Umio is a shy kid who just started his part time job at a manga store smack dab in the middle of the city. But his lifestyle isn't as glamorous as the neon lights that illuminate the city. Umio's closest friends are his co-workers who are all unique characters, to say the least, and although they're nice people, they have their quirks. They are a tight knit group of friends, have nicknames for ...

From the cinema verité of the sixties to softer fare like *Splash*, New York has provided some of the most iconic moments on film. Beginning with a survey of such classics as *Breakfast at Tiffany's*, *Scenes from the City* captures how the changing face of New York, as well as the founding of the MOFTB, have contributed to a particular school of film characterized most emphatically in the street-style work of directors as diverse as Martin Scorsese and Spike Lee. With over 200 stills and contributions from noted New York film personalities such as Sidney Lumet and Nora Ephron, the book also includes rare, unpublished, behind-the-scenes shots and stories from the quintessential New York filmmaker himself—Woody Allen. With a special section on the landmark TV series, commercials and music videos filmed in New York, *Scenes from the City* is an affectionate and vivacious ovation for this captivating "character" that rarely receives billing but always steals the show.

There are three things you need to know about Fiona Archer... I would tell you what they are, but then I'd have to kill you. But I can tell you that Fiona's husband, the always irrepressible and often cantankerous Greg Archer, is desperately in love with his wife. Yet as the years pass, Greg has begun to suspect that Fiona is a ninja. A ninja mom. A ninja wife. A ninja friend. After fourteen years of marriage, Greg is trying not to panic. Because Fiona's talent for blending in is starting to resemble fading away. However, when unexpected events mean Fiona must take center stage to keep her family safe, her response stuns everyone—Greg most of all. It seems like Greg's wish has come true. Except... not. *Happily Ever Ninja* is book #5 in the *Knitting in the City* series. Each book is a standalone, full length (110k words), contemporary romantic comedy novel, and follows the misadventures and exploits of seven friends in Chicago, all members of the same knitting group.

There are three things you need to know about Elizabeth Finney: 1) She suffers from severe sarcastic syndrome, especially when she's unnerved, 2) No one unnerves her like Nico Manganiello, and 3) She knows how to knit. Elizabeth Finney is almost always right about everything: the musical merits of boy bands are undervalued by society, "benefits" with human Ken dolls are better without friendship, and the sun has set on her once-in-a-lifetime chance for true love. But when Elizabeth's plans for benefits without friendship are disarmed by the irritatingly charismatic and chauvinistic Nico Manganiello—her former nemesis—she finds herself struggling to maintain the electric fence around her heart while avoiding a Nico charisma-electrocution or, worse, falling in love. *Friends Without Benefits* is book #2 in the *Knitting in the City* series. Each book is a standalone, full length (110k words), contemporary romantic comedy novel, and follows the misadventures and exploits of seven friends in Chicago, all members of the same knitting group.

There are three things you need to know about Sandra Fielding: 1) She makes all her first dates cry, 2) She hasn't been kissed in over two years, and 3) She knows how to knit. Sandra has difficulty removing her psychotherapist hat. Of her last 30 dates, 29 have ended the same way: the man sobbing uncontrollably. After one such disaster, Sandra gives in to a seemingly harmless encounter with her hot waiter, Alex. Argumentative, secretive, and hostile Alex may be the opposite of everything Sandra knows is right for her. But now, the girl who has spent all her life helping others change for the better, must find a way to cope with falling for someone who refuses to change at all. Love Hacked is book #3 in the Knitting in the City series. Each book is a standalone, full length (110k words), contemporary romantic comedy novel, and follows the misadventures and exploits of seven friends in Chicago, all members of the same knitting group.

After just five months of dating Janie, Quinn-former Wendell and unapologetic autocrat-is ready to propose marriage. In fact, he's more than ready. If it were up to Quinn, he would efficiently propose, marry, and beget Janie with child all in the same day. But Janie, much to Quinn's dismay, tosses a wrench in his efficacious endeavors and challenges him to prove his devotion by going through the matrimonial motions, no matter how minute and mundane. Will Quinn last until the wedding day?
