Mosab Hassan Yousef is the son of Sheikh Hassan Yousef, one of the founders of Hamas, an Islamic resistance movement which has been classified as a terrorist organization. His father remains one of the organization ' s most prominent members and spokesmen.

Son of Hamas by Mosab Hassan Yousef - Goodreads

Mosab Hassan Yousef (later Joseph) was born in Ramallah, a city 10 kilometers (6.2 mi) north of Jerusalem. His father, Sheikh Hassan Yousef, was a Hamas leader who spent many years in Israeli prisons. He is the oldest of five brothers and three sisters. When Yousef was growing up, he wanted to be a fighter because that was according to him what was expected of Palestinian children in the West Bank.

Mosab Hassan Yousef - Wikipedia

Peter Jackson's The Two Towers Haleth is the son of H á ma, the door-warden of Meduseld who has died in a Warg attack. Haleth's only appearance is at Helm's Deep, where he has a grim conversation with Aragorn, telling Aragorn that the men believe that they will not survive the night. Aragorn then reassures him, stating that there is always hope.

Haleth (Son of H á ma) - Lord of the Rings Wiki

Unlike convicted felon Nakoula Bassely Nakoula, aka Sam Bacile, the man behind the film Innocence of Muslims, Yousef was born a Muslim, the grandson of an Imam, and the son of an Imam who also founded the Islamic terrorist organization Hamas. Yousef is now casting the film and promises that it will be at par with some of the most respected Historical movies produced in Hollywood and around the world.

chapter about events since the book's release such as the revelation of Mosab's Israeli intelligence handler's true identity, and Homeland Security's effort to deport the author. Since he was a small boy, Mosab Hassan Yousef has had an inside view of the deadly terrorist group Hamas. The oldest son of Sheikh Hassan Yousef, a founding member of Hamas and its most popular leader, young Mosab assisted his father for years in his political activities while being groomed to assume his legacy, politics, status... and power. But everything changed when Mosab turned away from terror and violence, and embraced instead the teachings of another famous Middle East leader. In *Son of Hamas*, Mosab reveals new information about the world's most dangerous terrorist organization and unveils the truth about his own role, his agonizing separation from family and homeland, the dangerous decision to make his newfound faith public, and his belief that the Christian mandate to "love your enemies" is the only way to peace in the Middle East.

An extraordinary story, never before told: The intimate, behind-the-scenes life of an American boy raised by his terrorist father—the man who planned the 1993 World Trade Center bombing. What is it like to grow up with a terrorist in your home? Zak Ebrahim was only seven years old when, on November 5th, 1990, his father El-Sayyid Nosair shot and killed the leader of the Jewish Defense League. While in prison, Nosair helped plan the bombing of the World Trade Center in 1993. In one of his infamous video messages, Osama bin Laden urged the world to "Remember El-Sayyid Nosair." For Zak Ebrahim, a childhood amongst terrorism was all he knew. After his father's incarceration, his family moved often, and as the perpetual new kid in class, he faced constant teasing and exclusion. Yet, though his radicalized father and uncles modeled fanatical beliefs, to Ebrahim something never felt right. To the shy, awkward boy, something about the hateful feelings just felt unnatural. In this book, Ebrahim dispels the myth that terrorism is a foregone conclusion for people trained to hate. Based on his own remarkable journey, he shows that hate is always a choice—but so is tolerance. Though Ebrahim was subjected to a violent, intolerant ideology throughout his childhood, he did not become radicalized. Ebrahim argues that people conditioned to be terrorists are actually well positioned to combat terrorism, because of their ability to bring seemingly incompatible ideologies together in conversation and advocate in the fight for peace. Ebrahim argues that everyone, regardless of their upbringing or circumstances, can learn to tap into their inherent empathy and embrace tolerance over hatred. His original, urgent message is fresh, groundbreaking, and essential to the current discussion about terrorism.

At age 17, Palestinian Tass Saada ran away to become a PLO sniper, onetime chauffeur for Yasser Arafat, and a Muslim immersed in anti-Israeli activity. As a man he moved to America, started a family, and eventually became a Christian. Then he risked retribution as he returned home to share his faith with his family and former boss. *Once an Arafat Man* is a story of the ultimate triumph of love over hatred, of reconciliation over divisions. It's a story that can inspire us all to overcome the conflicts in our own lives.

NEW YORK TIMES BESTSELLER \* The first definitive history of the Mossad, Shin Bet, and the IDF's targeted killing programs, hailed by The New York Times as "an exceptional work, a humane book about an incendiary subject." WINNER OF THE NATIONAL JEWISH BOOK AWARD IN HISTORY NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY JENNIFER SZALAI, THE NEW YORK TIMES NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Economist \* The New York Times Book Review \* BBC History Magazine \* Mother Jones \* Kirkus Reviews The Talmud says: "If someone comes to kill you, rise up and kill him first." This instinct to take every measure, even the most aggressive, to defend the Jewish people is hardwired into Israel's DNA. From the very beginning of its statehood in 1948, protecting the nation from harm has been the responsibility of its intelligence community and armed services, and there is one weapon in their vast arsenal that they have relied upon to thwart the most serious threats: Targeted assassinations have been used countless times, on enemies large and small, sometimes in response to attacks against the Israeli people and sometimes preemptively. In this page-turning, eye-opening book, journalist and military analyst Ronen Bergman--praised by David Remnick as "arguably [Israel's] best investigative reporter"--offers a riveting inside account of the targeted killing programs: their successes, their failures, and the moral and political price exacted on the men and women who approved and carried out the missions. Bergman has gained the exceedingly rare cooperation of many current and former members of the Israeli government, including Prime Ministers Shimon Peres, Ehud Barak, Ariel Sharon, and Benjamin Netanyahu, as well as high-level figures in the country's military and intelligence services: the IDF (Israel Defense Forces), the Mossad (the world's most feared intelligence agency), Caesarea (a "Mossad within the Mossad" that carries out attacks on the highest-value targets), and the Shin Bet (an internal security service that implemented the largest targeted assassination campaign ever, in order to stop what had once appeared to be unstoppable: suicide terrorism). Including never-before-reported, behind-the-curtain accounts of key operations, and based on hundreds of on-the-record interviews and thousands of files to which Bergman has gotten exclusive access over his decades of reporting, *Rise and Kill First* brings us deep into the heart of Israel's most secret activities. Bergman traces, from statehood to the present, the gripping events and thorny ethical questions underlying Israel's targeted killing campaign, which has shaped the Israeli nation, the Middle East, and the entire world. "A remarkable feat of fearless and responsible reporting . . . important, timely, and informative."--John le Carré

"*The General's Son*" is the powerful account, by Israeli peace activist Miko Peled, of his transformation from a young man who'd grown up in the heart of Israel's elite and served proudly in its military into a fearless advocate of nonviolent struggle and equal rights for all Palestinians and Israelis. (His journey mirrored in many ways the transformation his father, a much-decorated Israeli general, had undergone three decades earlier.) In "*The General's Son*," Peled paints touching portraits of his childhood in Jerusalem, of the tumultuous events that sparked his transformation, and of the Palestinian and Israeli peace activists he has worked with in recent years. When the first edition of "*The General's Son*" appeared in 2012, Pulitzer Prizewinning author Alice Walker contributed a Foreword in which she wrote, "There are few books on the Israel/Palestine issue that seem as hopeful to me as this one." After the first edition came out, Peled took its message to enthusiastic audiences around the United States and the world. For this new edition, he added an Epilogue that takes readers with him on many of these journeys: to South Africa, East Asia, several European countries, and the West Bank, Gaza, and Israel itself. He also reflects on his continuing inner journey to understand more deeply the requirements of a peaceful order."

Two prominent Israeli liberals argue that for the conflict between Israel and the Palestinians to end with peace, Palestinians must come to terms with the fact that there will be no "right of return." In 1948, seven hundred thousand Palestinians were forced out of their homes by the first Arab-Israeli War. More than seventy years later, most of their houses are long gone, but millions of their descendants are still registered as refugees, with many living in refugee camps. This group—unlike countless others that were displaced in the aftermath of World War II and other conflicts—has remained unsettled, demanding to settle in the state of Israel. Their belief in a "right of return" is one of the largest obstacles to successful diplomacy and lasting peace in the region. In *The War of Return*, Adi Schwartz and Einat Wilf—both liberal Israelis supportive of a two-state solution—reveal the origins of the idea of a right of return, and explain how UNRWA - the very agency charged with finding a solution for the refugees - gave in to Palestinian, Arab and international political pressure to create a permanent "refugee" problem. They argue that this Palestinian demand for a "right of return" has no legal or moral basis and make an impassioned plea for the US, the UN, and the EU to recognize this fact, for the good of Israelis and Palestinians alike. A runaway bestseller in Israel, the first English translation of *The War of Return* is certain to spark lively debate throughout America and abroad.
