After the Grand Success of its 1st Edition, Disha launches the much powerful 2nd Edition of the book '10000+ Objective MCQs with Explanatory Notes for General Studies'.This 2nd Edition is updated with latest questions of UPSC, SSC, State PSC, RRB, Bank & other exams.Further outdated questions are removed and explanations are updated. The book has been divided into 8 sections which have been further divided into chapters containing 10000 "Multiple Choice Questions" for Revision purpose and final practice. The 8 sections are - History, Polity, Economics, Geography, Science and Technology, Ecology, General Knowledge and Current Affairs. The Unique Selling Proposition of the book is the explanation to each and every question which provides additional info to the students on the subject of the questions and correct reasoning wherever required. The questions have been selected on the basis of the various types of questions being asked in the various exams.

A book for everybody in India and abroad who wants to know anything about the Constitution of India during its first fifty years. Meets the requirements of the various Universities of India for the LL.B., LL.M., B.A. and M.A. (Political Science) and Competitive examinations held by the Union and State Public Service Commissions.

The 2017 edition of our popular title, General Studies Paper II is an all-inclusive guide for candidates preparing for the Civil Services examinations. Divided into seven section, it extensively covers topics such as Aptitude Building, Reading Comprehension, Interpersonal Skills, Communication Skills, Decision Making and Problem Solving, Logical Reasoning and Analytical Ability, General Mental Aptitude and Numerical Aptitude.

Conceptual Approach to CSAT (Paper II) endeavours to familiarize the student with CSAT, the new exam pattern introduced by the UPSC. It covers the all the topics in Paper II of the Civil Services Preliminary Examination in great detail, explains why these topics are now part of the examination, and offers insights from the author's practical experience of government functioning as an IAS officer.

Environment and Development-India's Viewpoint16. Global Warming and Climate Change 17.

The Siege by Adrian Levy & Cathy Scott-Clark - a searing account of the 2005 terrorist attacks at Mumbai's famous Taj Hotel On 26th November 2008 the Taj Mahal Palace hotel in Mumbai is besieged by Pakistani Islamists, armed with explosives and machine guns. For three days, guests and staff of the hotel are trapped as the terrorists run amok. On 29th November commandos launch Operation Black Tornado. The world holds its breath. The Siege is a helter-skelter thriller, threaded with powerful human stories. By turns tragic and heroic, the events are told through a cast of real characters, who were thrown together in the luxurious, century-old Taj: waiters, chefs, captains of industry, hedge funders, celebrities, tourists, policemen, special forces and terrorists. For the first time, this astonishing book takes us through the news footage and into the heart of the hotel. Each hostage has a choice: hide, run or fight. What would you do? This classic non-fiction account will grip readers of No Easy Day and No Way Down and will be enjoyed by fans of 'United 93' and 'The Towering Inferno'. Cathy Scott-Clark and Adrian Levy are the authors of four books, most recently the acclaimed The Meadow: Kashmir 1995 - Where the Terror Began (Harper Press UK, Penguin India). For 16 years they worked as foreign correspondents and investigative reporters for the Sunday Times and then the Guardian. In 2009, the One World Trust named them British Journalists of the Year, having won Foreign Correspondents of the Year in 2004. They co-produce documentaries for British and American television; their most recent for C4 Dispatches, on Pakistan's war on terror. City of Fear, was nominated for an award at the Edinburgh International Television Festival. Currently they are filming new projects in Myanmar and China.

A practical guide to the new economy that is transforming the way we live, work, and play. Uber. Airbnb. Amazon. Apple. PayPal. All of these companies disrupted their markets when they launched. Today they are industry leaders. What's the secret to their success? These cutting-edge businesses are built on platforms: two-sided markets that are revolutionizing the way we do business. Written by three of the most sought-after experts on platform businesses, Platform Revolution is the first authoritative, fact-based book on platform models. Whether platforms are connecting sellers and buyers, hosts and visitors, or drivers with people who need a ride, Geoffrey O. Parker, Marshall W. Van Alstyne, and Sangeet Paul Choudary reveal the what, how, and why of this revolution and provide the first "owner's manual" for creating a successful platform business. Platform Revolution teaches newcomers how to start and run a successful platform business, explaining ways to identify prime markets and monetize networks. Addressing current business leaders, the authors reveal strategies behind some of today's up-and-coming platforms, such as Tinder and SkillShare, and explain how traditional companies can adapt in a changing marketplace. The authors also cover essential issues concerning security, regulation, and consumer trust, while examining markets that may be ripe for a platform revolution, including healthcare, education, and energy. As digital networks increase in ubiquity, businesses that do a better job of harnessing the power of the platform will win. An indispensable guide, Platform Revolution charts out the brilliant future of platforms and reveals how they will irrevocably alter the lives and careers of millions.

V.3: ' ... provides a detailed discussion of the issues arising from international arbitration awards. It includes chapters covering the form and contents of awards; the correction, interpretation and supplementation of awards; the annulment and confirmation of awards; the recognition and enforcement of arbitral awards; and issues of preclusion, lis pendens and staredecisis.'--Descripción del editor.
