The 36 Strategies of the Martial Arts is a classical collection of Chinese maxims on understanding, engaging, and defeating your enemy. The origin of the collection is unknown; however, the text is a synthesis of various military maxims, political expressions, and even folk sayings, some of which are from sources that date back 1,500 years. Professor Hiroshi Moriya, a Tokyo-based authority on Chinese culture and philosophy, supplies clear and succinct explanations of each maxim and illustrates them with examples not only from Chinese literature and history but also from events in Europe and modern business affairs. This book will resonate with anyone interested in a classic approach to psyching out an opponent and emerging victorious—in martial arts, business,

The 36 Stratagems is a Chinese essay used to illustrate a series of stratagems used in politics and in war, as well as in civilian life, often through unorthodox means. Approximately 300 years ago an unknown scholar compiled the stratagems, a strangely seductive meditation on deception. The stratagems are ordered in categories according to your current position. 'Advantageous Stratagems', 'Opportunistic Stratagems' and 'Attacking Stratagems' are used when you
