By New York Times bestseller Sarah Mayberry and USA Today bestseller Sarina Bowen The first time I lay eyes on Callan Walker, I know he'll be trouble. With his smug grin, hot Aussie accent and thousand dollar shoes, he's just the kind of rich guy who always gets what he wants. And he wants two things: a night of sin, and my cooperation as he outmaneuvers his powerful mother to take control of his uncle's estate. I can't afford either one. I'm the only thing standing between my little sister and the foster care system. He may have money and charm on his side, but I have something even more powerful — pure desperation. This temp job at his mother's company can become a full time job for me. It has to. But when Callan's eyes rake over my body, sometimes I forget my obligations. His piercing gaze finds the fun, optimistic girl I used to be and not the tired person I've become. And it works—if only for a moment. Our night together was a mistake. I can't afford to get sucked into his high-powered family's treachery. But the closer I get to Callan, the more layers I find beneath those expensive clothes. Though I can't forget this is temporary. He's temporary. I have too much to lose. Too bad my foolish heart didn't get the memo... **** Perfect for fans of: billionaire romance, Carly Phillips, Vi Keeland, Penelope Ward, Meghan March, Elle Kennedy, Kendall Ryan, and Lauren Blakely.

Before long Audrey is seriously falling for Zach—and indulging in an affair that's against company policy. And the stakes rise when it's clear only one of them can get ahead. So where do they draw the line between competition and love? Especially when she doesn't want to lose either the promotion or the guy....

Twelve years ago Zoe Ford let Liam Masters break her heart. But now? There's not a chance. Zoe is as tough and wild as they come. So when Liam shows up at her tattoo parlor, she's more than ready to take him on again. That's not going to be a hardship, since he's hotter than he ever was. This time she's staying in charge. And she's not going to consider their score settled until he's hot, bothered and begging for more! Then she'll move on as callously as he left her. Unless all that deliciously bad sex is just too good to give up....

From bed to baby to...bliss? A chance encounter. A steamy night together. That's all Rhys Walker signs on for when Charlotte "Charlie" Long sashays across his path. Sure, maybe he catches a glimpse of forever in her eyes. But the brush-off note the gorgeous brunette leaves the next morning says it all, doesn't it? Time to move on. Rhys never expects that moving on actually means reconnecting with Charlie. Or that her big news changes everything. Becoming a father now, under these circumstances, never factored into his plans. Yet he's not as upset as he thought. Because now he has the opportunity to explore that glimpse of forever...and turn it into reality.

He's everything she despises—a babe magnet with more notches on his belt than a millipede has legs.

Joe Lawson has a thing for his new neighbor Hannah Napier. As a single dad, he shouldn't be thinking what he is about her. Still, that doesn't stop them from getting close. Joe won't stand between her and her dreams, even though letting her go is nearly impossible. The holidays are looking grim, with him and his kids missing Hannah like crazy. But it is the season of surprises, and Hannah may have one for them!
