Following in the tradition of Phaidon's "The Art Book", this is an illustrated dictionary which presents in alphabetical order the work of 500 great artists from the 20th century. Each artist is represented by a full-page colour plate of a key work and a short text about the work of the artist.

The 20th Century Art Book: Editors of Phaidon Press ...

So The 20th Century Art Book must be understood as an overview —very broad, but by no means all-inclusive... and nowhere is it very deep. It is a product of the 20th Century itself, as well, with a copyright date of 1996 (but with updates in this edition up through 2007 or so, mostly in dates of death).

The 20th Century Art Book by Phaidon Press

The 20th Century Art Book. Editors of Phaidon Press. Phaidon Press, 1996 - Art - 512 pages. 2 Reviews. Now available in a new convenient format, this book is an accessible guide to the art of the...

The 20th Century Art Book - Editors of Phaidon Press ...

Just to thumb through Edward Lucie-Smith's Lives of the Great 20th Century Artists is to be overwhelmed by the vibrancy and range of styles, eras, and personalities that have shaped artistic and cultural perception throughout the last hundred years. Arguing that "twentieth-century artworks cannot be understood fully in total isolation," Lucie-Smith includes in each biography not only some sumptuous reproductions but also photographs of his subjects at work, at play, posing as the Next Big ...

Lives of the Great 20th-Century Artists: Lucie-Smith ...

Complemented by The 20th Century Art Book and The American Art Book, its unique approach brings art alive. An A-Z guide to the greatest painters and sculptors from medieval to modern times, it debunks art-historical classifications by throwing together brilliant examples of all periods, schools, visions and techniques.

This reader has been reading the NEW YORK TIMES for more than a half-century. Their new book of the Great Stories of the Century is a treasure of reading of what the 20th Century is all about. My only wish is that the book was longer; it was so very interesting. I would like to compliment the Editor for a Job Well-Done.

Art of the 20th Century. Karl Ruhrberg, Klaus Honnef, Christiane Fricke, Manfred Schneckenburger. Taschen, 2000 - Art - 840 pages. 7 Reviews. The original edition of this ambitious reference was...

Depicts five hundred paintings and sculptures, each by a different modern artist, in alphabetical order by artist, with a brief description of the work and its place in art history and in the artist's career

The 20th Century Art Book was hailed upon its release as an exciting celebration of the myriad forms assumed by art over the last century. Complementing the phenomenally successful Art Book, and most recently The American Art Book, it presents a new and original way of bringing art alive. Covering the truly international nature of the modern art scene, it encompasses established, iconic works of art and the classics of the future. 500 artists are showcased in alphabetical order, each represented by a full-page colour plate of a definitive work and an incisive text which sheds light on both image and creator. This book is above all

easy to use: cross-references help the reader make connections between artists; there is a jargon-free glossary of artistic terms and movements; and an international directory of museums and galleries lists the works on public view. Ideal for those approaching the subject for the first time, it is a fun and unintimidating look at the ever-expanding boundaries of art.

The original edition of this ambitious reference was published in hardcover in 1998, in two oversize volumes (10x13"). This edition combines the two volumes into one; it's paperbound ("flexi-cover"--the paper has a plastic coating), smaller (8x10"), and affordable for art book buyers with shallower pockets--none of whom should pass it by. The scope is encyclopedic: half the work (originally the first volume) is devoted to painting; the other half to sculpture, new media, and photography. Chapters are arranged thematically, and each page displays several examples (in color) of work under discussion. The final section, a lexicon of artists, includes a small bandw photo of each artist, as well as biographical information and details of work, writings, and exhibitions. Ruhrberg and the three other authors are veteran art historians, curators, and writers, as is editor Walther. c. Book News Inc.

With over 500 illustrations, including many from the prestigious Centre Georges Pompidou collection, this work will prove an invaluable and accessible guide for students and for all those wanting to explore the most tumultuous years in art history.

Return to the elemental - Search for the primitive - Abstraction and empathy - Picasso and Negro Art - Matisse or Vlaminck - Problems of form - Exchange of techniques - Exotic attraction of distant lands - Primitive art and German Expressionism - Surrealism and the art of the South Sea Islands.

Manifestos and artists' statements were crucial to Futurism, the revolutionary art movement that took Europe by storm in the years preceding the First World War. This classic work is widely respected as the most comprehensive selection of writings that defined the movement.

The 20th Century in art began in 1907 with Picasso's *Les Femmes d'Alger (O.J.)*. At about the same time, the first avantgarde movements began: Cubism, Expressionism, Abstract Art, Futurism and Dadaism opened the doors to new expressive possibilities. By the early 40s the center of art had moved from Paris to New York where action was the protagonist of Pollock's art. On one hand artists delved into the popular reality of the consumer society and on the other they pursued sophisticated results that were sometimes quite distant from the public: Pop Art, Conceptual Art and Minimalism."
