Miller Test Prep's study guide for the TSI is the solution for students who want to maximize their score and minimize study time. Our study guides are carefully designed to provide only that clear and concise information you need. That's precisely why we put "Clear & Concise" on our cover. The standard for the study guide industry is to "throw in the kitchen sink" when it comes to making a book, meaning you are stuck with hundreds of pages of repetitive information, redundant and confusing examples, and more practice questions than any person could be expected to work through. This results in students feeling overwhelmed, leading to reduced self-confidence, which leads to lower scores! Instead, Miller Test Prep has worked specifically with tutors. Why tutors you ask? Tutors specialize in helping students comprehend information that has already been presented by a teacher. That means they see time and again what students struggle with and what actually works to help them. They specialize in helping students who have previously failed, to succeed. We compiled their decades of experience helping students just like you into this study guide, so you pass the first time! In this TSI guide book, we ensure you are thoroughly prepared for this critically important test: Comprehensive review of all TSI exam sections: Reading Writing - Essay Writing - Multiple Choice Mathematics Step-by-step examples for every concept tested Practice test questions like the real exam Detailed, thorough answer key explanations 6 complete essay examples with scoring explanations

the same great material as Academic Success Media's original publication. Plus, there is a new TSI reading practice test and 40 new essay correction exercises at the end of the publication. The new essay correction exercises help students practice the most common grammatical and stylistic writing conventions assessed on the TSI writing exam. When you study the explanations for the answers to each question, you will learn useful exam strategies and the pitfalls to avoid when taking the actual TSI test. Since you are asked to write a persuasive essay on a controversial topic for the TSI assessment, an essay writing guide is provided in the last section of the book. All of the texts and questions in the guide are of the same format and difficulty level as the real TSI exam. Get the advantage you need in your college placement with our Advantage+ Edition!
