Return from the Stars is a science fiction novel by Polish author Stanisław Lem. Written in 1961, it is the story of a cosmonaut returning to his homeworld, Earth, after more than a century in Earth time, but just 10 years for him, finding it a completely different place. The novel touches the physics of special relativity and the ideas of social alienation, culture shock and dystopia. It was first translated into English in 1980 by Barbara Marszal and Frank Simpson.

Return from the Stars is a mutiny against the total conformity and insipid living in the entirely uniform society. " Beneath a dome supported by cracked, crumbling columns stood a woman, as though she had been waiting for me. I saw her face now, the flow of sparks in the diamond disks that hid her ears, the white – in the shadow, silvery ...

To the Stars is an album by American jazz fusion group the Chick Corea Elektric Band, released on August 24, 2004 by Stretch Records. Jazz musician Chick Corea, a longtime member of the Church of Scientology, was inspired by Scientology founder L. Ron Hubbard's science fiction 1954 novel To the Stars. Hubbard's book tells the story of an interstellar crew which experiences the effects of time dilation due to traveling at near light speed. A few days experienced by the ship's crew could amount to

Buck Reilly's a lot like the rest of us -- trying to make ends meet and hoping for better times. He's living in a Key West hotel and operates Last Resort Charter and Salvage aboard a 1946 Grumman Widgeon flying boat, hunting for sunken treasure and taking on an occasional passenger, no questions asked. But when he delivers a mysterious woman to a mission boat destined for Cuba, things start going downhill quick. He faces down the dark forces of Santeria priests, Cuban Secret Police, and an FBI agent with a grudge. Buck has nothing but ingenuity to save his skin and the lives he put in peril ... and prevent a war with America's longest-running enemy ... When you see the world through Buck Reilly's eyes, the view will never be the same. About the Author John H. Cunningham, outdoorsman, world traveler, and aviation enthusiast, is a commercial real estate professional and former editor. He lives in Virginia with his wife and two daughters. "Red Right Return" is his first novel. Visit the author online at www.jhcunningham.com. Endorsement "'Red Right Return" is a high-energy romp through the streets of Key West and the skyways of the Florida Straits. Cunningham's treasure-hunting, amphibian-flying hero, Buck Reilly, could be a reincarnation of Travis McGee with wings. RRR is the first in what will surely be a series of classic Florida adventure novels. Great fun, highly recommended." "Robert Gandt, author of the Brick Maxwell series"

'Highly Engaging' - Sunday Herald 'You could easily make a case that Andrew Greig has the greatest range of any living Scottish writer' - Scotsman The wager To poach a salmon, grouse and a deer from three Royal Estates. The challengers Three men in a mid-life crisis who should know better. The wild card A flirtatious female journalist who won't take no for an answer. Striding over the Scottish Highlands with a poet's eye on the wilderness and a firm grip on the adventure, Andrew Greig re-imagines John Buchan's classic novel with a little less tweed, a little more sex, and just the right measure of whisky.

Compelling and revealing information in the form of papers and diaries have recently been found in private collections materials which provide greater insight into the events leading up to the assassination of Lincoln as well as details of the pursuit and capture of the man the government claimed was Booth. This new information along with a critical reexamination of the traditional historical materials provide more than sufficient reason to challenge the long-held assumption that John Wilkes Booth was killed by government agents in Virginia. Leading the reader through a series of amazing coincidences and details, this book presents startling evidence that John Wilkes Booth, the assassin of President Abraham Lincoln, was never captured, but escaped to live for decades, continue his acting career, marry, and have children!

Hot Hollywood agent Thomas Stein advocates on behalf of the peace-seeking Yherajk race, but finds his considerable negotiating talents challenged by his efforts to win humanity's trust in the ugly, bad-smelling aliens.

A man investigates the deaths of his fellow veterans in this " haunting and beautifully written " novel of post–World War I England (C. S. Harris, author of the Sebastian St. Cyr Mysteries). London, 1920. In the aftermath of the Great War and a devastating family tragedy, Laurence Bartram has turned his back on the world. But with a well-timed letter, an old flame manages to draw him back in. Mary Emmett 's brother, John—like Laurence, an officer during the war—has apparently killed himself while in the care of a remote veterans ' hospital, and Mary needs to know why. Aided by his friend—a dauntless gentleman with detective skills cadged from mystery novels—Laurence begins asking difficult questions. What connects a group of war poets, a bitter feud within John 's regiment, and a hidden love affair? Was his friend 's death really a suicide, or the missing piece in a puzzling series of murders? As veterans tied to John continue to turn up dead, and Laurence is forced to face the darkest corners of his own war experiences, his own survival may depend on uncovering the truth. At once a compelling mystery and an elegant literary debut, The Return of Captain John Emmett blends psychological depth with suspenseful storytelling that calls to mind the golden age of British crime fiction, " full of jolting revelations and quiet insights " (The Wall Street Journal). " A captivating wartime whodunit. " —The Boston Globe

Discusses the characteristics of falcons, the history and techniques of falconry, and attempts at saving these birds from extinction by breeding in captivity.

John Hinde was a pioneer of colour photography and one of the most successful postcard publishers in the world. His largest collection of postcards celebrated Ireland. He portrayed an island brightened by his imagination, a place where children were red-haired and freckled, the sun always shining, and the sky forever blue. His idealistic images were to become the stereotypical portrayal of Ireland for many years, and to this day elicit feelings of nostalgia from viewers worldwide. Return to Sender pairs Hinde's iconic, instantly recognisable postcards from the 1950s, '60s and '70s with corresponding contemporary photographs. The side-by-side contrast of these then-and-now photographs, wonderfully captured by photographer Paul Kelly, illustrates the ways Ireland's rural and urban landscapes have changed over the decades or, in some places, not changed at all.
