Download File PDF Putin Russia S Choice

difficulties in Russia ' s relations with its former Soviet neighbours and the European Union. The authors examine the interaction between power and policy, and draw some conclusions about the dynamics of Putin ' s system of government and thus of the fate of

Download File PDF Putin Russia S Choice

Russia. This book was published as a special issue of Europe-Asia Studies.

In the tradition of Hedrick Smith's The Russians, Robert G. Kaiser's Russia: The People and the Power, and David Remnick's Lenin's Tomb

Download File PDF Putin Russia S Choice

comes an eloquent and eye-opening chronicle of Vladimir Putin's Russia, from this generation's leading Moscow correspondents. With the 1991 collapse of the Soviet Union, Russia launched itself on a fitful transition to Western-style

Download File PDF Putin Russia S Choice

democracy. But a decade later, Boris Yeltsin's handpicked successor, Vladimir Putin, a childhood hooligan turned KGB officer who rose from nowhere determined to restore the order of the Soviet past, resolved to bring an end to the revolution. Kremlin

Download File PDF Putin Russia S Choice

Rising goes behind the scenes of contemporary Russia to reveal the culmination of Project Putin, the secret plot to reconsolidate power in the Kremlin. During their four years as Moscow bureau chiefs for The Washington Post, Peter Baker and Susan Glasser witnessed

Download File PDF Putin Russia S Choice

firsthand the methodical campaign to reverse the post-Soviet revolution and transform Russia back into an authoritarian state. Their gripping narrative moves from the unlikely rise of Putin through the key moments of his tenure that re-centralized power

Download File PDF Putin Russia S Choice

into his hands, from his decision to take over Russia's only independent television network to the Moscow theater siege of 2002 to the "managed democracy" elections of 2003 and 2004 to the horrific slaughter of Beslan's schoolchildren in 2004, recounting

Download File PDF Putin Russia S Choice

a four-year period that has changed the direction of modern Russia. But the authors also go beyond the politics to draw a moving and vivid portrait of the Russian people they encountered -- both those who have prospered and those barely surviving -- and

Download File PDF Putin Russia S Choice

show how the political flux has shaped individual lives. Opening a window to a country on the brink, where behind the gleaming new shopping malls all things Soviet are chic again and even high school students wonder if Lenin was right after all, Kremlin Rising

Download File PDF Putin Russia S Choice

features the personal stories of Russians at all levels of society, including frightened army deserters, an imprisoned oil billionaire, Chechen villagers, a trendy Moscow restaurant king, a reluctant underwear salesman, and anguished AIDS patients in Siberia.

Download File PDF Putin Russia S Choice

With shrewd reporting and unprecedented access to Putin's insiders, Kremlin Rising offers both unsettling new revelations about Russia's leader and a compelling inside look at life in the land that he is building. As the first major book on Russia in years, it is

Download File PDF Putin Russia S Choice

an extraordinary contribution to our understanding of the country and promises to shape the debate about Russia, its uncertain future, and its relationship with the United States.

This book builds on the strengths

Download File PDF Putin Russia S Choice

of the previous volumes by the same author to provide the most detailed and nuanced account of the man, his politics and his profound influence on Russian politics, foreign policy and society. However, this is not a new edition of the earlier books but is an

Download File PDF Putin Russia S Choice

entirely new work. The focus now is on the dilemmas of power since 2008. There is a brief biographical sketch of Vladimir Putin and much analysis of his ideas and policies, but the book now focuses on the systemic contradictions that have created a blockage on

Download File PDF Putin Russia S Choice

modernisation and a stalemate in politics, Putin's role as Prime Minister since 2008 and his political successes and failures, analysis of the implications of Putin's third term as President and the 2011-12 electoral cycle and the ensuing crisis which led to

Download File PDF Putin Russia S Choice

thousands protesting on the streets This work assesses the achievements and failing of Putin ' s rule, but above all tries to make sense of contemporary developments. This is the definitive account of Putin and is essential reading for all scholars

Download File PDF Putin Russia S Choice

and students of Russian politics.

How Putin's autocracy undercut Russia's economy and chances for democracy During his nearly twenty years at the center of Russian political power, Vladimir Putin has transformed the vast

Download File PDF Putin Russia S Choice

country in many ways, not all of them for the better. The near-chaos of the early post-Soviet years has been replaced by an increasingly rigid authoritarianism, resembling a hard-fisted monarchy more than the previous communist dictatorship. Putin's early years in

Download File PDF Putin Russia S Choice

power saw rapid economic growth, averaging nearly 7 percent annually, and the rise of Moscow as a vibrant European-style city. But a slowdown during the second half of Putin's administration, since 2009, has resulted in the stagnation of the economy,

Download File PDF Putin Russia S Choice

especially in the hinterlands, with few signs of a possible turnaround. What accounted for these changes in Russia? Sergey Aleksashenko, a former top Russian finance official and then private businessman, lays the blame squarely on Putin himself, even more than external

Download File PDF Putin Russia S Choice

factors such as the sharp fall in oil prices or Western sanctions after Russia's annexation of Crimea in 2014. In his relentless drive to consolidate power in his own hands, Aleksashenko writes, Putin has destroyed the very idea of competition for political power. He

Download File PDF Putin Russia S Choice

has done so by systematically undercutting basic political institutions of the post-Soviet Russian state, including independent power centers such as the parliament, the judiciary, and a free media. In the economic realm, Putin effectively

Download File PDF Putin Russia S Choice

undermined Russia's still-emerging and very fragile system for protecting property rights—the basis of all economic activity. This in turn caused a sharp decline in private investment and thus contributed to the long-term economic slowdown. One result of

Download File PDF Putin Russia S Choice

Putin's rule was the destruction of the emerging checks and balances system in Russia, and that would be a major problem for Russia if and when it decides to become a "normal" democratic country based on Western values. In describing how all this happened,

Download File PDF Putin Russia S Choice

Aleksashenko's book offers universal lessons in the necessity of checks and balances in any political system—as well as in the importance of vibrant political institutions for economic growth.

In this book Richard Sakwa

Page 70/100

Download File PDF Putin Russia S Choice

provides a new analysis of the end of the Cold War and the subsequent failure to create a comprehensive and inclusive peace order in Europe. The end of the Cold War did not create a sustainable peace system. Instead, for a quarter of a century a 'cold

Download File PDF Putin Russia S Choice

peace' reflected the tension between cooperative and competitive behaviour. None of the fundamental problems of European security were resolved, and tensions accumulated. In 2014 the crisis exploded in the form of conflict in Ukraine, provoking what

Download File PDF Putin Russia S Choice

some call a 'new Cold War'. Russia against the Rest challenges the view that this is a replay of the old conflict, explaining how the tensions between Russia and the Atlantic community reflect a global realignment of the international system. Sakwa provides a

Download File PDF Putin Russia S Choice

balanced and carefully researched analysis of the trajectory of European and global politics since the late 1980s.

The arrest of Mikhail Khodorkovsky, the head of the Yukos oil company, on 25 October

Download File PDF Putin Russia S Choice

2003, was a key turning point in modern Russian history. At that time Khodorkovsky was one of the world's richest and most powerful men, while Yukos had been transformed into a vast and lucrative oil company that was set to go global. On all counts, this

Download File PDF Putin Russia S Choice

looked like a success story, but it was precisely at this moment that the Russian authorities struck. After two controversial trials, attracting widespread international condemnation, Khodorkovsky was sentenced to fourteen years in jail. In this book, Richard Sakwa

Download File PDF Putin Russia S Choice

examines the rise and fall of Yukos, and the development of the Russian oil industry more generally. Sakwa analyses Russia's emergence as an energy superpower, and considers the question of the 'natural resource curse' and the use of energy rents

Download File PDF Putin Russia S Choice

to bolster Russia as a great power and to maintain the autonomy of the regime. Crucially this book also examines the relationship between Putin's state and big business during Russia's traumatic shift from the Soviet planned economy to the market system. It

Download File PDF Putin Russia S Choice

is a detailed analysis of one of the most dramatic confrontations between economic and political power in our era, full of human drama and moral dilemmas. It is also a study of political economy, with the market and state coming into confrontation. Above all, the

Download File PDF Putin Russia S Choice

'Yukos affair' continues to shape contemporary Russian politics, with a weakened judiciary and insecure property rights. It traces the struggles of the Putin era as two visions of society came into conflict. The attack on Khodorkovsky had - and continues

Download File PDF Putin Russia S Choice

to have - far-reaching political and economic consequences but it also raises fundamental questions about the quality of freedom in Putin's Russia as well as in the world at large.

Applebaum, The Atlantic "This riveting, immaculately researched book is arguably the best single volume written about Putin, the people around him and perhaps even about contemporary Russia itself in the past three decades."
—Peter Frankopan, Financial Times

Download File PDF Putin Russia S Choice

Interference in American elections. The sponsorship of extremist politics in Europe. War in Ukraine. In recent years, Vladimir Putin ' s Russia has waged a concerted campaign to expand its influence and undermine Western institutions. But how and why did

Download File PDF Putin Russia S Choice

all this come about, and who has orchestrated it? In *Putin 's People*, the investigative journalist and former Moscow correspondent Catherine Belton reveals the untold story of how Vladimir Putin and the small group of KGB men surrounding him rose to power and

Download File PDF Putin Russia S Choice

looted their country. Delving deep into the workings of Putin ' s Kremlin, Belton accesses key inside players to reveal how Putin replaced the freewheeling tycoons of the Yeltsin era with a new generation of loyal oligarchs, who in turn subverted Russia ' s

Download File PDF Putin Russia S Choice

economy and legal system and extended the Kremlin's reach into the United States and Europe. The result is a chilling and revelatory exposé of the KGB ' s revanche—a story that begins in the murk of the Soviet collapse, when networks of operatives were able

Download File PDF Putin Russia S Choice

to siphon billions of dollars out of state enterprises and move their spoils into the West. Putin and his allies subsequently completed the agenda, reasserting Russian power while taking control of the economy for themselves, suppressing independent voices,

Download File PDF Putin Russia S Choice

and launching covert influence operations abroad. Ranging from Moscow and London to Switzerland and Brooklyn ' s Brighton Beach—and assembling a colorful cast of characters to match—Putin ' s People is the definitive account of how hopes for

Download File PDF Putin Russia S Choice

the new Russia went astray, with stark consequences for its inhabitants and, increasingly, the world.

The Russian protests, sparked by the 2011 Duma election, have been widely portrayed as a colourful but

Download File PDF Putin Russia S Choice

inconsequential middle-class rebellion, confined to Moscow and organized by an unpopular opposition. In this sweeping new account of the protests, Mischa Gabowitsch challenges these journalistic clichés, showing that they stem from wishful thinking

Download File PDF Putin Russia S Choice

and media bias rather than from accurate empirical analysis.

Drawing on a rich body of material, he analyses the biggest wave of demonstrations since the end of the Soviet Union, situating them in the context of protest and social movements across Russia as a

Download File PDF Putin Russia S Choice

whole. He also explores the legacy of the protests in the new era after Ukraine's much larger Maidan protests, the crises in Crimea and the Donbass, and Putin's ultra-conservative turn. As the first full-length study of the Russian protests, this book will be of great

Download File PDF Putin Russia S Choice

value to students and scholars of Russia and to anyone interested in contemporary social movements and political protest.

In this rich and novelistic tour of contemporary Russia, Joshua Yaffa introduces readers to some of the

Download File PDF Putin Russia S Choice

country's most remarkable figures from politicians and entrepreneurs to artists and historians who have built their careers and constructed their identities in the shadow of the Putin system. Torn between their own ambitions and the

Download File PDF Putin Russia S Choice

omnipresent demands of the state, each walks an individual path of compromise. Some muster cunning and cynicism to extract all manner of benefits and privileges from those in power. Others, finding themselves to be less adept, are left broken and demoralized. What

Download File PDF Putin Russia S Choice

binds them together is the tangled web of dilemmas and contradictions they face. Between Two Fires chronicles the lives of a number of strivers who understand that their dreams are best or only realized through varying degrees of cooperation with the

Download File PDF Putin Russia S Choice

Russian government. With sensitivity and depth, Yaffa profiles the director of the countrys main television channel, an Orthodox priest at war with the church hierarchy, a Chechen humanitarian who turns a blind eye to persecutions, and many others.

Download File PDF Putin Russia S Choice

The result is an intimate and probing portrait of a nation that is much discussed yet little understood. By showing how citizens shape their lives around the demands of a capricious and frequently repressive state as often by choice as under threat of

Download File PDF Putin Russia S Choice

forceYaffa offers urgent lessons about the true nature of modern authoritarianism.
