Bart Dunn is your average South African white guy, distraught at crime and general bungling. But he also holds a rogue view â?? he sees up-sides to Africa, not just the sunshine and the wonderful vegetation, but the human factor. As Bart rollercoasters through the highs

and lows of everyday
life, South African
style, he is convinced
there is a way,
somewhere, to grow
the highs and shrink
the lows. The trail
propels him past the

when he meets a
shantytown visionary.
Bart remains
skeptical. Everyone

miracle. Who is this
squatter-shack savant
to claim that the
morass is just an
error, from which the
next-phase of human

He must be wrong;
but where, exactly, is
the flaw in his
startlingly simple
recipe? Magenta is a
utopian thriller â??

'Seffricanese' will
