Presents the adventures of Cole, Brent, Jade, Francis, Skull, and the rest of the staff of Player Vs. Player Magazine as they immerse themselves in the world of video and computer games.

The author of *The Mental Load* returns with more "visual essays which are transformative agents of change." After the success of *The Mental Load*, Emma continues in her new book to tangle with issues pertinent to women's experiences, from consent to the "power of love," from the care and attentiveness that women place on others' wellbeing and social cohesion, and how it constitutes another burden on women, to contraception, to the true nature of gallantry, from the culture of rape to diets, from safety in public spaces to retirement, along with social issues such as police violence, women's rights, and green capitalism. And, once more, she hits the mark.

An intense look at the rules of high school attraction -- and the price that's paid for them. It happens every year. A list is posted, and one girl from each grade is chosen as the prettiest, and another is chosen as the ugliest. Nobody knows who makes the list. It almost doesn't matter. The damage is done the minute it goes up. This is the story of eight girls, freshman to senior, "pretty" and "ugly." And it's also the story of how we see ourselves, and how other people see us, and the tangled connection of the two.

Kill Time Till Time Kills You. A neo-noir tale of love, memory and murder from legendary writer Ann Nocenti (*The Seeds*, *Daredevil*) and rising Italian artist Flavia Biondi (*La Generazione*) making her American comics debut. Ruby Falls is a sleepy town. But sleep brings nightmares, and 20-something Lana is about to wake up in the middle of her hometown's biggest secret: the "disappearance" of Betty Gallagher, who was infamous for her progressive ways during the mobster-ruled heyday of this old mining town. The dim details of this cold-case murder are trapped in the mind of her grandmother Clara, who suffers from dementia. When Clara starts to share these deeply-buried, violent memories with her, Lana is hooked. She becomes obsessed with cracking the case, even if it means snapping the minds of everyone involved, splintering the peaceful town--and putting herself in grave danger. Ruby Falls is a mystery woven through three generations of women, and hinging on their individual, intertwined fights for freedom. Collects *Ruby Falls* #1-#4.

Offers step-by-step illustrations teaching techniques for drawing a selection of male manga characters displaying a variety of poses and expressions.

When the last vestiges of his childhood are taken from him, Zerocalcare discovers unsuspected secrets about his family. Torn between the soothing numbness of the innocence of youth and the impossibility to elude society's ever expanding control over people's lives, he'll have to understand where he really comes from, before he understands where he is going.
