It had taken Syd most of her trip to get her head around spending even a couple nights in Fairbanks to fulfill her duties as bridesmaid at the star-studded nuptials. She'd already carved out some stellar excuses to get out of the less important stuff - anything to minimize the amount of time she had to be in her hometown.

bachelor party too. Petit fours adorned with rose petals, she can handle. A cake shaped like boobs for the sexiest guy in the universe? She's not so sure. But this is the chance of a lifetime and she refuses to screw it up by being a prude... When a sexy stripper dressed as a Plain Jane crashes the bachelor party, Laz is all about getting vertical and making some music with her. Too bad his stripper is really the caterer and the bride's best friend. After a kiss between them blazes out of control, he can't seem to stop thinking about sweet little Syd. But everybody knows, life on the road and love don't mix...

Entertainment journalist Lita Matthews is on the verge of making it big. As in her-own-TV-show big. She just needs amazing inside scoop on the year's hottest celebrity wedding. Instead, her big break is becoming a big nightmare—all thanks to rock star Rocky Cardano. Who apparently hasn't gotten over what happened between them four years ago... Rocky is pretty damn familiar with just how far Lita will go for a "scoop." Hell, their unbelievably hot hook-up in Mexico years ago was the story of a lifetime. Rocky's learned his lessons. He'll do whatever it takes to keep her from the story—even if he has to seduce her to the point of distraction! But Lita has always had a way of getting under his skin. Only this time, he won't be able to just walk away...

Old rock stars never die, they simply make a come back! For Vince Pearl, the chance to kick-start his rock career was too good to be true, but he never realised that dying on stage would propel his star back into ascendance. From the spirit world, he discovers how to harness the powers of the undead, contact his family and stage a musical comeback the likes of which have never been seen before. A romp through the spirit and music world, guaranteed to raise a smile, keep you turning the page and discover who really is behind the death of the world's leading rock and roll stars.

An epic tale of a guy called Angus Hereford, some porpoises, and the greatest rock'n'roll band since three pm yesterday. The plot takes bold leaps into the stratosphere. These flights of fancy carry us on a surreal, twisted, ironic, comedic journey; from a dull life in suburbia to interplanetary rock'n'roll stardom. From stuck at the bus stop to performing sold-out mega-gigs on Saturn.

From playboy—to father and husband? Hunter Torrance, former Demons hockey star, is back—now as the team physiotherapist. And while team doctor Charlotte Michaels doesn't believe he's changed his playboy ways, the attraction between them is undeniable! Hunter has worked hard at becoming a father to little Alfie, his newly found son. With Charlotte's help, he knows he can be—though she guards her heart as fiercely as he does his. He's sure they could be a family—if only they can take the risk!

At the age of eighteen Lucy Wadham ran away from English boys and into the arms of a Frenchman. Twenty-five years later, having married in a French Catholic Church, put her children through the French educational system and divorced in a French court of law, Wadham is perfectly placed to explore the differences between Britain and France. Using both her personal experiences and the lessons of French history and culture, she examines every aspect of French life - from sex and adultery to money, happiness, race and politics - in this funny and engrossing account of our most intriguing neighbour.

An updated look at global trade and why it remains as controversial as ever Free trade is always under attack, more than ever in recent years. The imposition of numerous U.S. tariffs in 2018, and the retaliation those tariffs have drawn, has thrust trade issues to the top of the policy agenda. Critics contend that free trade brings economic pain, including plant closings and worker layoffs, and that trade agreements serve corporate interests, undercut domestic environmental regulations, and erode national sovereignty. Why are global trade and agreements such as the Trans-Pacific Partnership so controversial? Does free trade deserve its bad reputation? In *Free Trade under Fire*, Douglas Irwin sweeps aside the misconceptions that run rampant in the debate over trade and gives readers a clear understanding of the issues involved. In its fifth edition, the book has been updated to address the sweeping new policy developments under the Trump administration and the latest research on the impact of trade.

Provides a comprehensive survey of the key events and personalities of this period.

Whether it's hanging around with Marillion's Fish in Berlin, seeing Whitesnake fail to ignite 1985's *Rock in Rio*, talking through old times with Jimmy Page in his Berkshire pile or following Ozzy Osbourne to Moscow, there isn't a rock luminary that Wall hasn't cross-examined or kept the flame burning with at some point over the last thirty years. Here, amongst several pieces, he catches Lars Ullrich just on the cusp of world domination; has dinner with Ritchie Blackmore on the eve of a Deep Purple comeback; and is up all night in LA with W. Axl Rose. *APPETITE FOR DESTRUCTION* gathers together Wall's journalism for *Kerrang!*, for whom he was the star writer in their eighties heyday. It also features brand-new introductions to all the pieces, written with maybe less hair but also the benefit of twenty years' hindsight.
